

APPROVED APPRAISAL EDUCATION – CLASS SCHEDULE

UPDATED DECEMBER 17, 2018

website: www.appraiser.ne.gov/

Please be advised additional courses and seminars are added as notified by providers and changes and cancellations may occur.

A list of Education Providers with approved activities can be found at

http://appraiser.ne.gov/Education/Provider_Links.pdf

Correspondence courses are not approved for core curriculum education

CE = continuing education seminar.

CE seminars must be at least 2 hours in length.

Core Curriculum education must be tested and a minimum of 15 hours in length and AQB/CAP approved to receive credit. Core curriculum education completed without meeting these qualifications will not be credited toward earning a credential. (Core Curriculum and Qualifying Education hours also apply for continuing education credit)

The Board's nine-digit education number is used to determine duplication of content between education offerings. Education cannot be awarded when an individual duplicates education. A course or seminar cannot be repeated for a period of four (4) years with USPAP as the exception. USPAP online is approved by the State of Nebraska.

15-hour National USPAP course will not replace the 7-hour National USPAP Update seminar. This is a tentative schedule of available education activities. Please note there may be offerings that are not listed on this calendar. Check with the education provider.

Please be advised that all approvals of online courses are contingent upon the maintenance of a valid IDECC approval. If this IDECC approval is not kept current by the provider, the course is considered to be invalid.
