

Memo from the Board to Nebraska Real Property Appraisers

August 2012

HEY! CHECK YOUR OWN CE HOURS

By Tyler Kohtz, Director

As of August 1, 2012, appraisers can now view their completed continuing education, along with other education requirements on-line. Please visit the Nebraska Real Property Appraiser Board's website found at www.appraiser.ne.gov.

You can view your continuing education two ways; under "What's New" select the "Hey! Check your own continuing education hours" hyperlink; or you may select the "Appraiser Login" hyperlink on the right hand side of the page. Once you access the Appraiser Login screen, enter your email address and last four digits of your Social Security number. The password for initial log in is your last name, all lower case. You can reset the password once you are successfully logged in.

Education courses are listed in chronological order. Your CE period indicates the two year cycle your education is due. All education and the 7-hour USPAP Update is due by November 30th of the year listed. You will also find the number of hours needed to fulfill the 28 hour continuing education requirement.

If the Nebraska Real Property Appraiser Board does not have a current email address on record for you, you will not be able to log in. Please notify the Board of your current email address to gain access to the Appraiser Login. In addition, if your email address changes in the future, please notify the Board immediately. Contact the Board's office by phone or email for assistance if you have trouble logging in, or if you would rather inquire about your continuing education status by communicating with Board staff directly.
