

APPROVED APPRAISAL EDUCATION – CLASS SCHEDULE

UPDATED 2/21/2018

website: www.appraiser.ne.gov/

Please be advised additional courses and seminars are added as notified by providers and changes and cancellations may occur.

A list of Education Providers with approved activities can be found at

http://appraiser.ne.gov/Education/Provider_Links.pdf

Correspondence courses are not approved for core curriculum education

CE = continuing education seminar.

CE seminars must be at least 2 hours in length.

Core Curriculum education must be tested and a minimum of 15 hours in length and AQB/CAP approved to receive credit. Core curriculum education completed without meeting these qualifications will not be credited toward earning a credential. (Core Curriculum and Qualifying Education hours also apply for continuing education credit)

The Board's nine-digit education number is used to determine duplication of content between education offerings. Education cannot be awarded when an individual duplicates education. A course or seminar cannot be repeated for a period of four (4) years with USPAP as the exception. Only 14 hours of online approved education is allowed each continuing education period. Approved seminars are located at the end of class schedule listing. USPAP online **IS NOT** approved by the State of Nebraska.

15-hour National USPAP course will not replace the 7-hour National USPAP Update seminar. This is a tentative schedule of available education activities. Please note there may be offerings that are not listed on this calendar. Check with the education provider.

Please be advised that all approvals of online courses are contingent upon the maintenance of a valid IDECC approval. If this IDECC approval is not kept current by the provider, the course is considered to be invalid.

REPORT WRITING UPDATE

The Nebraska Real Property Appraiser Board adopted the following policy on June 19, 2008. The motion reads as follows: "To require all credentialed appraisers complete at minimum an appropriate report writing seminar update once every four years beginning January 1, 2009. The 15-hour core curriculum report writing course will not meet the update requirement and the update seminar cannot be completed on-line. The update will be a seven hour seminar and the criteria for implementation for the update class will be submitted to the Board prior to approval of an update seminar." **Approved report writing update seminars contain the number "2" as the fifth digit of the nine-digit activity number.**
