This guidance document is advisory in nature but is binding on the Nebraska Real Property Appraiser Board (“Board”) until amended or repealed by the Board. A guidance document does not include internal procedural documents that only affect the internal operations of the Board and does not impose additional requirements or penalties on regulated parties or include confidential information or rules and regulations made in accordance with the Administrative Procedure Act. If you believe that this guidance document imposes additional requirements or penalties on regulated parties, you may request a review of the document (Neb. Rev. Stat. § 84-901.03 (2)).

**SUBJECT:** Credentialing Applicant Advisory Meeting Information

**LEGAL REFERENCE:** Neb. Rev. Stat. § 84-712.05 (5) (Laws 2016, LB447, § 45; LB471, § 3; LB1109, § 1); 298 NAC, Ch. 8, § 002.09A (2017)

## SUMMARY OF ACTION

Approved by the Board at its July 17, 2014 meeting as Board Policy 14-04. Board Policy 14-04 was retired by the Board on May 24, 2017. Guidance Document 17-03 was adopted by the Board at its June 15, 2017 meeting as presented.

## BACKGROUND

Excerpt from July 17, 2014 meeting of the Nebraska Real Property Appraiser Board: *The Board reviewed drafted Board Policies 14-03 concerning supervisory appraiser notification of appraisal report found to not be in substantial compliance with USPAP, and 14-04 concerning credentialing applicant advisory meeting information. Director Kohtz informed the Board that after discussions with Chairman Barkley and Vice-Chairman Kubert, the language “not be in substantial compliance with USPAP” will be replaced with “contain USPAP deficiencies” in the first sentence. The Board agreed with this change. There was no discussion pertaining to drafted Board Policy 14-04. Board Member Kubert made a motion to approve Board Policy 14-03 as amended, and Board Policy 14-04 as presented. The motion was seconded by Woodle, and carried with Saxton, Langemeier, Woodle, Kubert and Barkley voting aye.*

LB 867, enacted by the Legislature in 2016, makes a number of changes to the rulemaking provisions of the Administrative Procedure Act ["APA"], Neb. Rev. Stat. §§ 84-901 to 84-918 (2014, and Cum. Supp. 2016). Agencies are authorized to issue "guidance documents," which are defined to "mean any statement developed by an agency which lacks the force of law but provides information or direction of general application to the public to interpret or implement statutes or such agency's rules or regulations." Guidance documents are binding on an agency until amended by the agency, and shall not give rise to any legal right or duty or be treated as authority for any standard, requirement, or policy. Guidance documents replace the Nebraska Real Property Appraiser Board's prior use of board policies to provide direction to the public, and to interpret or implement statutes and rules.

## **ANALYSIS**

Board Policy 14-04, which was adopted by the Board on July 17, 2014, was retired by the Board on May 24, 2017 to implement the former board policy as a guidance document.

## **GUIDANCE**

Any information obtained during an advisory meeting between a board member(s) and a trainee real property appraiser, held to discuss one or more appraisal reports and/or reviews of those appraisal reports for consideration of credentialing, shall be a part of the examination record for that credentialing applicant in accordance with Neb. Rev. Stat. § 84-712.05 (5). The board member(s) in attendance at the advisory meeting, and/or staff, may discuss information obtained during the meeting with the supervisory appraiser if permission is granted to do so by the Board.

**SUBJECT:** Consideration of Disciplinary Action Imposed Against a Real Property Appraiser by Another Appraiser Regulator Agency

**LEGAL REFERENCE:** Neb. Rev. Stat. § 76-2227(4)(c), (5) (Laws 2016, LB731, § 9); Neb. Rev. Stat. § 76-2228.02(1)(c), (3) (Laws 2014, LB717, § 16); Neb. Rev. ## SUMMARY OF ACTION

Adopted by the Board at its August 15, 2019 meeting.

## BACKGROUND

The appraiser credential renewal laws and regulations of an appraiser regulatory agency in another jurisdiction (“Subject Appraiser Regulatory Agency”) require that credentials be issued for a two-year period. However, the laws and regulations also require that the credential holder pay appraiser credentialing fees annually. This places an undue burden on the credential holder to pay the annual credentialing fee at the end of the first year of the two-year credentialing period. It is the practice of the Subject Appraiser Regulatory Agency to take disciplinary action against any credential holder who fails to pay the annual renewal fee in a timely manner, which includes suspension of his or her credential. The Subject Appraiser Regulatory Agency also reports this disciplinary action to the Appraisal Subcommittee as required in ASC Policy Statement #3, but may not be adequately informing the credential holder of the disciplinary action taken against him or her. This practice by the Subject Appraiser Regulatory Agency creates confusion for the credential holder as to how this disciplinary action must be reported to appraiser regulatory agencies in other jurisdictions. Many credential holders incorrectly report this disciplinary action, which often leads to additional actions by an appraiser regulatory agency.

The Appraisal Foundation addressed this very issue in its updated Real Property Appraiser Qualifications Criteria effective on January 1, 2020 (“2020 Criteria”). On page 13 of the 2020 Criteria, The Appraisal Foundation added a new interpretation that applies to the eligibility of supervisory appraisers who have received disciplinary sanctions for “administrative” reasons, as opposed to sanctions that were “practice-based.” Specifically, sanctions imposed as a result of administrative actions not related to an individual’s obligations of ethical and competent appraisal practice do not disqualify a credential holder from being a supervisory appraiser. According to the 2020 Criteria, examples may involve isolated administrative responsibilities including late payment of fees, failure to timely renew a credential, or failure to notify a regulatory office of a change in contact information. The above-mentioned interpretation was added to the 2020 Criteria in consideration of appraiser regulatory agencies denying supervisory appraiser applications or removing supervisory appraiser status because of the action taken by the Subject Appraiser Regulatory Agency.

## **ANALYSIS**

The mission of the Nebraska Real Property Appraiser Board is to administer and enforce the Nebraska Real Property Appraiser Act and Nebraska Appraisal Management Company Registration Act with efficiency, equity, and integrity, to not only ensure that the citizens of Nebraska are protected and served, but also that the appraisal business community is highly qualified through education, experience, and examination. Furthermore, it is the Board’s intent that its Enforcement Program is educational in nature when possible. The language in the Real Property Appraiser Act allows the Board to carry out its mission, and specific language pertains to qualifications for real property appraisers, or reasons for the Board to take disciplinary action, as related to applicants and credential holders.

In accordance with Neb. Rev. Stat. § 76-2227, applications for initial credentials, upgrade of credentials, credentials through reciprocity, temporary credentials, and renewal of credentials must: (4)(c) certify that the applicant’s appraiser credential, or any other registration, license, or certification, issued by any other regulatory agency or held in any other jurisdiction, has not been revoked or suspended within the five-year period immediately preceding the date of application; and, (5) credentials shall be issued only to persons who have a good reputation for honesty, trustworthiness, integrity, and competence to perform assignments in such manner as to safeguard the interest of the public and only after satisfactory proof of such qualification has been presented to the board upon request and a completed application has been approved.

N.R.S § 76-2228.02(1)(c), (3); N.R.S. § 76-2230(3)(a)(ii)(B); and 298 NAC Chapter 6, § 005.01D.2 all establish specific criteria that would eliminate an applicant from being approved by the Board. In accordance with N.R.S § 76-2228.02(1)(c), an applicant to be a supervisory appraiser must have not successfully completed disciplinary action by the board or any other jurisdiction, which action limited the real property appraiser’s legal eligibility to engage in real property appraisal activity within three years immediately preceding the date the written request for approval as supervisory appraiser is submitted by the applicant or trainee real property appraiser on a form approved by the board; and (3) says, that a certified real property appraiser disciplined by the board or any other appraiser regulatory agency in another jurisdiction, which discipline may or may not have limited the real property appraiser’s legal eligibility to engage in real property appraisal activity, shall not be eligible as a supervisory appraiser as of the date disciplinary action was imposed against the appraiser by the board or any other appraiser regulatory agency.

298 NAC Chapter 6, § 005.01D.2 requires that an instructor applicant for an education activity that holds a credential as an appraiser, not have had a credential revoked, suspended, or have surrendered a credential in lieu of disciplinary action within three years.

N.R.S. § 76-2230(3)(a)(ii)(B) also requires that an applicant for the certified residential classification upgrading from the licensed classification must not have been subject to a nonappealable disciplinary action by the board or any other jurisdiction, which action limited the real property appraiser's legal eligibility to engage in real property appraisal activity within five years immediately preceding the date of application for the certified residential real property appraiser credential if he or she would like to upgrade without completing additional qualifying education.

Finally, N.R.S. § 76-2238 establishes the acts or omissions considered grounds for disciplinary action or denial of an application by the Board. The following specific statutes apply to this matter:

- (1) Failure to meet the minimum qualifications for credentialing established by or pursuant to the Real Property Appraiser Act;
- (2) Procuring or attempting to procure a credential under the act by knowingly making a false statement, submitting false information, or making a material misrepresentation in an application filed with the board or procuring or attempting to procure a credential through fraud or misrepresentation;
- (12) Any violation of the act or any rules and regulations adopted and promulgated pursuant to the act;
- (19) Suspension or revocation of an appraisal credential or a license in another regulated occupation, trade, or profession in this or any other jurisdiction or disciplinary action taken by another jurisdiction that limits the real property appraiser's ability to engage in real property appraisal activity;
- (21) Failure to report disciplinary action taken against an appraisal credential or any other registration, license, or certification issued by any other regulatory agency or held in any other jurisdiction within sixty days of receiving notice of such disciplinary action;

Although it has been standard practice for the Board to not take adverse action on an application or against a credential holder for an action taken by another appraiser regulatory agency that would not be a violation of the Real Property Appraiser Act, the disciplinary action taken by the Subject Appraiser Regulatory Agency compromises the Board's ability to carry out its mission effectively due to the following:

- (1) The Subject Appraiser Regulatory Agency's disciplinary action results in the suspension of the appraiser's credential, which has immediate ramifications according to the language found in N.R.S § 76-2228.02(1)(c), (3), N.R.S. § 76-2230(3)(a)(ii)(B), and 298 NAC Chapter 6, § 005.01D.2. Under certain conditions, the applicant is disqualified.
- (2) Disciplinary action, with or without a suspension, taken by any appraiser regulatory agency requires additional background work and research by the Board's staff to gather information for the Board to make an informed decision regarding the application or the status of the credential holder. Given the unjust nature of the disciplinary action imposed by the Subject Appraiser Regulatory Agency for this matter, and the volume of such actions, the required background work and research has a negative impact on the Board's operational efficiency.

- (3) The Subject Appraiser Regulator Agency may not be adequately informing the credential holder of the disciplinary action taken against him or her. This practice by the Subject Appraiser Regulatory Agency creates confusion for the credential holder as to how this disciplinary action must be reported, which may result in the Board denying the application for being untruthful.

The Appraisal Foundation is authorized by the U.S. Congress to develop the Real Property Appraiser Qualification Criteria through its Appraiser Qualifications Board. 12 U.S.C. § 3345 specifies the certification and licensing requirements for real property appraisers, which includes the following for the minimum qualifications for a trainee real property appraiser or supervisory appraiser:

*(e) Minimum Qualification Requirements. Any requirements established for individuals in the position of 'Trainee Appraiser' and 'Supervisory Appraiser' shall meet or exceed the minimum qualification requirements of the Appraiser Qualifications Board of The Appraisal Foundation. The Appraisal Subcommittee shall have the authority to enforce these requirements.*

As mentioned in the Background section, The Appraisal Foundation also addressed this very issue in its 2020 Criteria due to appraiser regulatory agencies denying supervisory appraiser applications or removing supervisory appraiser status because of the action taken by the Subject Appraiser Regulatory Agency.

## **GUIDANCE**

Due to the unjust burden placed on a credential holder to accurately report such action, and compromise to the Board's ability to carry out its mission, the Board will no longer recognize any action taken by any appraiser regulatory agency, with or without suspension or revocation, as disciplinary action, if such action has been verified by the Director to involve an appraiser regulatory agency's isolated administrative responsibilities including, but not limited to, late payment of fees related to credentialing, failure to timely renew a credential, or failure to notify a regulatory office of a change in contact information; and such action is deemed by the Director to not be related to the credential holder's ethical behavior or competency as a real property appraiser, and no harm to the public is found.

298 NAC, Ch. 6, §§ 003.01A, 003.01N (2017)

## SUMMARY OF ACTION

Approved by the Board at its July 19, 2016 meeting as Board Policy 16-01. Board Policy 16-01 was retired by the Board on May 24, 2017. Guidance Document 17-02 was adopted by the Board at its June 15, 2017 meeting as presented.

## BACKGROUND

Excerpt from July 19, 2016 meeting of the Nebraska Real Property Appraiser Board: *Director Kohtz presented new Board Policy 16-01 concerning approval of software specific training as a continuing education activity to the Board for consideration. Attention was brought to the use of “meeting” on the second to last line. The Director acknowledged that this was a spelling error, and it should be “meet.” The Director informed the Board that the error will be corrected. With no further discussion, Board Member Hynek made a motion to approve Board Policy 16-01 as amended. The motion was seconded by Langemeier, and carried with Bloxham, Hynek, Langemeier, Gutwein, and Woodle voting aye.*

LB 867, enacted by the Legislature in 2016, makes a number of changes to the rulemaking provisions of the Administrative Procedure Act ["APA"], Neb. Rev. Stat. §§ 84-901 to 84-918 (2014, and Cum. Supp. 2016). Agencies are authorized to issue "guidance documents," which are defined to "mean any statement developed by an agency which lacks the force of law but provides information or direction of general application to the public to interpret or implement statutes or such agency's rules or regulations." Guidance documents are binding on an agency until amended by the agency, and shall not give rise to any legal right or duty or be treated as authority for any standard, requirement, or policy. Guidance documents replace the Nebraska Real Property Appraiser Board's prior use of board policies to provide direction to the public, and to interpret or implement statutes and rules.

## **ANALYSIS**

Board Policy 16-01, which was adopted by the Board on July 19, 2016, was retired by the Board on May 24, 2017 to implement the former board policy as a guidance document.

## **GUIDANCE**

In accordance with Neb. Rev. Stat. § 76-2236 (11), any continuing education activity approved by the Board shall, as determined by the Board, protect the public and contribute to a credential holder's development of appraiser related competency. An activity in which the primary purpose is training in the use of a specific software, and not utilization of a software to improve competency in appraisal practice; valuation methodology and/or techniques; market fundamentals, characteristics, conditions and analysis; real property concepts, characteristics and analysis; communication; computation; and/or legal considerations, does not meet the requirements for approval as a continuing education activity.

## BACKGROUND

Excerpt from July 17, 2014 meeting of the Nebraska Real Property Appraiser Board: *The Board reviewed drafted Board Policies 14-03 concerning supervisory appraiser notification of appraisal report found to not be in substantial compliance with USPAP, and 14-04 concerning credentialing applicant advisory meeting information. Director Kohtz informed the Board that after discussions with Chairman Barkley and Vice-Chairman Kubert, the language “not be in substantial compliance with USPAP” will be replaced with “contain USPAP deficiencies” in the first sentence. The Board agreed with this change. There was no discussion pertaining to drafted Board Policy 14-04. Stat. § 76-3207(1)(b), (2) (Laws 2020, LB808, § 91)

## SUMMARY OF ACTION

Adopted by the Board at its July 15, 2021 meeting.

## **BACKGROUND**

During a discussion between Director Kohtz and AAG Nigro regarding delegation of authority, Director Kohtz brought attention to the Board's procedure for real property appraiser applicant and AMC registration applicant criminal history record check ("CHRC") review. Director Kohtz informed AAG Nigro that the Board intends to provide more authority to the director to approve certain applications, and that the Board may not have any direct involvement in the CHRC review. Director Kohtz inquired about the potential for unlawful delegation of authority since the relevant statutes specifically state that such record check is to be carried out by the Real Property Appraiser Board. AAG Nigro indicated that Neb. Rev. Stat. § 76-2223(1)(n) says, the Board shall administer and enforce the Real Property Appraiser Act, and do all other things necessary to carry out the Real Property Appraiser Act. In addition, Neb. Rev. Stat. § 76-2224 states, "In order to administer and enforce the Real Property Appraiser Act, the board may hire a director and other staff, rent office space, and acquire other facilities and equipment. The board may contract for administrative assistance, including facilities, equipment, supplies, and personnel that are required by the board to carry out its responsibilities under the act." AAG Nigro recommended that the Board adopt a guidance document outlining the procedure used for CHRC reviews.

## **ANALYSIS**

Regarding the qualifications for issuance, or upgrade, of a real property appraiser credential, Neb. Rev. Stat. § 76-2228.01(1)(e), (3)(a) (Trainee Real Property Appraisers); N.R.S. § 76-2230(1)(e), (2)(a) (Licensed Residential Real Property Appraisers); N.R.S. § 76-2231.01(1)(f), (2)(a) (Certified Residential Real Property Appraisers); N.R.S. § 76-2232(1)(f) (Certified General Real Property Appraisers); and N.R.S. § 76-2233(4)(a) (Real Property Appraisers through Reciprocity) state, "Submit two copies of legible ink-rolled fingerprint cards or equivalent electronic fingerprint submissions to the Real Property Appraiser Board for delivery to the Nebraska State Patrol in a form approved by both the Nebraska State Patrol and the Federal Bureau of Investigation. A fingerprint-based national criminal history record check shall be conducted through the Nebraska State Patrol and the Federal Bureau of Investigation with such record check to be carried out by the Real Property Appraiser Board."

Regarding the qualifications for renewal of a real property appraiser credential, N.R.S. § 76-2233.02(2) states, "The board shall establish a number of credential holders to be selected at random to submit, along with the application for renewal, two copies of legible ink-rolled fingerprint cards or equivalent electronic fingerprint submissions to the Real Property Appraiser Board for delivery to the Nebraska State Patrol in a form approved by both the Nebraska State Patrol and the Federal Bureau of Investigation. A fingerprint-based national criminal history record check shall be conducted through the Nebraska State Patrol and the Federal Bureau of Investigation with such record check to be carried out by the board."

In accordance with N.R.S. § 76-2227(4), to qualify for an initial credential, an upgrade of a credential, a credential through reciprocity, a temporary credential, or a renewal of a credential, an applicant shall not have been convicted of, including a conviction based upon a plea of guilty or nolo contendere of any felony (if so convicted, has had his or her civil rights restored); any crime of fraud, dishonesty, breach of trust, money laundering, misrepresentation, or deceit involving real estate, financial services, or in the making of an appraisal within the five-year period immediately preceding the date of application; or any other crime which is related to the qualifications, functions, or duties of a real property appraiser within the five-year period immediately preceding the date of application. An applicant must also demonstrate character and general fitness such as to command the confidence and trust of the public, and not possess a background that would call into question public trust or a credential holder's fitness for credentialing.

When referring to the appraisal management company ownership qualifications, N.R.S. § 76-3207(1)(b) declares that a person applying for issuance of a registration or renewal of a registration shall not, "Be more than ten percent owned by a person who is not of good moral character, which for purposes of this section shall require that such person has not been convicted of, or entered a plea of nolo contendere to, a felony relating to the real property appraisal practice or any crime involving fraud, misrepresentation, or moral turpitude or failed to submit to a criminal history record check through the Nebraska State Patrol and the Federal Bureau of Investigation."

In addition, N.R.S. § 76-3207(2) states, "For purposes of subdivision (1)(b) of this section, each individual owner of more than ten percent of an appraisal management company shall, at the time an application for issuance of a registration is made, submit two copies of legible ink-rolled fingerprint cards or equivalent electronic fingerprint submissions to the board for delivery to the Nebraska State Patrol in a form approved by both the Nebraska State Patrol and the Federal Bureau of Investigation. The board shall pay the Nebraska State Patrol the costs associated with conducting a fingerprint-based national criminal history record check through the Nebraska State Patrol and the Federal Bureau of Investigation with such record check to be carried out by the board."

Authority for carrying out such record check as required in N.R.S. § 76-2228.01(1)(e), (3)(a); N.R.S. § 76-2230(1)(e), (2)(a); N.R.S. § 76-2231.01(1)(f), (2)(a); N.R.S. § 76-2232(1)(f); N.R.S. § 76-2233(4)(a); N.R.S. § 76-2233.02(2); and N.R.S. § 76-3207(2) is dependent on the Board's ability to delegate administrative authority to its staff, and the interpretation of "Board" in N.R.S. § 76-2228.01(1)(e), (3)(a); N.R.S. § 76-2230(1)(e), (2)(a); N.R.S. § 76-2231.01(1)(f), (2)(a); N.R.S. § 76-2232(1)(f); N.R.S. § 76-2233(4)(a); N.R.S. § 76-2233.02(2); and N.R.S. § 76-3207(2).

In accordance with N.R.S. § 76-2223(1)(n), the Board shall administer and enforce the Real Property Appraiser Act, and do all other things necessary to carry out the Real Property Appraiser Act. N.R.S. § 76-2224 states, "In order to administer and enforce the Real Property Appraiser Act, the board may hire a director and other staff, rent office space, and acquire other facilities and equipment. The board may contract for administrative assistance, including facilities, equipment, supplies, and personnel that are required by the board to carry out its responsibilities under the act."

For the purpose of N.R.S. § 76-2228.01(1)(e), (3)(a); N.R.S. § 76-2230(1)(e), (2)(a); N.R.S. § 76-2231.01(1)(f), (2)(a); N.R.S. § 76-2232(1)(f); N.R.S. § 76-2233(4)(a); N.R.S. § 76-2233.02(2); and N.R.S. § 76-3207(2), Board means the Board or its staff as designated by the Board.

## **GUIDANCE**

For the purpose of N.R.S. § 76-2228.01(1)(e), (3)(a); N.R.S. § 76-2230(1)(e), (2)(a); N.R.S. § 76-2231.01(1)(f), (2)(a); N.R.S. § 76-2232(1)(f); N.R.S. § 76-2233(4)(a); N.R.S. § 76-2233.02(2); and N.R.S. § 76-3207(2), the CHRC review will be carried out by the Board's staff. If staff finds that the applicant may be in violation of N.R.S. § 76-2227(4) or N.R.S. § 76-3207(1)(b), the application shall be presented to the Board for consideration.

## NONCRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below. All notices must be provided to you in writing.<sup>1</sup> These obligations are pursuant to the Privacy Act of 1974, Title 5, United States Code (U.S.C.) Section 552a, and Title 28 Code of Federal Regulations (CFR), 50.12, among other authorities.

- You must be provided an adequate written FBI Privacy Act Statement (dated 2013 or later) when you submit your fingerprints and associated personal information. This Privacy Act Statement must explain the authority for collecting your fingerprints and associated information and whether your fingerprints and associated information will be searched, shared, or retained.<sup>2</sup>
- You must be advised in writing of the procedures for obtaining a change, correction, or update of your FBI criminal history record as set forth at 28 CFR 16.34.
- You must be provided the opportunity to complete or challenge the accuracy of the information in your FBI criminal history record (if you have such a record).
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the FBI criminal history record.
- If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/identity-history-summary-checks> and <https://www.edo.cjis.gov>.
- If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI by submitting a request via <https://www.edo.cjis.gov>. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)
- You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.<sup>3</sup>

## NONCRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below. All notices must be provided to you in writing.<sup>1</sup> These obligations are pursuant to the Privacy Act of 1974, Title 5, United States Code (U.S.C.) Section 552a, and Title 28 Code of Federal Regulations (CFR), 50.12, among other authorities.

- You must be provided an adequate written FBI Privacy Act Statement (dated 2013 or later) when you submit your fingerprints and associated personal information. This Privacy Act Statement must explain the authority for collecting your fingerprints and associated information and whether your fingerprints and associated information will be searched, shared, or retained.<sup>2</sup>
- You must be advised in writing of the procedures for obtaining a change, correction, or update of your FBI criminal history record as set forth at 28 CFR 16.34.
- You must be provided the opportunity to complete or challenge the accuracy of the information in your FBI criminal history record (if you have such a record).
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the FBI criminal history record.
- If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/identity-history-summary-checks> and <https://www.edo.cjis.gov>.
- If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI by submitting a request via <https://www.edo.cjis.gov>. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)
- You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.<sup>3</sup>

## NONCRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below. All notices must be provided to you in writing.<sup>1</sup> These obligations are pursuant to the Privacy Act of 1974, Title 5, United States Code (U.S.C.) Section 552a, and Title 28 Code of Federal Regulations (CFR), 50.12, among other authorities.

- You must be provided an adequate written FBI Privacy Act Statement (dated 2013 or later) when you submit your fingerprints and associated personal information. This Privacy Act Statement must explain the authority for collecting your fingerprints and associated information and whether your fingerprints and associated information will be searched, shared, or retained.<sup>2</sup>
- You must be advised in writing of the procedures for obtaining a change, correction, or update of your FBI criminal history record as set forth at 28 CFR 16.34.
- You must be provided the opportunity to complete or challenge the accuracy of the information in your FBI criminal history record (if you have such a record).
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the FBI criminal history record.
- If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/identity-history-summary-checks> and <https://www.edo.cjis.gov>.
- If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI by submitting a request via <https://www.edo.cjis.gov>. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)
- You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.<sup>3</sup>

**Principal Purpose:** Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. ## NONCRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below. All notices must be provided to you in writing.<sup>1</sup> These obligations are pursuant to the Privacy Act of 1974, Title 5, United States Code (U.S.C.) Section 552a, and Title 28 Code of Federal Regulations (CFR), 50.12, among other authorities.

- You must be provided an adequate written FBI Privacy Act Statement (dated 2013 or later) when you submit your fingerprints and associated personal information. This Privacy Act Statement must explain the authority for collecting your fingerprints and associated information and whether your fingerprints and associated information will be searched, shared, or retained.<sup>2</sup>
- You must be advised in writing of the procedures for obtaining a change, correction, or update of your FBI criminal history record as set forth at 28 CFR 16.34.
- You must be provided the opportunity to complete or challenge the accuracy of the information in your FBI criminal history record (if you have such a record).
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the FBI criminal history record.
- If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/identity-history-summary-checks> and <https://www.edo.cjis.gov>.
- If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI by submitting a request via <https://www.edo.cjis.gov>. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)
- You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.<sup>3</sup>

- If an entry requires more space, insert an additional sheet with the property address and the description of real property appraisal practice experience.
- Include the applicant signature, and the signature of the supervisory real property appraiser (SA) in the case that the applicant is a trainee real property appraiser, or the signature of the real property appraiser-in-charge (RPAC) in the case that the applicant is a licensed residential real property appraiser or certified residential real property appraiser if applicable, on each page.
- A separate log shall be maintained by a trainee real property appraiser for each of his/her Board designated supervisory real property appraisers (SA) or real property appraisers-in-charge (RPAC). It is the responsibility of both the supervisory real property appraiser and the trainee real property appraiser to ensure the log is accurate, current, and complies with the requirements of the Real Property Appraiser Act and Title 298. When the trainee real property appraiser is under the direct supervision of more than one supervisory real property appraiser while engaged in real property appraisal practice, each log shall reflect the specific number of hours and description of real property appraisal practice performed for each assignment with each supervisory real property appraiser.
- This form will be considered invalid if altered or incomplete.

## **ACCEPTABLE REAL PROPERTY APPRAISAL PRACTICE EXPERIENCE**

1. Real property appraisal practice experience obtained within the State of Nebraska, or as a resident of the State of Nebraska, for credentialing as a licensed residential, certified residential, or certified general real property appraiser must be acquired as a trainee real property appraiser, registered real property appraiser, licensed residential real property appraiser, or certified residential real property appraiser.
2. At the Board's discretion, up to 50% of the real property appraisal practice experience required for credentialing as a licensed residential, certified residential, or certified general real property appraiser may be obtained in another jurisdiction. This experience may be accepted by the Board if the experience is compliant with the laws of the jurisdiction in which it was obtained. Experience obtained in another jurisdiction as a Nebraska trainee real property appraiser shall be subject to direct supervision by a supervisory real property appraiser approved by the Board.

3. An applicant's hours of experience submitted to the Board for review and determination of acceptability by the Board shall be completed in compliance with the Uniform Standards of Professional Appraisal Practice and shall demonstrate the applicant's progressive responsibility in the development and reporting of assignment results, which includes analyzing factors that affect value, defining the problem, gathering and analyzing data, applying the appropriate analysis and methodology, arriving at an opinion, and correctly reporting the opinion.
4. An applicant must provide significant real property appraisal practice assistance for real property appraisal practice experience credit to be awarded. An applicant may apply his or her signature, along with the signature of the supervisory real property appraiser (SA) in the case that the applicant is a trainee real property appraiser, or the real property appraiser-in-charge (RPAC) in the case that the applicant is a licensed residential real property appraiser or a certified residential real property appraiser if applicable, to the appraisal certification; or the applicant must be given attribution in the assignment results report, which includes a description of the applicant's significant real property appraisal practice assistance.
5. Real property appraisal practice experience hours obtained in any manner considered exempt from the Real Property Appraiser Act per NEB. REV. STAT. § 76-2221 will not be credited to the applicant, unless the applicant and the supervisory real property appraiser (SA) in the case that the applicant is a trainee real property appraiser, or the real property appraiser-in-charge (RPAC) in the case that the applicant is a licensed residential real property appraiser or a certified residential real property appraiser if applicable, verifies that said real property appraisal practice experience is compliant with the Uniform Standards of Professional Appraisal Practice.
6. There need not be a client in a traditional sense (i.e., a client hiring a real property appraiser for a business purpose) in order for an assignment results report to qualify for real property appraisal practice experience. An applicant must apply his or her signature, along with the signature of the supervisory real property appraiser in the case that the applicant is a trainee real property appraiser, or the real property appraiser-in-charge in the case that the applicant is a licensed residential real property appraiser or a certified residential real property appraiser if applicable, to the appraisal certification for a non-traditional "demo" report.
7. Real property appraisal practice experience submitted to the Board for review and determination of acceptability may include no more than an aggregate maximum of 25% of the total number of real property appraisal practice experience hours in the following areas or a combination from the following areas: (1) mass appraisal, (2) appraisal review, (3) appraisal consulting, or (4) restricted appraisal reports.
8. Pursuant to NEB. REV. STAT. §§ 76-2230 (1)(c)(i), 76-2231.01 (1)(e)(i), and 76-2232 (1)(e)(i), the aggregate number of real property appraisal practice experience hours considered for evaluation includes those hours reported on each real property appraisal practice experience log submitted by the applicant beginning at the log entry indicating the earliest date on which real property appraisal practice experience was obtained and ending on the date the application for credentialing as a licensed residential, certified residential, or certified general real property appraiser was signed by the applicant.

## **APPRAISAL REPORT SELECTION CRITERIA**

If the real property appraisal practice experience log submitted by the applicant is accepted, a representative sampling of real property appraisal practice experience submitted by the applicant on his or her real property appraisal practice experience log will be evaluated to determine if the real property appraisal practice experience meets the requirements of the Real Property Appraiser Act and Title 298, following the criteria shown below for each classification:

- To qualify the experience of an applicant for the licensed residential real property appraiser credential, a minimum of three reports related to residential property will be selected.
- To qualify the experience of an applicant for the certified residential real property appraiser credential, a minimum of one report related to a two-to-four unit residential property, one report related to a residential property of 0 to 20 years, and one report related to a residential property 20 years or older will be selected. Two selected reports must include at least two approaches to value.
- To qualify the experience of an applicant for the certified general real property appraiser credential, a minimum of three reports related to income producing properties will be selected. Two selected reports will include all three approaches to value.

## EXPERIENCE VERIFICATION

- At least one of the three requested reports selected by the Board will be, at a minimum, reviewed for conformity with the Uniform Standards of Professional Appraisal Practice. The Board may enter into a contract with a qualified disinterested third party certified appraiser for completion of an appraisal review assignment on any of the submitted reports. The Board may require the applicant to submit additional details or to submit additional reports or file memoranda prepared by the applicant.
- Upon the receipt of appraisal review assignment results provided by one or more third party certified real property appraisers under contract with the Board, if the findings of the appraisal review assignment results are found to be null or insignificant, an applicant's real property appraisal practice experience will be reviewed by a subcommittee consisting of two board members for determination as to whether the applicant's real property appraisal practice experience is acceptable in accordance with the Real Property Appraiser Act and Title 298. If the subcommittee finds that the applicant's real property appraisal practice experience is acceptable, the subcommittee will notify the director of its decision. If the subcommittee finds that the applicant may not meet one or more of the requirements of the Real Property Appraiser Act or Title 298, the application shall be placed before the Board for consideration.
- If the Board determines an applicant may not meet the real property appraisal practice experience requirements, the applicant will be notified in writing. The Board may, at its discretion, request a written response from the applicant to the Board's findings as to the applicant's real property appraisal practice experience and/or invite the applicant to meet to discuss any deficiencies found in the report(s). Upon conclusion of the meeting, the Board may re-evaluate the applicant's real property appraisal practice experience.
- If the applicant's real property appraisal practice experience is not acceptable to the Board, the Board may, at its own discretion, require the applicant to obtain additional education, and/or submit one or more supplemental real property appraisal practice experience logs with additional hours of real property appraisal practice experience, and/or submit one or more additional reports. The Board may deny an application at any time during the process if the Board finds that the applicant fails to meet the requirements in the Real Property Appraiser Act and/or Title 298.
- When making a determination that an applicant may or may not meet the applicable experience requirements, all information received will be considered, including but not limited to real property appraisal practice experience logs, USPAP compliance review reports, reports submitted by the applicant, any written responses received, any other details or file memoranda, any subsequent education requested by the Board to be completed by the applicant, and any information obtained during an informal conference between the Board or its representative(s) and the applicant. A USPAP compliance review report completed to assist the Board with its evaluation of the applicant's experience is not the sole factor in the Board's decision, but a tool utilized by the Board to assist with its decision.
- Verification of the applicant's experience may be obtained from other persons as needed.

**SUBJECT:** CHRC Carried Out by the Board for Owners of More than 10% of an AMC at Renewal of Registration

**LEGAL REFERENCE:** Neb. Rev. Stat. § 76-3203 (Laws 2019, LB77, § 12); Neb. Rev. Stat. § 76-3207(1)(b), (2) (Laws 2020, LB808, § 91)

## SUMMARY OF ACTION

Adopted by the Board at its June 22, 2023 meeting.

## BACKGROUND

At its strategic planning meeting on June 15, 2022, the Nebraska Real Property Appraiser Board (“Board”) set a goal to explore alternatives for verification of AMC owner AMC Rule background compliance related to AMC registration renewal. At its regular meeting on May 25, 2023, the Board reviewed a report titled, “Report on Change to CHRC Procedures for AMC Owners of 10 Percent or More at AMC Renewal” prepared by Director Kohtz. While reviewing information in preparation for drafting this report, it was discovered that many peer states only require a Criminal History Record Check (“CHRC”) for new owners of 10% or more of an AMC after initial registration (CHRCs conducted for all owners of 10% or more of an AMC at initial registration). The Board agreed that annual CHRCs place a burden on an AMC and its owners.

## ANALYSIS

When referring to renewal requirements for AMC registration, Neb. Rev. Stat. § 76-3203(6) states, “The renewal of a registration includes the same requirements found in subsections (1) through (5) of this section. An application for renewal of a registration shall be furnished to the board no later than sixty days prior to the date of expiration of the registration.” In addition, N.R.S. § 76-3203(7) says, “For the purpose

of subdivision (6) of section 76-3202, the twelve-month period for renewal of a registration shall consist of the twelve months pursuant to subsection (4) of this section.”

Although N.R.S. § 76-3203 establishes certain requirements for issuance of a registration as an appraisal management company, and those requirements found in subsections (1) through (5) are applicable to renewal of a registration of an appraisal management company, N.R.S. § 76-3203 is silent regarding requirements for owners of 10% or more of an appraisal management company. As such, N.R.S. § 76-3203(6) does not include CHRCs for owners of 10% or more of an appraisal management company as a condition of renewal of a registration as an appraisal management company by association to the requirements for issuance of a registration as an appraisal management company as found in subsections (1) through (5) of 76-3203.

When referring to a person applying for issuance of a registration or renewal of a registration, a person shall not, per N.R.S. § 76-3207(1)(b), “Be more than ten percent owned by a person who is not of good moral character, which for purposes of this section shall require that such person has not been convicted of, or entered a plea of nolo contendere to, a felony relating to the real property appraisal practice or any crime involving fraud, misrepresentation, or moral turpitude or failed to submit to a criminal history record check through the Nebraska State Patrol and the Federal Bureau of Investigation.”

N.R.S. § 76-3207(2) states, “For purposes of subdivision (1)(b) of this section, each individual owner of more than ten percent of an appraisal management company shall, at the time an application for issuance of a registration is made, submit two copies of legible ink-rolled fingerprint cards or equivalent electronic fingerprint submissions to the board for delivery to the Nebraska State Patrol in a form approved by both the Nebraska State Patrol and the Federal Bureau of Investigation. The board shall pay the Nebraska State Patrol the costs associated with conducting a fingerprint-based national criminal history record check through the Nebraska State Patrol and the Federal Bureau of Investigation with such record check to be carried out by the board.”

Although N.R.S. § 76-3207(1)(b) applies to a person applying for issuance of a registration or renewal of a registration, N.R.S. § 76-3207(2) clearly establishes the requirement for each individual owner of more than ten percent of an appraisal management company at the time an application for issuance of a registration is made. Throughout the Appraisal Management Company Registration Act the requirements for issuance of a registration are defined separately from the requirements for renewal of a registration. This is established by the use of specific phrasing “issuance of a registration” and “renewal of a registration.” N.R.S. § 76-3207(2) does not establish that the CHRC requirements pertain to each individual owner of more than ten percent of an appraisal management company at the time an application for renewal of a registration is made.

Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (“Title XI”) was amended by the Dodd–Frank Wall Street Reform and Consumer Protection Act (“Dodd-Frank”), which was signed into law on July 21, 2010. Dodd-Frank required states to register and supervise the operations and activities of appraisal management companies. LB410 was approved by Governor Heineman on March 10, 2011, enacting the Appraisal Management Company Registration Act, which became effective on January 1, 2012. AM360 to LB410 was adopted by the Nebraska State Legislature on February 17, 2011, inserting the language found in N.R.S. § 76-3207(1)(b),(2) pertaining to CHRC requirements.

During floor discussion on February 17, 2011, Senator Utter introduced AM360 and stated, *“Thank you very much, Mr. President. Good morning, colleagues. This is a simple amendment that clarifies that all 10 percent, or more, owners of an appraisal management fee must undergo a vetting process that includes fingerprinting and a criminal records check through the national Federal Bureau of Investigation. And it...and this amendment also clarifies that the fees for this criminal records background check will be taken out of the application fees that the appraisal management company is paying. I urge your adoption of this amendment.”* AM360 was adopted with no further discussion.

At its February 17, 2011 regular meeting, the Board discussed AM360. The following excerpt from the meeting minutes details this discussion (p.4): *“AM360 was not submitted with AM197 as we were awaiting approval from the FBI of language necessary to conduct a criminal background check. AM360 simply requests that each individual owner of more than ten percent of an appraisal management company must, at the time of application for registration, submit two copies of legible ink-rolled fingerprint cards or equivalent electronic fingerprint submissions to the board for delivery to the Nebraska State Patrol in a form approved by the Nebraska State Patrol and the Federal Bureau of Investigation. Enrollment and Review ER27 was adopted on February 17, 2011.”*

Since N.R.S. § 76-3203(5) (2012) required that an application for the renewal of a registration includes substantially similar information required for the initial registration as provided in subsection (2) of the same section (through LB410), and N.R.S. § 76-3207(2) (2012) required each individual owner of more than ten percent of an appraisal management company to submit to a CHRC, at the time an application for registration as an appraisal management company was made, the requirement for renewal of an AMC registration was established as the same for AMC owners of 10 percent or more under N.R.S. § 76-3203(2)(m) (2012), which says, *“Any other information required by the board which is reasonably necessary to implement the Nebraska Appraisal Management Company Registration Act.”* The AMC Rule was adopted on June 9, 2015, with an effective date of August 10, 2015, by the Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation, the Office of the Comptroller of the Currency, the National Credit Union Administration, the Consumer Financial Protection Bureau, and the Federal Housing Finance Agency to implement the minimum requirements in the Dodd-Frank Wall Street Reform and Consumer Protection Act, which added a new Section 1124 to Title XI, to be applied by participating States in the registration and supervision of appraisal management companies. LB17, approved by Governor Ricketts on March 21, 2018, updated the Appraisal Management Company Registration Act for compliance with the Title XI and the AMC Rule. LB17 simplified the language in N.R.S. § 76-3203 to better align with the language found in the AMC Rule. Thus, the language, *“Any other information required by the board which is reasonably necessary to implement the Nebraska Appraisal Management Company Registration Act”* was removed.

## **GUIDANCE**

When referring to a person applying for issuance of a registration or renewal of a registration, a person shall not, per N.R.S. § 76-3207(1)(b), *“Be more than ten percent owned by a person who is not of good moral character, which for purposes of this section shall require that such person has not been convicted of, or entered a plea of nolo contendere to, a felony relating to the real property appraisal practice or any*

crime involving fraud, misrepresentation, or moral turpitude or failed to submit to a criminal history record check through the Nebraska State Patrol and the Federal Bureau of Investigation.”

Although N.R.S. § 76-3207(2) establishes the CHRC requirement for each individual owner of more than ten percent of an appraisal management company at the time an application for issuance of a registration is made, for the purpose of N.R.S. § 76-3207(1)(b), no such CHRC requirement is established for each individual owner of more than ten percent of an appraisal management company at the time an application for renewal of a registration is made. However, it is the Nebraska State Legislature’s intent that all individual owners of more than ten percent must undergo a vetting process that includes CHRC. Therefore, in order to reduce an unnecessary burden, as of July 1, 2023, the Board will no longer carry out a CHRC for any individual owner of more than ten percent of an appraisal management company that has had a CHRC previously completed. Any owner of more than ten percent of an appraisal management company that has previously completed a CHRC, as identified by the Board, will be evaluated for compliance with N.R.S. § 76-3207(1)(b) by the appraisal management company’s response to the Application for Renewal of Nebraska Appraisal Management Company Registration question, “Has any individual owner of more than 10% of the Appraisal Management Company been convicted of, or entered a plea of nolo contendere to, a felony related to real property appraisal practice or any crime involving fraud, misrepresentation, or moral turpitude since the criminal history record check was carried out by the Board?” A CHRC is still carried out for any new owner of more than ten percent of an appraisal management company, as identified by the Board, at the time application for renewal of a registration as an appraisal management company is made. Rapback reports issued by the Nebraska State Patrol that identify criminal activity for those that have had a CHRC completed will be utilized by the Board as well.

## NONCRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below. All notices must be provided to you in writing.<sup>1</sup> These obligations are pursuant to the Privacy Act of 1974, Title 5, United States Code (U.S.C.) Section 552a, and Title 28 Code of Federal Regulations (CFR), 50.12, among other authorities.

- You must be provided an adequate written FBI Privacy Act Statement (dated 2013 or later) when you submit your fingerprints and associated personal information. This Privacy Act Statement must explain the authority for collecting your fingerprints and associated information and whether your fingerprints and associated information will be searched, shared, or retained.<sup>2</sup>
- You must be advised in writing of the procedures for obtaining a change, correction, or update of your FBI criminal history record as set forth at 28 CFR 16.34.
- You must be provided the opportunity to complete or challenge the accuracy of the information in your FBI criminal history record (if you have such a record).
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the FBI criminal history record.
- If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/identity-history-summary-checks> and <https://www.edo.cjis.gov>.
- If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI by submitting a request via <https://www.edo.cjis.gov>. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)
- You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.<sup>3</sup>

<sup>(1)</sup> For the purpose of the NRPAB Employee Handbook, workplace means all property including, but not limited to, offices, facilities, and surrounding areas such as parking lots, storage areas, owned or leased vehicles, and equipment wherever located, and whether or not they are in the control of the State.

## **Nebraska Real Property Appraiser Board Employee Handbook**

If an employee believes a conflict of interest exists, financial or otherwise, direct or indirect, or he or she is engaged in any business, transaction, professional activity, or incurs any obligation of any nature, that is in conflict with the proper discharge of his or her duties in the public interest, he or she shall notify the Director in writing, or in the case of the Director, notify the Board's Chairperson and the Nebraska Accountability and Disclosure Commission. The written notification shall describe the potential conflict of interest. An employee who has an actual conflict of interest, as determined by the Nebraska Accountability and Disclosure Commission, will take such steps as the Commission prescribes to remove themselves from the situation in which there is a conflict.

Failure to resolve a conflict of interest, as prescribed in the procedures outlined by the Accountability and Disclosure Commission, may lead to disciplinary action up to and including termination of employment.

### **Solicitations, Distributions, and Posting of Materials**

The Nebraska Real Property Appraiser Board does not endorse any company, product, or services. Employees shall not actively solicit for a product during their work time (or that of other employees). However, they may make known during non-work time (e.g. lunch breaks) information regarding their solicitation by placing brochures on tables in common areas.

Employees are not allowed to distribute solicitation materials to individual workstations or on employee's cars. Employees shall not approach other employees during work time for solicitation purposes, and shall not use the State of Nebraska communication systems, state computer, or other technology communication device for solicitation purposes.

Employees are cautioned to use extreme discretion when promoting a product or soliciting for an organization. Any complaints about an employee abusing this section should be brought to the attention of the Director, or if appropriate, the Board's Chairperson.

### **Gifts**

Employees may not solicit or accept gifts based upon an understanding or agreement that their official action would be influenced thereby. No employee will accept any gift of value (\$25.00 or more) from anyone having business with the state.

For purposes of this section, a gift is defined as a payment, subscription, advance, forbearance, rendering, deposit of money, services, or anything of value, unless consideration of equal or greater value is given therefore.

Gifts will not include a campaign contribution otherwise reported as required by law; a commercially reasonable loan made in the ordinary course of business; a gift received from a relative; a breakfast, luncheon, dinner, or other refreshments consisting of food and beverage provided for immediate consumption; or the occasional provision of transportation within the State of Nebraska.

Based on the type of work in which an employee is engaged, specific statutes may apply in relation to the acceptance of gifts.

Failure to follow this section may lead to disciplinary action up to and including termination of employment.

## **Nebraska Real Property Appraiser Board Employee Handbook**

### **Intellectual Property**

All work products developed on work time belong to the State of Nebraska and are considered intellectual property. Work products include, but are not limited to, computer code, computer applications, proposals, manuals, or white papers. Any outside financial gain or other benefits from work products developed while working for the State is prohibited. Failure to follow this section may lead to disciplinary action up to and including termination of employment.

### **Legal Charges or Convictions**

Employees charged or convicted of any state and/or federal offenses (misdemeanor or felony, other than a minor traffic violation), or that have been charged or convicted of an offense related to their duties, are expected to immediately report the charges or convictions to the Director, or in the case of the Director, report such charges or convictions to the Board's Chairperson. Failure to follow this section may lead to disciplinary action up to and including termination of employment.

### **Political Activities**

An employee may engage in any political activities except that:

- An employee will not participate in political activities during normally scheduled work hours or while performing official State duties;
- No employee will use or authorize the use of State personnel, property, resources, or funds for campaign purposes, unless otherwise permitted by law;
- An employee whose position is partially or entirely funded with federal money, and is Covered by the federal Hatch Act, is barred from being a candidate for a partisan office (offices with candidates identified as being from specific political parties).

If an employee wishes to take part in political activities during normally scheduled work hours, the employee must arrange for leave (vacation, leave without pay, etc.) to cover the period of absence. If an employee is elected to office, and such office presents a conflict of interest with the employee's job, or interferes with the employee's scheduled work hours, the agency has authority to change the terms and conditions of employment, up to and including termination of employment.

### **Smoking/Tobacco Use**

In order to maintain a safe and comfortable working environment, smoking, e-smoking, vaping, and/or the use of tobacco products in any form is strictly prohibited in the workplace (except for designated areas), or while conducting state business. This includes, but is not limited to the use of cigarettes, pipes, chewing tobacco, e-cigarettes, or other devices. All work and break areas, State owned motor vehicles, public spaces including, but not limited to, offices, restrooms, conference rooms, meeting rooms, classrooms, employee cafeterias, hallways, and stairways shall remain smoke and vapor free. Violation of this section may result in disciplinary action up to and including termination.

### **Weapons/Firearms**

Possession of firearms, explosives, or other items considered weapons in the State's owned or leased buildings is prohibited. A weapon is defined as a firearm, knife, bludgeon, or other device, instrument, material, or substance capable of being used, or used, to produce death or bodily harm. Employees are expected to report these circumstances to the Director, or if appropriate, to the Board's Chairperson. Violation of this section may result in disciplinary action up to and including termination.

## **Nebraska Real Property Appraiser Board Employee Handbook**

### **Violence in the Work Environment**

The agency's policy is to promote a safe work environment that is free from violence, threats of violence, intimidation and other disruptive behavior. Employees are expected to refrain from conduct that may be dangerous to others. Conduct that threatens, intimidates, abuses, assaults, or coerces another employee, customer, vendor or business associate, will not be tolerated. State resources may not be used to threaten, intimidate, stalk, or harass anyone at the workplace or outside of the workplace.

Examples of work environment violence include, but are not limited to:

- Threatening behavior such as shouting, shaking fists, destroying property, or throwing objects;
- Verbal or written threats - any expression of intent to inflict harm;
- Harassment that includes behavior that alarms, verbally abuses, or is known to be inappropriate;
- Verbal abuse such as swearing, insults, or condescending language;
- Cyber attacks and cyberbullying; and/or
- Physical attacks such as hitting, shoving, pushing, or kicking.

Severe threats or assaults that may require immediate attention shall be reported to the police by calling 911. Any violent, harassing, threatening, intimidating, or other disruptive behavior should not be ignored and should be reported to the Director, or if appropriate, to the Board's Chairperson. Anyone found to be responsible for threats of, or actual violence, or other intimidating conduct, will be subject to prompt disciplinary action up to and including termination of employment.

Employees should promptly inform the Director, or if appropriate, the Board's Chairperson, of any work environment violence, and/or any protective or restraining order that they have obtained that lists the workplace as a protected area.

## Nebraska Real Property Appraiser Board Employee Handbook

### DRUG FREE POLICY

The Nebraska Real Property Appraiser Board is committed to providing an employment environment that is free from the detrimental effects of intoxicating substances such as controlled substances (drugs) and/or alcohol.

*For purposes of this section, the term "controlled substance" means any drug or chemical whose manufacture, possession, or use, is controlled by the government. Generally, these are drugs that have a high potential for abuse. Such drugs include, but are not limited to, heroin, marijuana, methamphetamines, cocaine, PCP, and crack. They also include illegal use of "prescription drugs" that have not been legally prescribed for the individual.*

The manufacture, possession, distribution or use of controlled substances, and/or the use of alcohol is prohibited in the workplace or while conducting State business by its employees, and by those who engage or seek to engage in business with the State is prohibited. There is no differentiation between someone who illegally uses drugs and someone who sells or distributes drugs. Any employee who gives, or in any way transfers, a controlled substance to another person, or sells or manufactures a controlled substance while conducting State business, while representing the Nebraska Real Property Appraiser Board in an official capacity, or while in the workplace, will be subject to disciplinary action up to and including termination.

Any employee found violating this section, and/or convicted of violating any criminal drug statute while in the workplace or while conducting State business, will be subject to discipline up to and including termination, and/or may be required to successfully complete an approved drug/alcohol abuse program sponsored by a private or governmental institution. An employee shall report within five calendar days, any criminal drug statute arrest(s) or conviction, to the Director, or if appropriate, to the Board's Chairperson.

This policy does not prohibit the use of a controlled substance that has a currently accepted medical use, provided the drug is prescribed or authorized by a medical doctor, the use of the drug at the prescribed or authorized level is consistent with the safe performance of the employee's duties, and the drug is used at the dosage prescribed or authorized. When an employee under physician's guidance is taking prescription drugs or other medication that could affect the employee's ability to work safely, the employee taking the medication is responsible for reporting the matter to the Director, or if appropriate to the Board's Chairperson, before beginning work. Working under the influence of prescribed medication is prohibited if it causes inability to perform the job safely, even when using medication under the employee's physician's guidance.

#### **Reasonable Cause Testing**

Employees may be subject to drug and alcohol testing when there is reasonable cause or suspicion to believe the employee is using, or under the influence of, a controlled substance or alcohol while in the workplace, or while conducting State business.

Reasonable cause or suspicion exists when the actions or appearances of an employee are out of the ordinary and unusual to the normal behavior patterns of the employee. It is based on objective facts sufficient to lead a prudent person to conclude that a particular employee is unable to satisfactorily perform his/her duties due to drug or alcohol impairment. The conduct relied upon to form reasonable cause or suspicion must be based on specific describable observations, including but not limited to, the following examples:

## **Nebraska Real Property Appraiser Board Employee Handbook**

- Observable signs of intoxication (such as bloodshot or watery eyes, slurred speech, appearance of unsteady body movements, or breath odors);
- A work related accident or near accident that indicates employee fault;
- Decreases in the quality or quantity of employee productivity, judgment, reasoning, concentration;
- Marked changes in behavior or erratic conduct;
- Deviations from safe working practices;
- Credible information received from a reliable person with firsthand knowledge;
- Smell of alcohol, marijuana, or other drug.

### **Drug/Alcohol Testing Procedures**

Upon determination that reasonable cause or suspicion exists, an employee who is believed to be under the influence of an intoxicating substance while in the workplace or while conducting State business, may be directed to undergo drug/alcohol testing. The Director will document the events surrounding this reasonable suspicion. If an employee is referred for testing, all efforts will be made to transport the employee with at least two Real Property Appraiser Board employees or board members to the nearest testing facility. The employee will be required to provide a blood, breath, or urine sample. The sample will be tested qualitatively for at least the following substances: THC, cocaine, PCP, opiates, methamphetamine/amphetamine, and alcohol. All testing procedures for contract employees will be carried out in accordance with the NAPE/AFSCME Contract.

An employee who is required to submit a sample for testing after determination of reasonable cause or suspicion will be informed verbally, followed by a written directive, that he/she may be placed on unpaid or paid investigatory suspension, pending the outcome of an investigation. After the testing is complete, the employee will not be returned to work or allowed to drive him/herself home. The Director, or the Board's Chairperson in the Director's absence, will assist the employee in arranging for transportation home after the testing, preferably by cab (at employee expense), or a ride provided by a family member or friend.

### **Refusal to Test**

An employee refusing to submit a sample under this policy will be placed immediately on unpaid investigatory suspension, and will be subject to disciplinary action. Refusal by an employee to be tested, or confirmation by the lab that a specimen has been altered, will be treated as a positive test. Employees suspected of being under the influence of drugs/alcohol who refuse an escort to be tested will be given a directive to not drive home. Local law enforcement will be notified if an employee suspected of being under the influence disregards a directive not to drive home and leaves in his/her vehicle.

### **Negative Test Results**

If the test results are negative for alcohol/drugs, the employee will be reinstated back to work and all leave without pay during the investigatory suspension will be paid back to the employee. All records of the investigation will be purged.

## **Nebraska Real Property Appraiser Board Employee Handbook**

### **HARASSMENT POLICY**

Harassment is defined as sexual harassment or any inflammatory comments, jokes, printed material and/or innuendo, based in whole or in part on race, color, sex, religion, age, disability or national origin, when:

- (1) a reasonable person could conclude such conduct has the purpose or effect of creating an intimidating, hostile, or offensive working environment; or
- (2) such conduct interferes unreasonably with a person's work or employment opportunities.

It is the Nebraska Real Property Appraiser Board's policy to treat all persons fairly, and with dignity and respect. Several sections below outline expected and prohibited behavior in the organization. In addition, employees of the Nebraska Real Property Appraiser Board have certain rights. The following sections provide a general guide to state and federal employment rights.

#### **Equal Employment Opportunity**

The Nebraska Real Property Appraiser Board provides equal employment opportunities (EEO) to all employees and applicants for employment without regard to race, color, religion, genetics, national origin, age, sex, marital status, pregnancy, disability, military status, veteran status, and/or political affiliation or beliefs. Additionally, the Board prohibits discrimination in any employment action, and in any work environment (including workplace), against any individual based on legally protected statuses. Employment actions include hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation and training. In addition, all related federal and state labor laws should be followed.

The Nebraska Real Property Appraiser Board also expressly prohibits any form of harassment based on race, color, religion, gender, national origin, age, genetic information, disability, or veteran status or any other status protected by state and/or federal law. Such harassment includes, but is not limited to, verbal, written, or physical conduct that degrades or shows hostility or aversion toward an individual because of a legally protected status.

Employees who report EEO concerns and/or alleged violations of this policy in good faith will not be subject to retaliation. Employees who knowingly permit discrimination and/or harassment of any kind shall be subject to discipline.

#### **Disability Accommodations**

The Nebraska Real Property Appraiser Board's policy is to comply with all federal and state laws concerning the employment of persons with disabilities, and to act in accordance with regulations and guidance issued by the Equal Employment Opportunity Commission (EEOC). Furthermore, it is the Board's policy not to discriminate against qualified individuals with disabilities concerning application procedures, hiring, advancement, discharge, compensation, training, or other terms, conditions, and privileges of employment.

## **Nebraska Real Property Appraiser Board Employee Handbook**

The Americans with Disabilities Act (ADA) and the Americans with Disabilities Amendment Act (ADAA) are federal laws that prohibit employers from discriminating against applicants and individuals with disabilities. It further adds that upon request, an employer shall provide reasonable accommodations to applicants and employees who are qualified for a job, so that they may perform the essential job duties of the position.

Employees may request an accommodation at any time in writing. Each request will be examined and a determination will be made. Medical and disability information is confidential, and this includes any accommodation requests and accommodations provided, except when an individual has a legitimate need to know. Except to the Board, the Director may not disclose information concerning another employee's disability, request for, or actual accommodation.

The Nebraska Real Property Appraiser Board will reasonably accommodate qualified individuals with a disability so that they can perform the essential functions of a job, unless doing so causes an undue hardship, or causes a direct threat to these individuals or others in the workplace. Questions and requests for any accommodations should be presented to the Director, who is responsible for processing all requests for reasonable accommodation.

Employees who report disability, ADA concerns, and/or alleged violations of this policy in good faith will not be subject to retaliation. Employees who knowingly permit discrimination and/or harassment of any kind shall be subject to discipline.

### **Pregnancy Discrimination**

Limiting, segregating, or classifying a job applicant or employee in a way that adversely affects the opportunities or status of the employee because the employee is pregnant or has given birth, or has a related medical condition is discriminatory. It is also discriminatory for an employer to participate in a contractual or other arrangement or relationship that has the effect of subjecting such an individual to discrimination in the application or employment process.

The Nebraska Real Property Appraiser Board's policy is to comply with all federal and state laws concerning the employment of persons who are pregnant, have given birth, or who have a related medical condition. Reasonable accommodation with respect to the above conditions shall include acquisition of equipment for sitting, more frequent or longer breaks, periodic rest, assistance with manual labor, job restructuring, light-duty assignments, modified work schedules, temporary transfer to less strenuous or hazardous work, time off to recover from childbirth, or break time and appropriate facilities for breast-feeding or expressing breast milk. Accommodations that require significant difficulty or expense, thereby posing an undue hardship, will not be made.

### **Sexual Harassment**

Sexual harassment constitutes discrimination and is illegal under federal, state, and local laws. There are two types of sexual harassment. The first type, quid pro quo (or "this for that"), occurs when the employee's submission to, or rejection of, sexual advances or conduct can explicitly or implicitly affect the terms or conditions of employment, or is used as basis for employment decisions. The second type is a hostile work environment where unwelcome conduct of a sexual nature creates an uncomfortable or hostile work environment.

## **Nebraska Real Property Appraiser Board Employee Handbook**

Employees are prohibited from sexually harassing other employees, whether or not the incidents of harassment occur in the workplace or while conducting State business, and whether or not the incidents occur during working hours. Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when:

- Such conduct has the purpose or effect of creating an intimidating, hostile, or offensive work environment;
- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- Submission to or rejection of such conduct by an individual is used as the basis for employment or decisions affecting an employee or recipient of the Board's services;
- Such conduct has the purpose or effect of unreasonably interfering with an employee's work performance or creating an intimidating, hostile, or offensive working environment.

While sexual harassment encompasses a wide range of conduct, some examples of specifically prohibited conduct include, but is not limited to:

- Unwanted sexual advances or requests for sexual favors;
- Sexual jokes and innuendos, propositions or other sexual comments, gestures, noises, remarks, and/or jokes;
- Verbal abuse of a sexual nature;
- Leering, whistling, or touching, pinching, patting, grabbing, and/or brushing up against another person's body;
- Insulting or obscene comments or gestures;
- Display of sexually suggestive objects or pictures in the workplace or through the State of Nebraska communication systems.

Sexual harassment can also occur when the above described actions are directed at or made in the presence of any employee who indicates or has indicated in any way that such conduct in his or her presence is unwelcome.

If employees believe they have been subject to sexual harassment or any unwanted sexual attention, they should make their unease and/or disapproval directly and immediately known to the harasser whenever possible. If the situation is not immediately resolved, or if the employee is unable to address, or is uncomfortable in addressing, the alleged harasser directly, he or she should report the incident to the Director, or if appropriate, to the Board's Chairperson.

### **Bullying**

Bullying is repeated inappropriate behavior, either direct or indirect, whether verbal, physical or otherwise, conducted by one or more persons against another or others. Employees are prohibited from bullying other employees whether or not the incidents occur at the workplace or while conducting State business, and whether or not the incidents occur during working hours. As with sexual harassment, it is the effect of the behavior upon the individual that is important.

## Nebraska Real Property Appraiser Board Employee Handbook

Examples of bullying include, but are not limited to the following:

- **Verbal Bullying:** slandering, ridiculing, or maligning a person or his/her family; persistent name calling that is hurtful, insulting or humiliating; using a person as the butt of jokes; shouting, raising one's voice at an individual in public and/or in private; spreading rumors or gossip.
- **Physical Bullying:** pushing; shoving; kicking; poking; tripping; assault, or threat of physical assault; damage to a person's work area or property.
- **Gesture Bullying:** non-verbal threatening gestures, glances that can convey threatening messages.
- **Exclusion, ostracizing, or shunning:** socially or physically excluding or discounting a person during work-related activities, persistently ignoring or interrupting another, deliberately excluding an individual, or isolating them from work-related activities (meeting invites, etc.).
- **Mobbing:** occurs by a group of people rather than a single person and includes behaviors described in the other categories; encouraging others to treat another poorly; enforcing total group exclusion against someone by explicitly or implicitly threatening others if they don't comply.
- **Cyber Bullying:** using electronic communication to bully a person, typically by sending or posting messages of an intimidating or threatening nature. This can occur through social media, emails, text, or other digital communication method.
- **Other examples:** persistent singling out of one person; public humiliation of any form; public reprimands; taking credit for another's ideas; continual unwarranted criticism on matters unrelated, or minimally related, to the person's job performance or description; setting unreasonable deadlines; repeatedly accusing someone of errors that cannot be documented; purposefully overloading or under-loading another's workload; withholding information.

Bullying should be reported to the Director, or if appropriate, to the Board's Chairperson.

People are by nature different. Personality conflicts or not liking someone are not considered bullying. Neither is an employee being held accountable to work standards and/or behavior or performance expectations. Additionally, legitimate counseling or discipline based on documented facts of sub-par performance, leave abuse, and/or any other policy violation is not considered bullying.

### **Retaliation Prohibited**

Retaliation includes, but is not limited to disciplining, changing work assignments of, providing inaccurate work information to, and/or refusing to cooperate or discuss work-related matters with an employee, co-worker, or the Board. Pressuring, falsely denying, lying about or otherwise covering up or attempting to cover up conduct, such as that described in any item above, is prohibited and may result in discipline up to and including termination of employment.

Retaliation against any individual making a good faith complaint of violations of these or other policies is prohibited, and those engaging in retaliatory behavior will be subject to discipline up to and including termination of employment.

### **WORKPLACE, OFFICE HOURS, AND WORK SCHEDULES**

Agencies and departments of the State of Nebraska have a statutory responsibility ([Neb. Rev. Stat. § 81-113](#)) to be open for the transaction of business from 8:00 am to 5:00 pm, Monday through Friday, except for holidays. At least one employee shall be in the office during this time, unless employees are required to attend a Board function, or an extenuating circumstance as declared by the Director or the Board's Chairperson in the Director's absence, prevents or limits the employees' ability to reach, enter, or remain in the office. If only one employee is present in the office, the office may be closed for short durations as needed for breaks, lunch, and to conduct agency business. The Director must be notified by email of such closure.

The Nebraska Real Property Appraiser Board honors the State of Nebraska Emergency Weather Policy. In the case of an extenuating circumstance, such as inclement weather, employee safety and welfare is always the primary concern. If a situation prevents all employees from reaching the office, all employees shall remain in contact with the Director during business hours to ensure that an employee reaches the office in a safe and timely manner if reasonable. Employees will determine for themselves their ability to drive to work safely, the condition of their vehicle, and the immediate road conditions. If an employee is unable to reach the office, the employee may choose to flex time, work remotely, request vacation leave, or choose leave without pay.

#### **Workplace**

Unless a telecommuting<sup>(1)</sup> arrangement is in place between the agency and an employee, the primary place of business for all employees is the Board's office. All full-time employees may also work remotely. Utilizing this option shall guarantee the Nebraska Real Property Appraiser Board's ability to provide services and meet all workload demands, and any employee utilizing this option shall be reasonably available by email, WebEx (instant messaging and video conferencing), or phone while remote working.

A classified employee may work remotely without permission outside of regular business hours (utilizing flex-scheduling or in lieu of paid leave). If a classified employee wishes to work remotely during regular business hours, he or she must send an email to the Director making a request to work remotely. The email shall include the date(s) and time period for which the request is being made. The Director will discuss the date and time period with any other employees affected by the request as needed to ensure adequate staffing in the office. The Director will respond to the email request with an approval or denial. In the case of an extenuating circumstance or inclement weather, a classified employee may work outside of the office during regular business hours with an email notice to the Director only. The Director reserves the right to revoke an employee's privilege to work remotely, temporarily or permanently, if this privilege is abused.

<sup>(1)</sup> Telecommuting is a work arrangement between an employer and employee that allows an employee to permanently work from home or a satellite location for all, or part, of the employee's regularly scheduled work week (e.g. regular scheduled work week includes working in office on Monday, Wednesday, and Friday, and working from home on Tuesday and Thursday on a permanent basis).

## **Nebraska Real Property Appraiser Board Employee Handbook**

### **Visitors**

Individuals not involved in business activity of the agency are not allowed in the office work areas. Exceptions would be family members or friends, as long as the visitation does not negatively affect work. Any visitation that interferes with the Board culture, policies, the harmonious work environment, or the productivity of employees, will not be tolerated. The Board's Director has the responsibility and authority to determine what activity/behavior negatively impacts work. Upon first occurrence, an employee's visitor shall be asked to leave. Second and subsequent occurrences may be cause of disciplinary action that may result in termination.

### **Workplace Security**

Security is everyone's responsibility. The following are a few reminders that will help preserve a safe and secure environment.

- Keep valuables secured in a locked desk or cabinet;
- Always carry keys and ID access card;
- Report suspicious persons, packages, mail, or activity to the Director, or the Board's Chairperson in the Director's absence.

Building entry requires ID access cards (during non-business hours for main entries, and all hours for non-main entries), and office entry requires a key (during non-business hours). The Director will coordinate issuance of an appropriate ID access card and office key for each employee. An employee's ID access card and key are for his/her personal use only. Sharing either with other employees or non-employees represents an unauthorized security breach that may subject the employee to disciplinary action up to and including termination.

In the event your ID access card or office key is lost or stolen, an employee is to immediately notify the Director, or the Board's Chairperson in the Director's absence. The employee will be issued a new ID access card or office key, possibly at the employee's expense.

### **Work Schedules**

The Director shall render not less than forty hours each week except any week in which a paid holiday may occur per [Neb. Rev. Stat. § 84-1001 \(1\)](#). Hours rendered includes those worked and any applied leave.

The standard pay period for all classified positions is 80 hours included in two consecutive 40 hour work weeks (8:00 a.m. to 5:00 p.m., Mon-Fri; or specific arrangement between agency and employee). Hours may be flexed by classified employees anytime during each forty-hour week included in the pay period. If a classified employee wishes to utilize flex time, he or she may do so by sending an email to the Director making a request to utilize flex time. The email shall include the date(s) and time period for which the request is being made. The Director will discuss the date and time period in with any other employees affected by the flexed time as needed to ensure adequate staffing in the office. The Director will respond to the email request with an approval or denial. If for any reason the 40 hours cannot be met during the week, approved leave shall be applied to the difference. In the case that leave is not approved, the hours will be unpaid.

## **Nebraska Real Property Appraiser Board Employee Handbook**

Such flex time shall guarantee the Nebraska Real Property Appraiser Board's ability to provide services and meet all workload demands. The Director at his or her discretion may require the employee to choose a different time to flex his or her hours. In addition, the Director reserves the right to revoke an employee's flex time privileges, temporarily or permanently, if the use of flex time is abused.

The standard pay period includes two consecutive work weeks for all temporary positions. Hours are determined by availability on an individual basis. Hours may be flexed by temporary employees anytime during each work week included in the pay period. If a temporary employee wishes to utilize flex time, he or she may do so by sending an email to the Director to make a request to flex hours. The Director will respond with an approval or denial. If for any reason the scheduled hours cannot be met during the week, the hours will be unpaid.

### **Overtime**

In accordance with the NAPE/AFSCME Contract, all contract employees and temporary employees in contract specified positions are eligible for overtime as authorized. Overtime must be approved by the Director in advance. The employee shall receive compensation at one and one-half times their hourly rate in the form of either pay or compensatory time off for hours worked in excess of 40 hours in any work week. Sick or vacation leave are not considered as work time in a 40 hour week.

### **Rest Breaks**

All classified and temporary employees shall be granted rest periods during each work day in accordance with the following:

- The NAPE/AFSCME Contract for contract employees and temporary employees in contract specified positions.
- The Nebraska Administrative Code, Title 273, for rules employees and temporary employees in rule specified positions.

### **Meal Periods**

In accordance with the NAPE/AFSCME Contract, all classified and temporary employees shall be granted an unpaid meal period of one hour. Employees may adjust the schedule according to the flex time policies allowing work through a meal period. ### LEAVE

#### Approval Of

With the exception of illness, an extenuating circumstance, or inclement weather, leave requests shall be pre-approved by the Director. When a classified or temporary employee wishes to make a request, an email shall be sent to the Director stating the type of time the employee wishes to use, along with how many hours the employee wishes to use. The Director will discuss the date and time period in with any other employees affected as needed to ensure adequate staffing in the office. The Director will respond to the email request with an approval or denial. The following also applies to classified or temporary employee leave requests:

- All requested vacation leave contiguous to a state holiday should be made no less than 10 days from the holiday. The Director will respond with approval or denial within 5 days of the holiday. If no leave requests are received at 10 days from the holiday, the first request received will be considered by the Director. Any request received within 10 days from the holiday will be reviewed by the Director on a case-by-case basis. Approval will be based on the Board's ability to provide services and meet all workload demands. If the Director determines that it is not in the best interest of the Board to approve the vacation leave request, an explanation will be provided to the employee in writing.
- Requests for vacation leave during the official board meeting preparation period as determined by the Director, the day of the board meeting each month, or anytime during the months of September through December will be reviewed by the Director on a case-by-case basis. Approval will be based on the Board's ability to provide services and meet all workload demands. If the Director determines that it is not in the best interest of the Board to approve the time off request, an explanation will be provided to the employee in writing.
- All requested time off due to illness, bereavement, extenuating circumstances, or inclement weather, must be made as soon as possible. Any time off requests made on short notice may require substantiation of the request upon return to work prior to approval for time off being granted (e.g. Note from doctor may be requested after employee calls in for time off due to illness).

If at any time after approval, but before the end of the pay period, a classified or temporary employee may flex time approved as time off. Any communication documenting an employee's leave shall be included with the timecard and payroll documents for that pay period.

The Director shall notify the Board's Chairperson by email of his or her intent to utilize leave, which shall be included with the timecard and payroll documents for that pay period.

#### Vacation Leave

All permanent employees earn paid vacation leave time. Earning of leave begins immediately upon employment and may be applied as soon as it is earned, subject to the provisions of the Nebraska Administrative Code, Title 273 or NAPE/AFSCME Contract for classified employees. The Director may deny a vacation leave request under circumstances deemed appropriate by the Director (e.g. Board meeting preparation period, the day of a board meeting, renewal season, or inadequate staffing in the office on the day of request).

Vacation leave may be used in place of sick leave.

## **Nebraska Real Property Appraiser Board Employee Handbook**

At the discretion of the Director, vacation leave may be advanced to classified employees in an amount not to exceed a total of 80 hours. Employees shall reimburse the State for all used unearned vacation leave upon separation or transfer in accordance with the NAPE/ AFSCME Contract, and/or Nebraska Administrative Code, Title 273.

Current law provides that permanent employees shall only be entitled to have accumulated as of 11:59 p.m. on December 31<sup>st</sup> of each year, the number of hours of vacation leave which the employee earned during that calendar year. Hours of vacation leave accumulated in excess of that number shall be forfeited. Contract employees are allowed 280 hours of vacation leave to be carried forward. A reasonable effort will be made to allow the use of leave, subject to forfeiture. Any reasonable request for leave, if denied and then forfeited must be paid out to the requesting employee, within 30 days of forfeiture.

Reasonable vacation accumulated/forfeit use considerations include:

- The amount of leave requested,
- The number of days remaining prior to forfeiture during which the employee may take vacation leave and the amount of vacation the employee has accrued and would forfeit if not granted,
- Time between the date of request and the requested leave start date,
- Public safety concerns and other relevant factors (including operational needs).

Acceptable reasons to deny vacation accumulated/forfeit requests include:

- The request was made without appropriate notification.
- The request was made without accrual coverage.
- Granting the request would create a staffing or operational shortfall, or create a public safety risk.

If the employee's vacation accumulated/forfeit request is not granted, the reason for the denial should be documented and a response will be provided to the employee in writing.

### **Sick Leave**

All permanent employees earn paid sick leave time. Earning of leave begins immediately upon employment and may be applied as soon as it is earned, subject to the provisions of the Nebraska Administrative Code, Title 273 or NAPE/AFSCME Contract for classified employees.

Sick leave may be utilized for illness, disability, injury, or surgery of employee or an immediate family member. Pregnancy, post-natal recovery and miscarriage shall be considered temporary disabilities. Immediate family shall be considered as a spouse, children, parents, and those in the same relationship to your spouse. At the Director's discretion, definition of immediate family may be broadened. Any employee that is ill, or feels that he or she is coming down with an illness, is advised to not report to work until symptoms have dissipated.

## **Nebraska Real Property Appraiser Board Employee Handbook**

Substantiating evidence may be required for sick leave approval, and shall be required if sick leave is 10 continuous workdays or longer. A statement from a doctor with minimum information necessary as directed by the Health Insurance Portability and Accountability Act (HIPAA) to protect personal information would be acceptable. When out on sick leave for more than one day, Director must be informed of status, and in the case of the Director, the Board's chairperson must be informed of status. Sick leave may be denied when the Director has evidence of sick leave abuse.

Sick leave cannot be used as vacation leave.

At the discretion of the Director, sick leave may be advanced to classified employees in an amount not to exceed a total of 80 hours. Employees shall reimburse the State for all used unearned sick leave upon separation or transfer in accordance with the NAPE/ AFSCME Contract, and/or Nebraska Administrative Code, Title 273.

### **Compensatory "Comp" Time**

In lieu of overtime, and with the Director's approval, classified employees may accrue compensatory ("comp") time off, which may be applied as soon as it is earned, subject to the provisions of the Nebraska Administrative Code, Title 273 or NAPE/AFSCME Contract. The Director may deny a compensatory time off request under circumstances deemed appropriate by the Director (e.g. Board meeting preparation period, the day of a board meeting, renewal season, or inadequate staffing in the office on the day of request). The agency reserves the right to pay comp time balances out at any time. Use of compensatory time hours does not count toward the calculation of hours worked for overtime purposes. Employees are responsible for obtaining the Director's approval prior to accruing compensatory time hours.

### **Bereavement Leave**

Up to 5 days of bereavement leave may be granted to an employee for a death in the immediate family. Immediate family shall mean spouse, father, mother, grandfather, grandmother, sister, brother, child, grandchild, spouse of any of these, or someone who bears a similar relationship to the spouse of an employee. Step-persons bearing these relationships are included. At the Director's discretion, the definition of immediate family may be expanded to include other individuals with a similar personal relationship to the employee as that of an immediate family member.

### **Military Leave**

Military leave shall be granted in accordance with applicable federal and state laws, and is limited to 120 hours a year, with no accumulation of unused leave carried over to the following calendar year. Under unusual circumstances, this time may be extended by the Director, or in the Director's case, the Board's Chairperson. Written requests for leaves of absence will be considered for such things as temporary disabilities, educational purposes, or other uses. Unpaid Family Medical Leave may be used for the following reasons:

- Because of the birth of a child of the employee.

## **Nebraska Real Property Appraiser Board Employee Handbook**

The agency may require a second opinion (the agency's choice of health care provider) and must pay for the cost of the second opinion. If the second opinion differs from the first, a third opinion may be sought (from a mutually agreed upon health care provider, again, at the agency's expense). The results of the third opinion are final.

### **Maternity Leave Donation Program (MLD)**

When an expectant mother needs to be away from work due to a birth of a child, she may request MLD in writing. The request must include substantiating evidence as described in the Family Medical Leave Act. MLD shall be available only to employees who have exhausted their own earned sick leave, in conjunction with an approved Family Medical Leave (FML) under the Family Medical Leave Act and only with approval of the Director, or in the case of the Director, the Board's Chairperson.

Vacation leave and compensatory time donated and transferred to another employee pursuant to this provision shall be irrevocably credited to the recipient's MLD account.

### **Catastrophic Illness Leave**

An employee experiencing a catastrophic event may be eligible for catastrophic leave donations from the other employees. A catastrophic event is defined as a serious illness or injury resulting in a prolonged absence of at least thirty workdays during the past six months. Refer to NAPE/AFSCME Contract, or the Nebraska Administrative Code, Title 273 for information on eligibility conditions and donating to other employees.

## **EMPLOYEE INFORMATION SYSTEMS AND DATA SECURITY POLICIES**

### **Understanding Risks and Threats**

One of the biggest concerns today is security threats or intruders. In order to safeguard against any attack, it is necessary to understand how and what the intruder is after. Awareness of the potential dangers facing the Board's Information Systems is critical. Failure to follow the Employee Information Systems and Data Security Policies may lead to disciplinary action up to and including termination of employment.

### **Types of Threats:**

- *Hacker*- A hacker is an individual whose primary aim is to penetrate the security defenses of computer systems. A truly skilled hacker can penetrate a system right to the core and withdraw again without leaving a trace of the activity. Hackers are a threat to all computer systems that allow access from outside.
- *Virus* - Malicious software like a virus is a software program that replicates itself and spreads onto various data storage media (disks, flash drives, portable hard drives, etc.) and/or across a network. The symptoms of virus infection include considerably slower response time, inexplicable loss of files, changed modification dates for files, increased file sizes, and total failure of a computer system.
- *Social Engineering* - Social engineering is the process of convincing people to divulge information that they should not. Often built on false pretenses and misidentification, social engineering is extremely effective. This is accomplished by name-dropping, gaining one's confidence, and intimidation. Social engineering involves the manipulation of people rather than technology to successfully breach their organization's security.

All employees have a responsibility to protect the confidentiality, integrity, availability of data generated, accessed, modified, transmitted, stored or used by the State, irrespective of the medium on which the data resides and regardless of format.

### **Other Information System and Data Information**

- Access is given to each employee for the systems and information needed to do his or her job. Access control is the set up and maintenance of system access data that determines who the employee is, what can be accessed, and what restrictions apply. This is managed by OCIO, and when applicable, the Board's Director.
- Access to any of the State systems requires usernames and passwords. All employees are assigned a unique ID (username) for each specific system, and password is established to allow access to each specific system. Passwords are strictly confidential, and must be maintained in accordance with the policies for each State system. When employment ends, OCIO is notified immediately and access to the State information system will be revoked.
- Software should not be installed on an agency PC, network servers, or other machines without first obtaining the proper approval from the Director. OCIO conducts the majority of software installations for the agency.
- Workstations may be monitored and accessed by the Director if a breach in security, violation of agency policy, or other unauthorized actions, have allegedly been taken.

### **Telephone and Fax**

Communication outside the state telephone system for business reasons is often necessary, but it can create security exposures. Employees should take care that they are not overheard when discussing sensitive or confidential matters.

When an employee is out of the office for an extended amount of time, the employee's voicemail message should be changed to reflect the length of time he or she will be away.

### **MOTOR VEHICLES POLICY**

State business is defined as performing job functions on behalf of the organization. Examples include, but are not limited to, driving to other locations for work purposes; driving to meet with vendors or other entities the organization does business with, driving to other agencies to represent the organization; driving to deliver, transport, or pick up goods or to provide services on behalf of the organization; and traveling to meetings, training events, workshops, or seminars. Driving in order to conduct State business must be approved by the Director. Commuting is not considered State business.

While driving on State business, employees are expected to follow these safety and motor vehicle use rules:

- Notify the Director if taking medication, or if subject to a medical condition that would interfere with the safe operation of a motor vehicle;

Employees are required to immediately report any accident that occurs while driving on State business to the Director, or the Board's Chairperson if the Director cannot be reached, and are expected to report any citations or moving violations received while driving on State business no later than the first working day following the citation. Transportation Services Bureau shall be notified if an employee contests a ticketed citation/violation.

## **Nebraska Real Property Appraiser Board Employee Handbook**

The following motor vehicle actions/violations/citations are considered serious and may also prohibit an employee from driving on State business and/or may result in disciplinary action up to and including termination:

- Motor vehicle homicide;
- Reckless driving and/or careless driving and/or willful reckless driving;
- Driving under the influence of alcohol or any drug;
- Revocation or suspension of driver's license and/or driving on a suspended or revoked license;
- Hit and run and/or failure to stop and render aid and/or report an accident;
- Recent and frequent loss of points or moving violations/citations.

The Nebraska Real Property Appraiser Board reserves the right to verify that employee possesses an acceptable driving record, which may include obtaining copies of documents, such as proof of minimum liability insurance required by Nebraska State Statute, and an employee's driving record from the Nebraska Department of Motor Vehicles. All driving records and associated documentation are considered private and shall be kept in the employee's confidential personnel file.

Employees failing to meet the responsibilities described within this policy may be subject to discipline up to and including termination of employment.

### **DISCIPLINE POLICY**

The Nebraska Real Property Appraiser Board makes every effort to help each employee become and remain an efficient, productive, and satisfied worker. Disciplinary actions are those actions taken by the Director or the Board in response to an employee's failure to meet the standards, objectives, or rules of the agency. The objective of the discipline process is to correct or eliminate inappropriate behavior or conduct.

- Employees covered by the NAPE/AFSCME Labor Contract may be disciplined for violations outlined in the NAPE/AFSCME and State of Nebraska Labor Contract;
- Employees covered by the Classified System Personnel Rules and Regulations may be disciplined for violations outlined in the Classified System Personnel Rules and Regulations;
- All employees may be disciplined for violating agency rules and policies, including those contained in this handbook, Board policies, applicable federal or state laws, and rules and regulations.

Classified employees have the right to file a grievance. All grievance processes and procedures shall be carried out in accordance with the provisions of the Nebraska Administrative Code, Title 273 or NAPE/AFSCME Contract for classified employees.

Filing a grievance does not delay the effective date of any Director or Board action. Filing a grievance will not jeopardize the grievant's position, opportunities for advancement, or salary increases. No classified employee shall be coerced by any employee(s) into not proceeding with a grievance or not appearing as a witness at a hearing.

## **SEPARATION OF EMPLOYMENT**

Separation of employment within an organization can occur for several different reasons, listed below:

- **Resignation:** Resigning employees are expected to provide two weeks' notice (10 workdays), preferably in writing, to facilitate a smooth transition out of the agency. Employees providing less notice than this will not be considered to have resigned in good standing, and may not be eligible for rehire, unless a shorter notice has been agreed to by the Director.
- **Retirement:** Employees who wish to retire are encouraged to notify the Director, or if appropriate, the Board's Chairperson, in writing at least one (1) month before the planned retirement date.
- **Job Abandonment:** Employees who fail to report to work or contact the Director for three (3) consecutive workdays shall be considered to have abandoned the job without notice, effective at the end of their normal shift on the third day. The Director may initiate the paperwork to terminate the employee. Employees who are separated due to job abandonment are ineligible for rehire.
- **Involuntary Termination:** Classified employees who have been terminated through the discipline process, or on original probation, may be involuntarily terminated from their employment with the Nebraska Real Property Appraiser Board in accordance NAPE/AFSCME Labor Contract or the Classified System Personnel Rules and Regulations, whichever is applicable.
- **Reduction in Force (RIF)/Layoff:** The agency may determine that due to position elimination, reorganization, attrition, or other factors, a reduction in force may be necessary. All reduction in force processes and procedures shall be carried out in accordance with the provisions of the Nebraska Administrative Code, Title 273 or NAPE/AFSCME Contract, whichever is applicable, for classified employees.

### **Off-Boarding Process**

When an employee separates from the Nebraska Real Property Appraiser Board, the Director, or in the case of the Director's departure, the Business and Licensing Program Manager, will begin the off-boarding process. This process is used to ensure that all employees leave the Board in the most respectful, efficient, and consistent manner. This process includes paperwork, and may include an exit interview. The exit interview shall occur via paper and/or in person when applicable.

The separating employee shall return all state property at the time of separation, including tools, cell phones, keys, laptops, any State owned devices, and identification cards.

Health insurance and related benefits terminate the last day of the month of employment. Information for Consolidated Omnibus Budget Reconciliation (COBRA) continued health coverage will be provided. Employees will be required to pay their share of the dependent health and dental premiums through the end of the month.

## **Nebraska Real Property Appraiser Board Employee Handbook**

### **Rehire**

Former employees who separated from the Nebraska Real Property Appraiser Board in good standing, and were classified as eligible for rehire, may be considered for reemployment. An application must be submitted, and the applicant must meet all minimum qualifications and requirements of the position, including any qualifying exam, when required. An applicant or employee who is terminated for violating policy, poor performance, or who resigned in lieu of termination from employment, will be ineligible for rehire.

# State of Nebraska Expense Reimbursement Policies

Effective January 1, 2021

---

## Substantiation of Expenses

Under the State's accountable plan, the Internal Revenue Service requires employee or board members to substantiate the cost for travel, lodging, meals, and other expenses. To be reimbursed, the expense must be a necessary expense, incurred in the line of duty, reason/purpose of the expense must be clearly stated, all start/stop dates and times must be recorded, and the amount of the expense must be substantiated.

Adequate accounting generally requires the use of a documentation record such as an account book, expense diary or log, or similar record near the time of incurrence of the expense. Such log should list the date, amount, place (e.g. city) or description, and purpose for each expense. A combination of receipts and detailed itemization is permitted. Meals and incidental expenses are deemed to be substantiated under per diem allowances, and eliminate the need for substantiating actual costs. To satisfy the requirement of the accountable plan, the employee or board member should complete the Expense Reimbursement Document correctly or utilize a documentation record to transfer cost information to the expense reimbursement form so reimbursement can be made.

A request for reimbursement (on an approved expense reimbursement document) for the incurred expense must be submitted by the employee or board member to the appropriate agency office (business office, accounting office). To document that this requirement is met, the agency office will need to have an effective method of recording when the expense document was received.

Such request must be made not later than sixty days after the final day on which the expenses were incurred for which reimbursement is sought. This means that if travel occurs June 15-June 18 and again on June 22-June 25, the request for reimbursement may include both trips, but the request for reimbursement for the first travel period must be submitted no later than 60 days after June 18.

If an employee or board member typically requests reimbursement for non-travel expenses and accumulates the receipts for which reimbursement is sought, each expense will have its own 60 day limit for reimbursement. (Travel is defined as being away from headquarter city longer than one day.)

When a receipt does not provide the essential character of the expense, such as rate or period of use, the agency may require a copy of the rental contract or other billing as supporting documentation to substantiate the expense. For instance, vehicle rental receipts with only an amount would require additional documentation. Screen prints or other support of online purchases should be provided, if possible, to document purchases being made via the internet.

## Receipts

Receipts - Detailed receipts are required as support for all expenditures except per diem meals and immaterial items identified by the Director of Administrative Services. Common expenses requiring detailed receipts include, but are not limited to, lodging, car rental, commercial travel, and registration fees.

Detailed receipt is defined as a receipt that identifies the date, time, city, state, itemization of item(s) claimed, and the cost.

Immaterial items are anything less than \$10.00; however, you are required to substantiate immaterial items in a log, as described under Travel Expense Policy # 5. Substantiation of Expense).

In the absence of detailed receipts supporting an employee's claim, State Accounting requires a signed written explanation including one of the following:

- Copy of a cancelled check with purchase details;
- Charge card slip with purchase details; or
- Subsequently acquired receipt with purchase details.

If one of the above options cannot be provided, or where a receipt was not provided, the employee must create and provide a signed affidavit. This policy is for the convenience of the agency and the employee. The absence of documentation may necessitate the discontinuation of this process and the subsequent inability to reimburse employees when detailed receipts are not available.

### **Employee or Board Member Signatures**

The employee or board member claiming reimbursement of expenses must provide an original signature on the expense document or submit the document with an electronic signature. Supporting documentation must be maintained by the agency for those documents submitted with an electronic signature.

An employee or board member not able to provide original signatures due to physical disabilities may request a waiver of the original signature requirement. The employee or board member must request such a waiver in writing from the State Accounting Administrator of DAS. The request must be:

- 1) Approved by the employee or board member's supervisor,
- 2) Include the reason for the inability to provide the original signature,
- 3) Include the anticipated length of time of the physical condition, and
- 4) Include a sample of the intended signature to be used.

The State Accounting Administrator may request the employee or board member to give additional supporting documentation, which could include a description of the physical condition and limitations from the employee or board member's physician. If the request is approved, the employee or board member and agency will be notified in writing.

### **Air Travel**

Air travel shall only be authorized when it is more economical than surface transportation. Reimbursement for commercial air travel will be limited to "coach" fare, if such seating is available at the time of ticket purchase. If an agency chooses to calculate productive time saved, the employee or board member's actual salary shall be used. For board members, or others who do not receive a salary, the State average annual salary, as published in the Personnel Almanac, shall be used. Whenever reimbursement of air travel is made separate from the employee or board member expense reimbursement document, a cross reference shall be made from the employee or board member expense reimbursement document to the air travel reimbursement document.

Travel by privately-owned airplane or personally-rented airplane shall have the prior approval of the agency director. Such approval shall be provided with the payment documents.

- a. Privately-owned – An employee or board member will be reimbursed at the prevailing standard rate as established by the Internal Revenue Service through its Revenue Procedures. As of January 1, 2020 the rate is one dollar and twenty-seven cents (\$1.27) per Statute air mile. DAS will not differentiate between “travel at the convenience of the agency or employee or board member”. This mileage rate is effective for all employee or board members not covered under a collective bargaining agreement, or in which the bargaining agreement does not specify a mileage rate.
- b. Personally-rented – Employee or board members shall be reimbursed for the actual expense of personally renting an airplane unless the expense is paid directly by the agency involved.
- c. Charter flight – Agencies should contact the Department of Aeronautics to make arrangements for charter flights.

### **Conference (Attendance by State Employee or board members)**

State employee or board member expenses – Expenses incurred by a State officer, employee or board member, or member of any commission, council, committee or board of the State while attending a non-State agency sponsored conference may be paid. Payment may be made directly to a vendor or as reimbursement to an employee or board member for expenses incurred on behalf of the agency. Original invoices/receipts and a document, or statement, showing the date, purpose and agenda of the conference must be attached to the payment document. Expenses should be coded using "item" orientation. For example, travel expenses should be coded to the appropriate travel expenditure account and the registration fee to Conference Registration Expense.

The payment of meals and nonalcoholic beverages for State employee or board members attending a non-State agency sponsored conference is allowable if the employee or board member is in travel status or the meal is included in the overall conference pricing.

### **Lodging**

Employee or board members shall report only actual expenses paid for lodging. Business telephone calls and parking charges incurred at the lodging site may be included on the lodging bill. Lodging expenses may either be directly billed to the agency or claimed on an expense reimbursement. If claimed on an expense reimbursement, detailed receipts for lodging are required to be filed with the claim. Lodging may be reimbursed when an employee or board member is "away from home overnight". The Internal Revenue Service states: "You are away from home overnight if your duties require you to be away from the general area of employment for a period substantially longer than an ordinary day's work and, during released time while away, it is reasonable for you to need and to get sleep or rest to meet the demands of your employment or business. The absence must be of such duration that you cannot reasonably leave and return to that location before and after each day's work." Meals should not be charged to a hotel room and will only be reimbursed through the per diem process.

Sales to the State of Nebraska and its agencies are exempt from Nebraska sales, use and lodging tax. Therefore, if in-state lodging expenses are directly billed to the agency, the agency should present a completed copy of Form 13 (Nebraska Resale or Exempt Sale Certificate) to the lodging establishment.

It is State Accounting policy that a person generally be more than 60 miles from his or her workplace in order to be eligible for lodging. We realize there may be reasons to pay for lodging for distances less than 60 miles. Such reasons include, but are not limited to work requirements, medical conditions or weather; in those instances the reason must be clearly stated on the disbursement document.

## Meals

Meal expenses incurred during travel shall be reimbursed on a per diem basis pursuant to Neb. Rev. Stat. § 81-1174, based on the destination of the travel. The State per diem rates shall be 70% of the relevant federal rates (General Services Administration for travel within the contiguous United States). The Expense Reimbursement Document (ERD) will calculate the full reimbursement for each day based on the following:

- The Per Diem Rate shall be based on the original Destination City. (GSA Per Diem Rates )
- The first and last day of travel will be prorated at 75% of the State Per Diem Rate.
- Any meal that is provided shall be deducted from the daily Per Diem Rate. Examples include:
  - Meals included in Conference fee
  - Meals provided by Hotel
  - Meals purchased by 3rd Party
- Meals expense charged directly to and paid for by the State of Nebraska
- At the agency head's discretion, one-day travel meal expenses (breakfast and supper only) may be reimbursed using State per diem rates when it is deemed necessary for the working conditions of the employee.
  - Breakfast - When an employee leaves for one-day travel at or before 0630 or 1 1/2 hours before the employee's shift begins, whichever is earlier, breakfast rate may be reimbursed.
  - Lunch - Noon meals for one-day travel are not reimbursable.
  - Dinner - When an employee returns from one-day travel at or after 1900 or 2 hours after the employee's shift ends, whichever is later, the evening meal rate may be reimbursed.

\* NOTE: The time limitations set forth do not include the time taken for the meal.
- Meal expenses incurred in the city or town in which the residence or primary work location of such employee is located, are not reimbursable, except as discussed in General Policy #22. State Employee Expenses While Not in Travel Status and Travel Expense Policy #3. Conference (attendance by State Employees).
- Actual expenses for group meals incurred by an agency on a purchasing card are allowable for official functions, conferences, or hearings.
- The IRS has taken the position that reimbursement for meal expenses incurred on one-day travel is taxable income to the employee unless such reimbursements are deemed "occasional". In order to monitor this provision, all such reimbursements for one-day travel shall be coded to account 571600 (meals – one day travel). When reimbursements for meals for one-day travel exceed \$200 per employee in any one year (December 1 through November 30), the entire amount of such reimbursements will be considered taxable income. If reimbursements for an employee are \$200 or more for any one year, the agency will enter a payroll one-time override using DBA 1005 for the total amount coded to object code 571600. This should be processed during the calendar year payroll. The reimbursements will be added to the employee's gross wages and payroll taxes will be withheld accordingly. Reimbursement to one employee for two or more employee's expenses will not be allowed for meals because of this provision. (Travel Expense Policy #9. Reimbursement to One Employee for Two or More Employee's Expenses)

If the lodging site claimed on an employee's or board member's expense reimbursement request, or paid for by the State, includes one or more meals in the cost paid as part of the lodging costs, reimbursement is not permitted for such meal(s) as described below:

- 1) Breakfast - If a continental breakfast is served by the lodging site in the morning after the date on which the lodging expense is incurred, which includes offerings greater than bread, bagels, muffins, fruit, milk, juice, and coffee (i.e., eggs, bacon, sausage, pancakes, waffles, etc.).
- 2) Dinner - A meal is served by the lodging site in the evening on the date on which the lodging expense is incurred, which includes offerings greater than soups, salads, snacks, hors d'oeuvres, or appetizers.

## Personal Automobiles

An employee or board member will be reimbursed for use of a personal vehicle while on State business (this does not include commuting miles) at the prevailing standard rate as established by the Internal Revenue Service through its Revenue Procedures. As of January 1, 2020 the rate is \$.575 per mile. This mileage rate is effective for all employee or board members not covered under a collective bargaining agreement, or in which the bargaining agreement does not specify a mileage rate. All contract employee or board members currently use the IRS rate. However, agencies may, at their determination, require employee or board members to utilize state-owned vehicles (as opposed to personal vehicles) if the use of the state-owned vehicle would be more economical from both an auto rental rate and the time involved in renting the state-owned vehicle. If after such agency determination, an employee or board member still wants to drive their personal vehicle, the agency is not required to reimburse the employee or board member any more than it would have cost the agency to rent the state-owned vehicle.

Motorcycles – An employee or board member will be reimbursed for the use of a motorcycle while on State business (this does not include commuting miles) at the prevailing standard rate. Effective January 1, 2020 the rate is \$.545 per mile.

Rental Cars - Insurance - An employee or board member should decline rental agency insurance coverages. Please refer to your agency's annual letter from Risk Management. There is a section on rental cars. Under Section III B, it states that you should NOT accept the coverages because the car rental is covered by the State's insurance.

## Reimbursement to One Employee or Board Member for Two or More Employee or Board Member's Expenses

One employee or board member may be reimbursed for actual expenses incurred on behalf of another State employee or board member, such as when two employee or board members sharing a motel room are billed jointly and one employee or board member pays the bill. The employee or board member to be reimbursed must provide the same detailed information that would have been required of each State employee or board member had they been billed individually. In all cases when one employee or board member is requesting reimbursement for expenses of more than one State employee or board member, detailed receipt policies must be adhered to, employee or board members' names listed and documents cross-referenced, when applicable. If two employee or board members are billed jointly, but each pays half and each requests reimbursement separately, the documents must be cross-referenced, since one employee or board member usually may not have a detailed receipt. An employee may not be reimbursed for another employee's meal per diem.

## Long Distance Telephone Calls

Charges for long distance telephone calls are an allowable state expenditure if they are related to State business, or the employee or board member is in a travel status on State business and the calls are in accordance with an approved agency policy.

To establish an approved agency policy, the State agency shall submit their proposed policy to State Accounting for approval. The policy shall describe the circumstances in which long distance calls will be reimbursed, to include:

- 1) The reason(s) for which calls will be reimbursed,
- 2) The number of calls an employee or board member will be allowed within a certain time period,
- 3) The duration of allowable calls or cost per call,
- 4) The relationship to the employee or board member of the person being called. State Accounting shall notify the State agency in writing of approval or disapproval.

## **Personal Cellular Telephone Expenses**

The State of Nebraska provides cellular telephones to agency personnel to utilize in the performance of their official State duties when deemed necessary. Occasionally, an employee will make work related cellular calls on their personal cellular telephone, and request reimbursement.

The State of Nebraska will reimburse employees for any cellular calls that are billed to the employee when the following criteria are met:

- 1) The employee provides their cellular company detail billing for the call(s) for which they wish to be reimbursed. Detail billing will show the date, time, length of call(s), number called and/or calling number, and cost of the call for each call submitted for reimbursement. A log shall be provided if the cellular company billing does not provide the above detail.
- 2) The call(s) are billed on a per minute basis, above and beyond the monthly fee charged for the service the employee has elected as their base plan. The State will reimburse State work related calls regardless of when in the month the State work related calls are made if the employee exceeds the base minutes. For example, Employee A has a plan which allows 25 minutes of calls for the base rate each month.
- 3) Employee A has 30 minutes of personal calls and 5 minutes of state work related calls during the month. The State will reimburse 5 minutes of calls regardless of when in the month the State work related calls are made.
- 4) Employee A only has 15 minutes of personal calls and 5 minutes of state work related calls in the month. The State will not reimburse the employee since the cellular company made no additional billing.
- 5) Employee A has 22 minutes of personal calls and 5 minutes of state work related calls in the month. The State will reimburse 2 minutes of calls since the cellular telephone service provider will charge an additional billing for the 2 minutes exceeding the base plan minutes.
- 6) The agency monitors all personal cellular telephone reimbursements for accuracy.
- 7) Agencies will determine if the usage indicates the need to issue a State owned cellular telephone to employees.

## **Entertainment Expenses**

In a letter to the Director of Administrative Services, the Attorney General's Office stated that entertainment expenses are not allowed to be reimbursed absent specific statutory authority.

## **Payments for State Employee Wages**

In accordance with §81-1117.05, payments for wages for all state employees will be by electronic funds transfer (EFT/Direct Deposit). Such EFT payments may be made to any financial institution of the employee's choosing or to a state authorized debit card. State employees include all officers or employees of the state or any state agency and pursuant to §81-1178 shall include duly appointed committee, board and commission members.

# New Board Member Orientation Packet

Effective January 1, 2022

---

## Board Makeup

The Board consists of five members appointed by the Governor, one member who is a certified real property appraiser from each of the three congressional districts, and two members at large. The membership of the board selected from the congressional districts includes at least two certified general real property appraisers, and the two at large members includes one representative of financial institutions and one licensed real estate broker. Each member serves a five-year term.

At each January meeting, the Board elects the Board Chairperson and Vice-Chairperson for the year. The Board Chairperson is responsible for leading the meetings, and along with the Board's director or staff appointed by the director, is the main point of contact for all Board business outside of the meetings. If you have questions or concerns regarding any matters, please discuss it with the Board Chairperson, director, or appropriate staff. The Vice-Chairperson is responsible for the enforcement and credentialing motions at each meeting. Outside of the meetings, the Vice-Chairperson works with the Chairperson to ensure that the Board's mission and goals and objectives are being carried out. Finally, the Vice-Chairperson, along with the director or staff appointed by the director, are the main point of contact for all Board business outside of the meetings if the Chairperson is unavailable. It is important to the Board and its staff that the proper channels of communication be maintained, and business is conducted in a unified consistent manner.

## Board Meetings

The Board meets 12-13 times during a calendar year, typically the third Thursday of the month, and may be in person or by virtual conferencing. Twelve meetings are regular monthly meetings of the Board, and in June the Board holds its annual strategic planning meeting. Up to half of the Board's meetings may be held by virtual conferencing during a calendar year. The schedule for the preceding year is set in either November or December of the current year. The determination that a meeting be held by virtual conferencing is made on a month-by-month basis. If you are unable to attend a meeting, please notify the Board's director at least 24 hours before the start of the meeting.

Three members shall constitute a quorum for each meeting, two of whom must be credentialed appraisers. The typical meeting will start at 9:00 a.m., and run to 12:00 p.m. (depends on the amount of information covered). Investigations, credentialing and AMC applications, and other sensitive business will be covered in executive session (closed to the public). Executive session typically starts right after the agenda is set, and typically runs to 10:00 a.m., which is when the public agenda begins. If the entire executive session is not completed prior to 10:00 a.m., the Board will return to executive session after the public agenda is completed. Outside of the meeting, communication between board members cannot constitute a quorum (e.g., an email conversation including three board members would constitute a quorum and violate the Open Meetings Act).

## **Board Meeting Preparation**

The Board's staff begins board meeting preparation on Monday, the week prior to the meeting. Preparation runs for five days with the Board Meeting Packet being available in the Board Member Portal on Friday afternoon. The Board's director (or staff appointed by the director) will notify you by email if there is a change to this schedule. In order to prepare the Board Meeting Packet, all requested documentation is required to be submitted to the Board's office on Friday, two weeks prior to the week of the meeting. Any information submitted after this time will be included in the Board Meeting Packet at the director or Board Chairperson's discretion. If a board member has an issue or idea that he or she would like to have discussed during the meeting, the Board's director should be notified. The agenda cannot be altered twenty-four hours prior to the meeting; therefore, it is important that if an addition is desired, the director be notified prior to this deadline.

## **Board Meeting Packets**

The Board Meeting Packet will be made available in the Board Member Portal on Friday a week prior to the meeting, and board members will be simultaneously notified by e-mail of its availability. This e-mail will typically be sent by the Business and Licensing Program Manager or the Business and Education Program Manager. The packet consists of the agenda and the complete PDF documents for each agenda section. Each packet section is set up with PDF bookmarks to help you find information quickly. See "PDF Bookmark Tutorial\_February 9, 2018" located at the end of this packet for guidance. Individual files and documents for each grievance and application are located in the NRPAB Database. See "Viewing Appraiser Logs in the NRPAB Database," "Viewing AMC Logs in the NRPAB Database," "Viewing Grievance Summary and Logs in the NRPAB Database," "Viewing Education Records in the NRPAB Database," and "Viewing Appraiser Renewal Applications in the NRPAB Database" tutorials located at the end of this packet. As preparation for meetings is essential, please contact the Board's office as soon as possible with questions or issues concerning the Board Member Portal.

## **Board Meeting Packet Addenda**

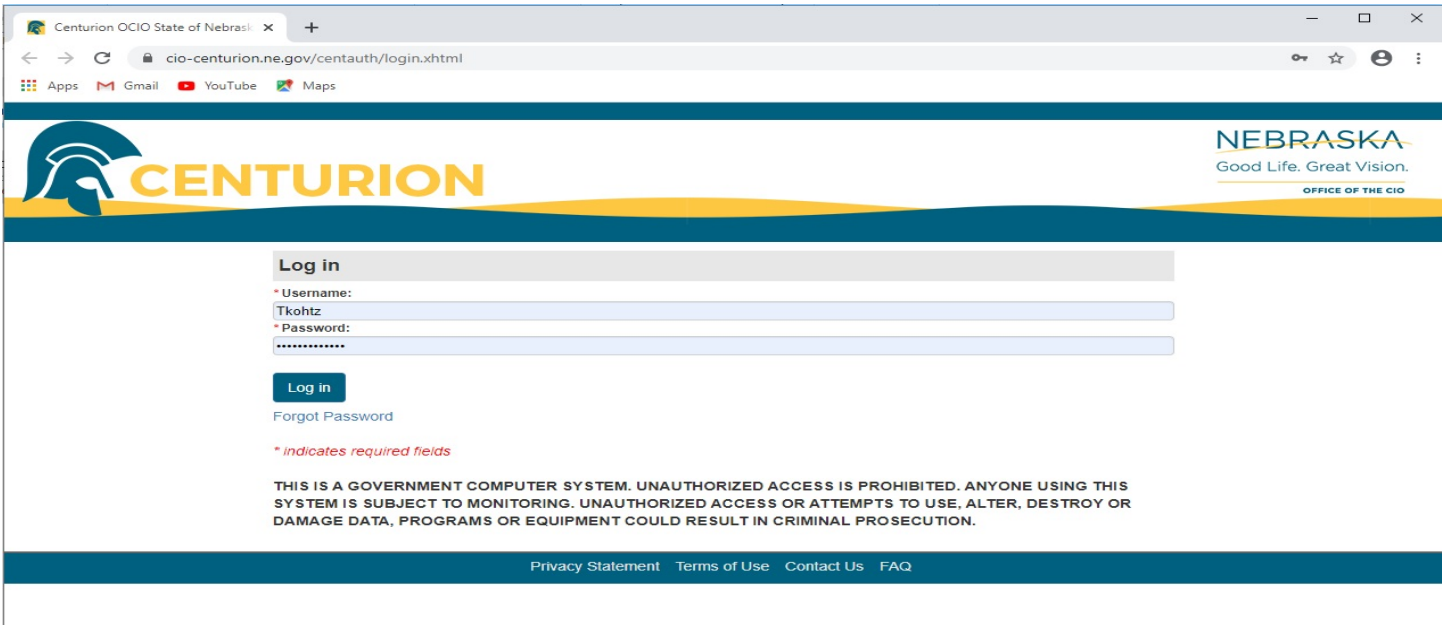

Although the deadline for document submissions is explicitly set as the Friday two weeks prior to the board meeting, materials that may be important to impending investigations or other agenda items are often received after the deadline. In these cases, board members will be sent an e-mail with "Addendum" in the subject line, which includes the addendum, or a notification that an addendum has been placed in the Board Member Portal for the current Board Meeting Packet. If applicable, the addenda will have page numbers, which will aid board members in placing them within the appropriate sections of their already assembled packets (if a physical packet is printed). Addendum information may be presented at the meeting as well (the most common situation).

## **Per Diem Payments and Expense Reimbursement Requests**

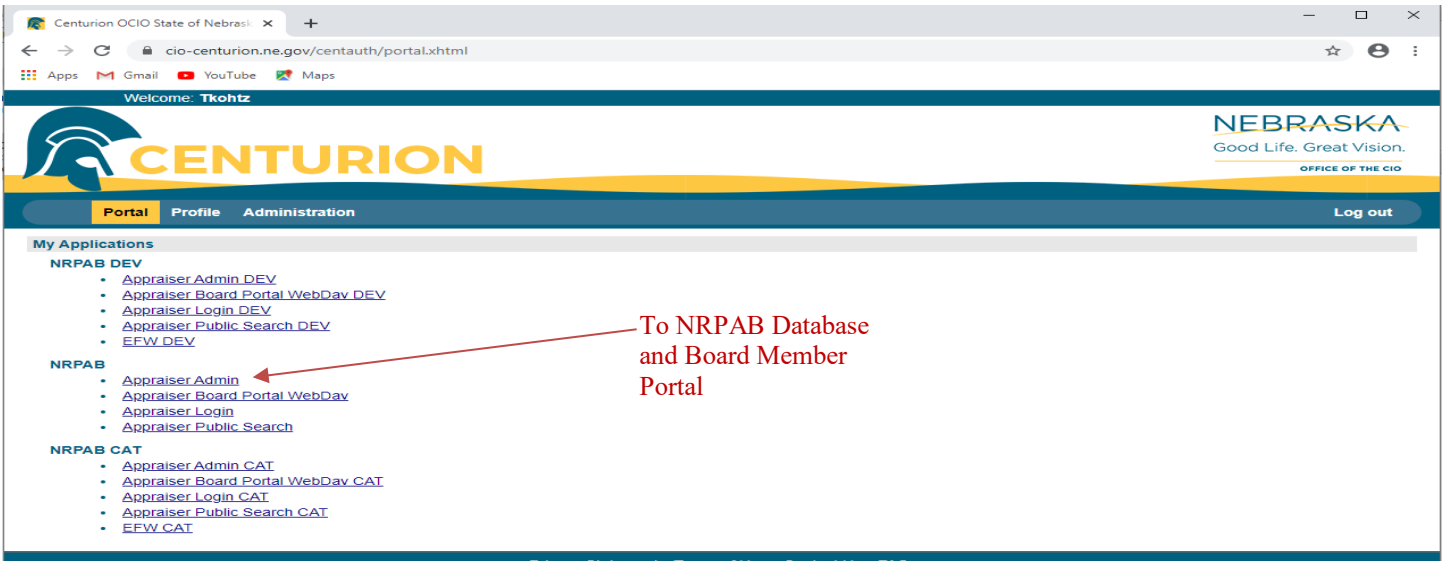

Board members receive a per diem of one hundred dollars per day for each scheduled meeting of the Board or a committee of the Board at which the member is present, and may also receive a per diem of one hundred dollars per day for attending, along with time spent in travel, Association of Appraiser Regulatory Officials (AARO) conferences or meetings, The Appraisal Foundation committee and subcommittee meetings, or other business as authorized by the Board. Regular board meeting per diems are approved by the Board's director for inclusion in the next pay cycle, and any additional per diems are approved by the Board at its next regularly scheduled meeting. All requests should be made to the Director in advance of the meeting at which it is to be considered. In addition, under the State's accountable plan, the Internal Revenue Service requires employees or board members to substantiate the cost for travel, lodging, meals, and other expenses. To be reimbursed, the expense must be a necessary expense, incurred in the line of duty, reason/purpose of the expense must be clearly stated, all start/stop dates and times must be recorded, and the amount of the expense must be substantiated. See the NRPAB State of Nebraska Expense Reimbursement Policies located at the end of this packet for specifics. Expense reimbursement requests must be submitted to the Board's office on the appropriate form by mail, fax, or email within 60 days of the expenditure (typically emailed to Business and Licensing Program Manager). You will be notified prior to the beginning of each calendar year of any changes to the existing Expense Reimbursement Document for the next year (if any changes are made).

## NRPAB Database and Board Member Portal

To access the NRPAB Database and Board Member Portal, enter the secure web address <https://cio-centurion.ne.gov/centauth/portal.xhtml>. If you do not already have a Centurion Blue Username and Password, you will be sent an invitation from the director to establish a Username and Password. When accessing the NRPAB Database or the Board Member Portal, do not enter the address with “www” as this is invalid. Also, it is best to enter the web address each time. The Board Member Portal is a secure web site and is updated regularly; if you save a link to the web address, the cookies tend to snapshot that link at the time it was saved, which means that you will not see the updates made since the link was saved.

Once your Username and Password are entered, you will be directed to the Board’s Centurion main page. It is here where you can access the NRPAB Database and Board Member Portal (Appraiser Admin). Also, you can change your password and password information from this screen under “Profile.”

Once the “Appraiser Admin” hyperlink is selected, you will have access to the NRPAB Database and the Board Member Portal. Click on the “Board Portal Home” icon in the center of the page to access the Board Member Portal. Materials in the Board Member Portal may be printed, or if preferred, documents may be viewed directly from a computer during the meeting.

You will automatically be taken to the most recently entered application. You can tell whether it is an Initial Application or a Renewal Application by the radio button at the top.

The screenshot shows a web interface with a navigation bar containing 'AMC', 'Surety Bond', 'Payments', and 'Applications'. Below the navigation bar, there are two radio buttons: 'Initial Application' (selected) and 'Renewal Application'. A red arrow points from the right side of the page to the 'Initial Application' radio button. Below the radio buttons, the page title is 'Initial Application' and a red instruction reads: 'Enter information for new application, then select Add New Application to begin new application.' The form contains several input fields: 'Received Date' (02/27/2019), 'Assigned Identification Number' (NE2019001), 'Board Review Date' (03/21/2019), 'Active Status Date' (empty), 'Board Approval Date' (03/21/2019), and 'Renewal Due Date' (empty).

If you need to see a renewal application, click the Renewal Application radio button, and it will take you to the most recently entered renewal application. If an AMC has more than one initial application or renewal application, midway down the page is a bar for Past Initial Registration Applications or Past Renewal Registration Applications. Click that to open it up and the initial applications or renewal applications will be listed by date. Clicking on a date takes you to that application.

This screenshot shows the 'Initial Application' page with various status fields. The 'Initial Application' radio button is selected. The form includes fields for 'Received Date', 'Board Review Date', 'Board Approval Date', 'Assigned Identification Number', 'Active Status Date', 'Renewal Due Date', 'Legal Name of Organization' (FASTAPP INC), 'State of Domicile' (NEW YORK), 'Trade Name of Organization', 'Completed Application Submitted' (checked), 'Designated Officer Identified' (Yes), 'Application Fee Submitted' (checked), 'Surety Bond Submitted' (checked), 'Registration Fee Submitted' (unchecked), 'Criminal History Record Check Necessary' (Yes), 'Criminal History Record Check Completed' (Yes), 'Recommendation' (Approve), 'Ownership Identified' (Yes), 'Board Action' (Approve), 'Director Approval' (N/A), 'Director Approval Date', and 'Controlling Person' (HOROWITZ, NAFTALI). There are buttons for 'Update Application' and '+ Add New Application'. Below the form, there are several expandable sections: 'Certification Signed By', 'Special Considerations', 'Past Initial Registration Applications' (highlighted with a blue bar and an arrow pointing to it), 'Date Received Application' (Feb 27, 2019), and 'Communication and Documentation Log'.

The Initial Application page shows the progress of the application and is updated at each step, so you can tell at a glance if Criminal History Record Check Necessary and if Criminal History Record Check Completed. The Special Considerations bar has a text box for anything out of the ordinary – a yes response to a disciplinary question, for example. Click on the Communication and Documentation Log bar to see the application itself and any correspondence.

This screenshot shows a portion of the 'Initial Application' page, focusing on the bottom sections. It includes the 'Director Approval' (N/A), 'Director Approval Date', and 'Controlling Person' (HOROWITZ, NAFTALI) fields. Below these are the expandable sections: 'Certification Signed By', 'Special Considerations', 'Past Initial Registration Applications', and 'Communication and Documentation Log' (highlighted with a blue bar and an arrow pointing to it).

White log entries show that the grievance/investigation process is Open at the time of the entry, but there is no cost nor Board Report associated with it. Most often, these show communications between board staff and Respondents, Complainants, or counsel, and documentation.

In addition to searching for Investigations, you can search for the Respondent appraiser/AMC in the database, and access the Investigations page through their information.

Once you have located the Respondent page, click on the Investigations tab.

The Respondent's Investigation History will show on the top of the page. Click on the Investigation Number hyperlink to access the Investigation details and, below that, the communication and documentation log.

## VIEWING APPRAISER RENEWAL APPLICATIONS IN THE NRPAB DATABASE

Log into Centurion <https://cio-centurion.ne.gov/centauth/login.xhtml>. Under NRPAB, Select Appraiser Admin. The initial page allows you to search for appraisers or AMCs, or go to the folders in the Board Portal. Search Appraiser – the dropdown menu appears when you mouse over “Search” – if you click on Search, it disappears, but reappears if you click Search a second time, or mouse off of it and back over it. Type all or part of the last and/or first name(s), then click the Search Appraiser button. Click the name of the appraiser you want. Sometimes there’s a glitch and this takes you back to the search window. Type the name and click Search Appraiser again; usually it works on the second try.

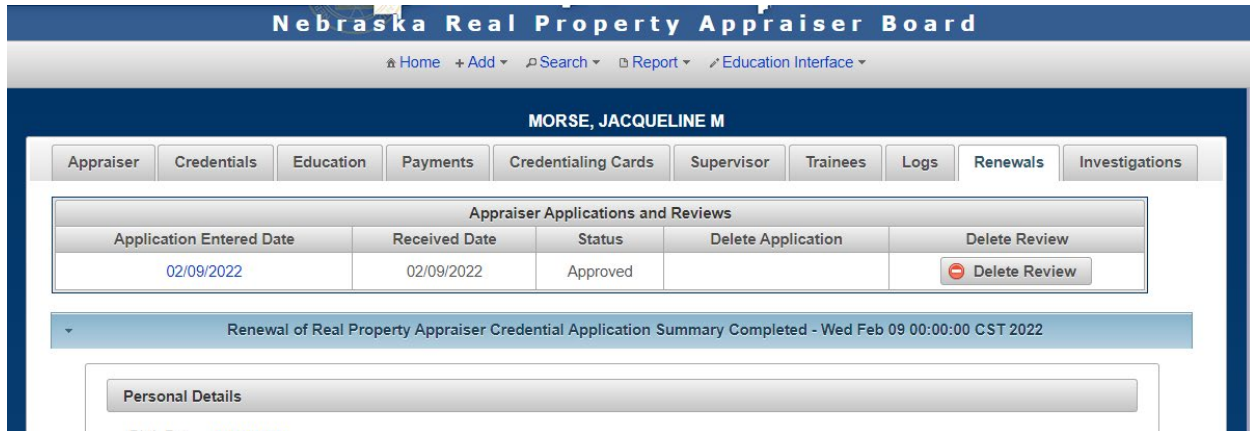

On the individual appraiser’s screen, you see the contact information and current credential information, if any. Navigate to the area you want to review by clicking the tabs below the appraiser’s name. To view renewal applications, click the Renewals tab.

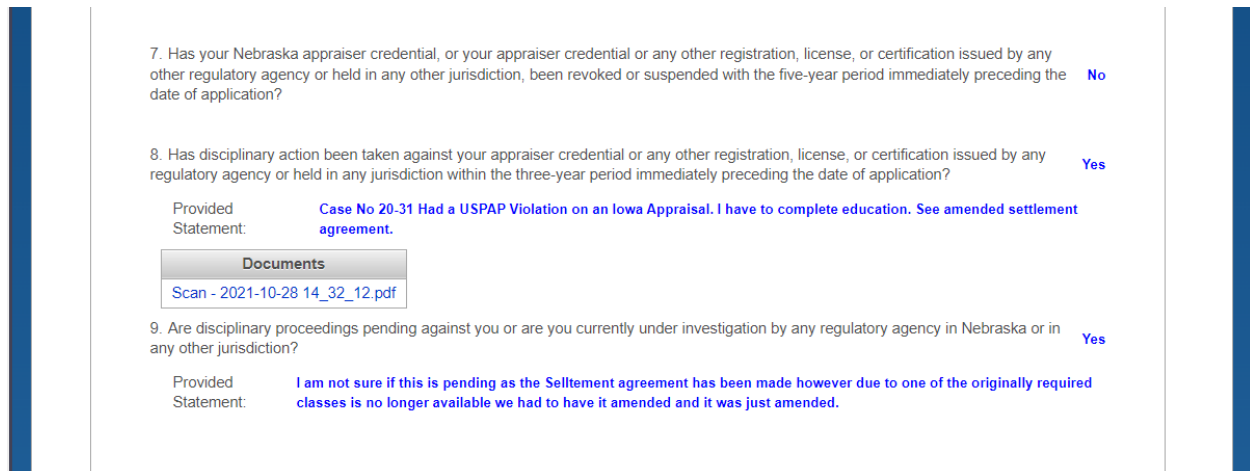

The Renewals screen shows a list of applications by date entered and shows their current status. To select an application to review, click on the date hyperlink for that application.

This opens the Application Summary, Application Review Interface, and Communication and Documentation logs for that specific application. If the appraiser submitted the renewal application online through Appraiser Login, the responses are as the appraiser selected and entered them. If the appraiser sent a paper application, a staff member will have manually entered the information from the paper application as the appraiser submitted it, so some answers may be incorrect, but are as the appraiser responded. A scanned copy of the paper application is attached to a Communication and Documentation log entry.

In the Disciplinary Survey Summary, if a question is answered “Yes” the appraiser is to provide a statement and may attach documents. Click the link in the Documents box to see the uploaded PDF.

Below the Application Summary Section (Renewal of Real Property Appraiser Credential Application Summary Completed - Sat Dec 04 00:00:00 CST 2021, in the illustrations below), the Application Review Interface details the various steps staff and the Board have taken in the process of reviewing the application.

# State of Nebraska Expense Reimbursement Policies

Effective January 1, 2021

---

## Substantiation of Expenses

Under the State's accountable plan, the Internal Revenue Service requires employee or board members to substantiate the cost for travel, lodging, meals, and other expenses. To be reimbursed, the expense must be a necessary expense, incurred in the line of duty, reason/purpose of the expense must be clearly stated, all start/stop dates and times must be recorded, and the amount of the expense must be substantiated.

Adequate accounting generally requires the use of a documentation record such as an account book, expense diary or log, or similar record near the time of incurrence of the expense. Such log should list the date, amount, place (e.g. city) or description, and purpose for each expense. A combination of receipts and detailed itemization is permitted. Meals and incidental expenses are deemed to be substantiated under per diem allowances, and eliminate the need for substantiating actual costs. To satisfy the requirement of the accountable plan, the employee or board member should complete the Expense Reimbursement Document correctly or utilize a documentation record to transfer cost information to the expense reimbursement form so reimbursement can be made.

A request for reimbursement (on an approved expense reimbursement document) for the incurred expense must be submitted by the employee or board member to the appropriate agency office (business office, accounting office). To document that this requirement is met, the agency office will need to have an effective method of recording when the expense document was received.

Such request must be made not later than sixty days after the final day on which the expenses were incurred for which reimbursement is sought. This means that if travel occurs June 15-June 18 and again on June 22-June 25, the request for reimbursement may include both trips, but the request for reimbursement for the first travel period must be submitted no later than 60 days after June 18.

If an employee or board member typically requests reimbursement for non-travel expenses and accumulates the receipts for which reimbursement is sought, each expense will have its own 60 day limit for reimbursement. (Travel is defined as being away from headquarter city longer than one day.)

When a receipt does not provide the essential character of the expense, such as rate or period of use, the agency may require a copy of the rental contract or other billing as supporting documentation to substantiate the expense. For instance, vehicle rental receipts with only an amount would require additional documentation. Screen prints or other support of online purchases should be provided, if possible, to document purchases being made via the internet.

## Receipts

Receipts - Detailed receipts are required as support for all expenditures except per diem meals and immaterial items identified by the Director of Administrative Services. Common expenses requiring detailed receipts include, but are not limited to, lodging, car rental, commercial travel, and registration fees.

Detailed receipt is defined as a receipt that identifies the date, time, city, state, itemization of item(s) claimed, and the cost.

Immaterial items are anything less than \$10.00; however, you are required to substantiate immaterial items in a log, as described under Travel Expense Policy # 5. Substantiation of Expense).

In the absence of detailed receipts supporting an employee's claim, State Accounting requires a signed written explanation including one of the following:

- Copy of a cancelled check with purchase details;
- Charge card slip with purchase details; or
- Subsequently acquired receipt with purchase details.

If one of the above options cannot be provided, or where a receipt was not provided, the employee must create and provide a signed affidavit. This policy is for the convenience of the agency and the employee. The absence of documentation may necessitate the discontinuation of this process and the subsequent inability to reimburse employees when detailed receipts are not available.

### **Employee or Board Member Signatures**

The employee or board member claiming reimbursement of expenses must provide an original signature on the expense document or submit the document with an electronic signature. Supporting documentation must be maintained by the agency for those documents submitted with an electronic signature.

An employee or board member not able to provide original signatures due to physical disabilities may request a waiver of the original signature requirement. The employee or board member must request such a waiver in writing from the State Accounting Administrator of DAS. The request must be:

- 1) Approved by the employee or board member's supervisor,
- 2) Include the reason for the inability to provide the original signature,
- 3) Include the anticipated length of time of the physical condition, and
- 4) Include a sample of the intended signature to be used.

The State Accounting Administrator may request the employee or board member to give additional supporting documentation, which could include a description of the physical condition and limitations from the employee or board member's physician. If the request is approved, the employee or board member and agency will be notified in writing.

### **Air Travel**

Air travel shall only be authorized when it is more economical than surface transportation. Reimbursement for commercial air travel will be limited to "coach" fare, if such seating is available at the time of ticket purchase. If an agency chooses to calculate productive time saved, the employee or board member's actual salary shall be used. For board members, or others who do not receive a salary, the State average annual salary, as published in the Personnel Almanac, shall be used. Whenever reimbursement of air travel is made separate from the employee or board member expense reimbursement document, a cross reference shall be made from the employee or board member expense reimbursement document to the air travel reimbursement document.

Travel by privately-owned airplane or personally-rented airplane shall have the prior approval of the agency director. Such approval shall be provided with the payment documents.

- a. Privately-owned – An employee or board member will be reimbursed at the prevailing standard rate as established by the Internal Revenue Service through its Revenue Procedures. As of January 1, 2021 the rate is one dollar and twenty-six cents (\$1.26) per Statute air mile. DAS will not differentiate between “travel at the convenience of the agency or employee or board member”. This mileage rate is effective for all employee or board members not covered under a collective bargaining agreement, or in which the bargaining agreement does not specify a mileage rate.
- b. Personally-rented – Employee or board members shall be reimbursed for the actual expense of personally renting an airplane unless the expense is paid directly by the agency involved.
- c. Charter flight – Agencies should contact the Department of Aeronautics to make arrangements for charter flights.

### **Conference (Attendance by State Employee or board members)**

State employee or board member expenses – Expenses incurred by a State officer, employee or board member, or member of any commission, council, committee or board of the State while attending a non-State agency sponsored conference may be paid. Payment may be made directly to a vendor or as reimbursement to an employee or board member for expenses incurred on behalf of the agency. Original invoices/receipts and a document, or statement, showing the date, purpose and agenda of the conference must be attached to the payment document. Expenses should be coded using "item" orientation. For example, travel expenses should be coded to the appropriate travel expenditure account and the registration fee to Conference Registration Expense.

The payment of meals and nonalcoholic beverages for State employee or board members attending a non-State agency sponsored conference is allowable if the employee or board member is in travel status or the meal is included in the overall conference pricing.

### **Lodging**

Employee or board members shall report only actual expenses paid for lodging. Business telephone calls and parking charges incurred at the lodging site may be included on the lodging bill. Lodging expenses may either be directly billed to the agency or claimed on an expense reimbursement. If claimed on an expense reimbursement, detailed receipts for lodging are required to be filed with the claim. Lodging may be reimbursed when an employee or board member is "away from home overnight". The Internal Revenue Service states: "You are away from home overnight if your duties require you to be away from the general area of employment for a period substantially longer than an ordinary day's work and, during released time while away, it is reasonable for you to need and to get sleep or rest to meet the demands of your employment or business. The absence must be of such duration that you cannot reasonably leave and return to that location before and after each day's work." Meals should not be charged to a hotel room and will only be reimbursed through the per diem process.

Sales to the State of Nebraska and its agencies are exempt from Nebraska sales, use and lodging tax. Therefore, if in-state lodging expenses are directly billed to the agency, the agency should present a completed copy of Form 13 (Nebraska Resale or Exempt Sale Certificate) to the lodging establishment.

It is State Accounting policy that a person generally be more than 60 miles from his or her workplace in order to be eligible for lodging. We realize there may be reasons to pay for lodging for distances less than 60 miles. Such reasons include, but are not limited to work requirements, medical conditions or weather; in those instances the reason must be clearly stated on the disbursement document.

## Meals

Meal expenses incurred during travel shall be reimbursed on a per diem basis pursuant to Neb. Rev. Stat. § 81-1174, based on the destination of the travel. The State per diem rates shall be 70% of the relevant federal rates (General Services Administration for travel within the contiguous United States). The Expense Reimbursement Document (ERD) will calculate the full reimbursement for each day based on the following:

- The Per Diem Rate shall be based on the original Destination City. (GSA Per Diem Rates )
- The first and last day of travel will be prorated at 75% of the State Per Diem Rate.
- Any meal that is provided shall be deducted from the daily Per Diem Rate. Examples include:
  - Meals included in Conference fee
  - Meals provided by Hotel
  - Meals purchased by 3rd Party
- Meals expense charged directly to and paid for by the State of Nebraska
- At the agency head's discretion, one-day travel meal expenses (breakfast and supper only) may be reimbursed using State per diem rates when it is deemed necessary for the working conditions of the employee.
  - Breakfast - When an employee leaves for one-day travel at or before 0630 or 1 1/2 hours before the employee's shift begins, whichever is earlier, breakfast rate may be reimbursed.
  - Lunch - Noon meals for one-day travel are not reimbursable.
  - Dinner - When an employee returns from one-day travel at or after 1900 or 2 hours after the employee's shift ends, whichever is later, the evening meal rate may be reimbursed.
  - \* NOTE: The time limitations set forth do not include the time taken for the meal.
- Meal expenses incurred in the city or town in which the residence or primary work location of such employee is located, are not reimbursable, except as discussed in General Policy #22. State Employee Expenses While Not in Travel Status and Travel Expense Policy #3. Conference (attendance by State Employees).
- Actual expenses for group meals incurred by an agency on a purchasing card are allowable for official functions, conferences, or hearings.
- The IRS has taken the position that reimbursement for meal expenses incurred on one-day travel is taxable income to the employee unless such reimbursements are deemed "occasional". In order to monitor this provision, all such reimbursements for one-day travel shall be coded to account 571600 (meals – one day travel). When reimbursements for meals for one-day travel exceed \$200 per employee in any one year (December 1 through November 30), the entire amount of such reimbursements will be considered taxable income. If reimbursements for an employee are \$200 or more for any one year, the agency will enter a payroll one-time override using DBA 1005 for the total amount coded to object code 571600. This should be processed during the calendar year payroll. The reimbursements will be added to the employee's gross wages and payroll taxes will be withheld accordingly. Reimbursement to one employee for two or more employee's expenses will not be allowed for meals because of this provision. (Travel Expense Policy #9. Reimbursement to One Employee for Two or More Employee's Expenses)

If the lodging site claimed on an employee's or board member's expense reimbursement request, or paid for by the State, includes one or more meals in the cost paid as part of the lodging costs, reimbursement is not permitted for such meal(s) as described below:

- 1) Breakfast - If a continental breakfast is served by the lodging site in the morning after the date on which the lodging expense is incurred, which includes offerings greater than bread, bagels, muffins, fruit, milk, juice, and coffee (i.e., eggs, bacon, sausage, pancakes, waffles, etc.).
- 2) Dinner - A meal is served by the lodging site in the evening on the date on which the lodging expense is incurred, which includes offerings greater than soups, salads, snacks, hors d'oeuvres, or ~~appetizers~~ **J107**.

## Personal Automobiles

An employee or board member will be reimbursed for use of a personal vehicle while on State business (this does not include commuting miles) at the prevailing standard rate as established by the Internal Revenue Service through its Revenue Procedures. As of January 1, 2021 the rate is \$.560 per mile. This mileage rate is effective for all employee or board members not covered under a collective bargaining agreement, or in which the bargaining agreement does not specify a mileage rate. All contract employee or board members currently use the IRS rate. However, agencies may, at their determination, require employee or board members to utilize state-owned vehicles (as opposed to personal vehicles) if the use of the state-owned vehicle would be more economical from both an auto rental rate and the time involved in renting the state-owned vehicle. If after such agency determination, an employee or board member still wants to drive their personal vehicle, the agency is not required to reimburse the employee or board member any more than it would have cost the agency to rent the state-owned vehicle.

Motorcycles – An employee or board member will be reimbursed for the use of a motorcycle while on State business (this does not include commuting miles) at the prevailing standard rate. Effective January 1, 2021 the rate is \$.540 per mile.

Rental Cars - Insurance - An employee or board member should decline rental agency insurance coverages. Please refer to your agency's annual letter from Risk Management. There is a section on rental cars. Under Section III B, it states that you should NOT accept the coverages because the car rental is covered by the State's insurance.

## Reimbursement to One Employee or Board Member for Two or More Employee or Board Member's Expenses

One employee or board member may be reimbursed for actual expenses incurred on behalf of another State employee or board member, such as when two employee or board members sharing a motel room are billed jointly and one employee or board member pays the bill. The employee or board member to be reimbursed must provide the same detailed information that would have been required of each State employee or board member had they been billed individually. In all cases when one employee or board member is requesting reimbursement for expenses of more than one State employee or board member, detailed receipt policies must be adhered to, employee or board members' names listed and documents cross-referenced, when applicable. If two employee or board members are billed jointly, but each pays half and each requests reimbursement separately, the documents must be cross-referenced, since one employee or board member usually may not have a detailed receipt. An employee may not be reimbursed for another employee's meal per diem.

## Long Distance Telephone Calls

Charges for long distance telephone calls are an allowable state expenditure if they are related to State business, or the employee or board member is in a travel status on State business and the calls are in accordance with an approved agency policy.

To establish an approved agency policy, the State agency shall submit their proposed policy to State Accounting for approval. The policy shall describe the circumstances in which long distance calls will be reimbursed, to include:

- 1) The reason(s) for which calls will be reimbursed,
- 2) The number of calls an employee or board member will be allowed within a certain time period,
- 3) The duration of allowable calls or cost per call,
- 4) The relationship to the employee or board member of the person being called. State Accounting shall notify the State agency in writing of approval or disapproval.

## **Personal Cellular Telephone Expenses**

The State of Nebraska provides cellular telephones to agency personnel to utilize in the performance of their official State duties when deemed necessary. Occasionally, an employee will make work related cellular calls on their personal cellular telephone, and request reimbursement.

The State of Nebraska will reimburse employees for any cellular calls that are billed to the employee when the following criteria are met:

- 1) The employee provides their cellular company detail billing for the call(s) for which they wish to be reimbursed. Detail billing will show the date, time, length of call(s), number called and/or calling number, and cost of the call for each call submitted for reimbursement. A log shall be provided if the cellular company billing does not provide the above detail.
- 2) The call(s) are billed on a per minute basis, above and beyond the monthly fee charged for the service the employee has elected as their base plan. The State will reimburse State work related calls regardless of when in the month the State work related calls are made if the employee exceeds the base minutes. For example, Employee A has a plan which allows 25 minutes of calls for the base rate each month.
- 3) Employee A has 30 minutes of personal calls and 5 minutes of state work related calls during the month. The State will reimburse 5 minutes of calls regardless of when in the month the State work related calls are made.
- 4) Employee A only has 15 minutes of personal calls and 5 minutes of state work related calls in the month. The State will not reimburse the employee since the cellular company made no additional billing.
- 5) Employee A has 22 minutes of personal calls and 5 minutes of state work related calls in the month. The State will reimburse 2 minutes of calls since the cellular telephone service provider will charge an additional billing for the 2 minutes exceeding the base plan minutes.
- 6) The agency monitors all personal cellular telephone reimbursements for accuracy.
- 7) Agencies will determine if the usage indicates the need to issue a State owned cellular telephone to employees.

## **Entertainment Expenses**

In a letter to the Director of Administrative Services, the Attorney General's Office stated that entertainment expenses are not allowed to be reimbursed absent specific statutory authority.

## **Payments for State Employee Wages**

In accordance with §81-1117.05, payments for wages for all state employees will be by electronic funds transfer (EFT/Direct Deposit). Such EFT payments may be made to any financial institution of the employee's choosing or to a state authorized debit card. State employees include all officers or employees of the state or any state agency and pursuant to §81-1178 shall include duly appointed committee, board and commission members.

## INSTRUCTIONS FOR USING THIS SCHEDULE

Records retention and disposition schedules are designed to serve as your records management guideline for storing and disposing of agency records, **regardless of the media on which they reside**, including paper, microfilm, diskettes, optical disks, CDs, DVDs, servers, computer hard drives, etc. This schedule was written specifically for records unique to your office and the State Agencies General Records Schedule #124 contains those records common to most state government agencies. This retention schedule, which is approved by the State Records Administrator, provides your only ongoing authority to dispose of records. Listed below are some basic procedures to follow when applying your schedule.

### DISPOSING OF RECORDS

1. Check your schedules to see what the retention period is. Note: Your agency's unique schedule will take precedence over State Agencies General Records Schedule #124 for any items which have differences in retention requirements.
2. Dispose of records that have met their retention periods.
3. For records requiring a review of, or transfer to the **NE State Historical Society (State Archives)**, your agency is required to contact the State Archives to negotiate the transfer. Additionally, **once the records are accessioned into their collection, they become the property of the State Archives** (Neb. Rev. Stat. §82-105). The State Archives may remove selected records in accordance with standard archival practices to ensure efficient access, organization and enduring historical value (Neb. Rev. Stat. §82-107). Please contact their office by calling (402) 471-4783.
4. Complete a Records Disposition Report for the records you dispose. The Records Disposition Report form is located on the Secretary of State Records Management website. <http://www.sos.ne.gov/dyindex.html>. This report establishes that the destruction was performed in your normal course of business.

### NON-SCHEDULED RECORDS

Contact a Records Management Specialist in Records Management to see whether the records will fit under an item already on the schedule. If they do not, they must be retained until they are added to the next revision of your schedule.

### SCHEDULE UPDATE

It is the responsibility of each agency to periodically update their schedule. A Records Management Specialist in Records Management can assist you with the schedule update, which may involve adding new records series and making revisions to existing items. Keeping your schedule current will ensure you have the ongoing authority to discard records when their useful life has ended.

### QUESTIONS

If you have any questions about these procedures, please contact your agency Records Officer or the Records Management Specialist in Records Management. They will help you with any questions the schedule may present, including: transferring records to the State Records Center or microfilming records, scanning records, etc.

**SUBJECT:** Public Records Policy

**LEGAL REFERENCE:** Neb. Rev. Stat. §§ 84-712 to 84-712.09 (Cum. Supp. 2016)

## SUMMARY OF ACTION

Approved by the Board at its September 21, 2006 meeting as Board Policy 06-10. Board Policy 06-10 was retired by the Board on May 24, 2017. Guidance Document 17-04 was adopted by the Board at its June 15, 2017 meeting as presented.

## BACKGROUND

Excerpt from September 21, 2006 meeting of the Nebraska Real Property Appraiser Board: *Director Ekstein explained the public records policy was provided by the attorneys who believed the board needed to adopt a policy. Requests have been received for documents contained in enforcement files. Investigatory information contained in the enforcement files is not considered public records. The policy is intended to specifically state which records are considered public information and which records are considered investigatory.*

*Director Ekstein read the proposed public records policy to those in attendance.*

*Vice Chair Newell moved to adopt the public records policy:*

*The Board shall comply fully with all applicable federal and state statutes and regulations which govern public records, including but not limited to Neb. Rev. Stat. Sections 84-712, and 84-712-03 to 84-712.09. Absent exceptional circumstances consistent with its duties as determined by the Board, the Board shall withhold from the public those records specified in Section 84-712.05 to the fullest extent permitted by law. "Exceptional circumstances" shall normal be limited to requests from other public entities, such as the board's counterparts in other states, which demonstrate a need for the information contained in such records and which commit to the Board that they shall not further disclose the requested information except in open court, open administrative proceedings, or in enforcement proceedings.*

*Board Member Wilson seconded the motion.*

*Discussion ensued regarding the public records policy.*

*Vice Chair Newell moved to amend her motion by adding 84-712.01 and changing 84-712-03 to 84-712.03. Board Member Wilson seconded the amendment.*

*Discussion continued regarding the policy.*

*Board Member Wilson called for the question. Board Members Bain, Kalkowski, Wilson, Newell and Kroeger voted aye.*

*Board Members Bain, Kalkowski, Wilson, Newell and Kroeger voted aye on the amendment.*

*Board Members Bain, Kalkowski, Wilson, Newell and Kroeger voted aye on the motion to adopt the Public Records Policy.*

LB 867, enacted by the Legislature in 2016, makes a number of changes to the rulemaking provisions of the Administrative Procedure Act ["APA"], Neb. Rev. Stat. §§ 84-901 to 84-918 (2014, and Cum. Supp. 2016). Agencies are authorized to issue "guidance documents," which are defined to "mean any statement developed by an agency which lacks the force of law but provides information or direction of general application to the public to interpret or implement statutes or such agency's rules or regulations." Guidance documents are binding on an agency until amended by the agency, and shall not give rise to any legal right or duty or be treated as authority for any standard, requirement, or policy. Guidance documents replace the Nebraska Real Property Appraiser Board's prior use of board policies to provide direction to the public, and to interpret or implement statutes and rules.

## ANALYSIS

Board Policy 06-10, which was adopted by the Board on September 21, 2006, was retired by the Board on May 24, 2017 to implement the former board policy as a guidance document. Neb. Rev. Stat. §§ 84-712 to 84-712.09 includes all public records laws that each state agency must comply with; except for Neb. Rev. Stat. § 84-712.05, the need to cite individual sections in the guidance does not exist. N.R.S. § 84-712.05 is the basis for a specific guidance on interpretation of this law, which is why it is specifically included in this guidance. All other statutory references are removed in the guidance.

The reference to “regulations” in Board Policy 06-10 is ambiguous. There was no mention of any specific provision of the Nebraska Administrative Code during the discussion that led to adoption of Board Policy 06-10, and no known regulations pertaining to public records that binds the Board exist. Due to the possibility of binding the Board to unknown regulations, the reference to “regulations” is removed in the guidance.

Finally, there was no mention of any specific federal statutes during the initial discussion that led to adoption of Board Policy 06-10. Many federal laws pertaining to public records exist; the most well-known being the Freedom of Information Act (“FOIA”). FOIA was signed into law by President Lyndon B. Johnson on July 4, 1966 as 5 USC § 522. FOIA is a federal law that allows for disclosure of previously unreleased information controlled by the United States Government, and defines what federal information and to what extent that documentation should be made available to the public. FOIA does not apply to state governments. Due to the possibility of binding the Board to FOIA and other federal public records statutes, the reference to “federal” statutes is removed in the guidance.

For the purpose of this guidance, the following language changes are made to Board Policy 06-10:

*The Board shall comply fully with all applicable ~~federal and~~ state statutes ~~and regulations~~ which govern public records, ~~including but not limited to Neb. Rev. Stat. §§ 84-712, 84-712.01, and 84-712.03, 84-712.09.~~*

## GUIDANCE

The Board shall comply fully with all applicable state statutes which govern public records. Absent exceptional circumstances consistent with its duties as determined by the Board, the Board shall withhold from the public those records specified in N.R.S. § 84-712.05 to the fullest extent permitted by law. “Exceptional circumstances” shall normally be limited to requests from other public entities, such as the Board’s counterparts in other states, which demonstrate a need for the information contained in such records and which commit to the board that they shall not further disclose the requested information except in open court, open administrative proceedings, or in enforcement proceedings.

### **CHAPTER 1 - Rules of Practice and Procedure for Negotiated Rulemaking**

#### **001 General Information**

001.01 Application of Rules. These rules are promulgated pursuant to Neb. Laws 1994, LB 446, and 53 Nebraska Administrative Code, Chapter 1.

**002 Negotiated rulemaking generally.** The purpose of these regulations is to establish a framework for the conduct of negotiated rulemaking consistent with the Administrative Procedure Act and the Negotiated Rulemaking Act. The negotiated rulemaking process can be used by the Real Property Appraiser Board, whenever appropriate, to resolve controversial issues prior to the commencement of formal rulemaking. Negotiated rulemaking is not a substitute for the requirements of the Administrative Procedure Act, but may be used as a supplemental procedure to permit the direct participation of affected interests in the development of new rules or the amendment or repeal of existing rules. The negotiated rulemaking process also does not preclude other Appraiser Board efforts or processes designed to reach consensus with affected or interested persons concerning the content of rules or regulations. A consensus agreement on a proposed rule reached by a negotiated rulemaking committee may be modified by the Appraiser Board as a result of a subsequent formal rulemaking process.

**003 Definitions.** For purposes of this Chapter of these model procedural rules:

003.01 APA shall mean the Administrative Procedure Act, Neb. Rev. Stat. §§ 84-901 through 84-920.

003.02 Agency shall mean the Appraiser Board, including the Director and staff. Agency shall not include those entities exempted in Neb. Rev. Stat. § 84-901 (1).

003.03 Board shall mean the Nebraska Real Property Appraiser Board the governing board of state government which is promulgating these procedural rules.

003.04 Consensus shall mean unanimous concurrence among the interests represented on a negotiated rulemaking committee unless the committee agrees upon another specified definition.

003.09 Negotiated rulemaking shall mean rulemaking through the use of a negotiated rulemaking committee.

003.10 Negotiated rulemaking committee or committee shall mean an advisory committee established to consider and discuss issues for the purpose of reaching a consensus in the development of a proposed rule.

003.11 Person shall mean an individual, partnership, limited liability company, corporation, association, governmental subdivision, agency, or public or private organization of any character.

003.12 Rule or regulation shall mean any rule, regulation, or standard issued by the Board, including the amendment or repeal thereof whether with or without prior hearing and designed to implement, interpret, or make specific the law enforced or administered by it or governing its organization or procedure, but not including rules and regulations concerning the internal management of the Board not affecting private rights, private interests, or procedures available to the public, and any rules of interpretation thereof, and for the purpose of the APA, every rule and regulation which shall prescribe a penalty shall be presumed to have general applicability or to affect private rights and interests.

**004 Establishment of a Negotiated Rulemaking Committee; criteria.**

The Board may establish a negotiated rulemaking committee to negotiate and develop a proposed rule if the Board determines that the use of the negotiated rulemaking procedure is in the public interest. In making that determination, the Board shall consider whether:

004.01 There is a need for the rule.

004.02 There are a limited number of identifiable interests that will be significantly affected by the rule.

004.03 There is a reasonable likelihood that a committee can be convened with a balanced representation of persons who:

004.03A Can adequately represent the interests identified; and

004.03B Are willing to negotiate in good faith to reach a consensus on the proposed rule.

004.04 There is a reasonable likelihood that a committee will reach a consensus on the proposed rule within a fixed period of time.

004.05 The negotiated rulemaking procedure will not unreasonably delay the notice of proposed formal rulemaking and the issuance of the final rule pursuant to the APA.

004.06 The Board has adequate resources and is willing to commit those resources, including technical assistance, to the committee.

004.07 The Board, to the maximum extent possible consistent with the legal obligations of the Board, will use the consensus of the committee as the basis of the rule proposed by the Board in the formal rulemaking process of the APA.

**005 Convenors; selection; duties.** The Board, at its discretion, may use the services of a convener.

005.01 The Board may employ or contract for an organization or an individual to serve as a convener, or may use the services of a state employee to act as a convener. A convener shall not have a financial or other interest that would preclude him or her from serving in an impartial and independent manner. The Board shall determine whether a person under consideration as a convener has such an interest. A person disqualified under this criterion shall be dropped from further consideration.

005.02 The convener may assist the Board in making the determination of need for a negotiated rulemaking process discussed in section 004 above. The convener may also assist the agency in:

005.02A Identifying persons who will be significantly affected by a proposed rule.

005.02B Conducting discussions with affected persons on the issues of concern and ascertaining whether the establishment of a negotiated rulemaking committee is feasible and appropriate for the particular rulemaking.

005.03 The convener shall report findings and make recommendations to the Board. Upon request of the Board, the convener shall ascertain the names of persons who are willing and qualified to represent the interests that will be significantly affected by the proposed rule. That report by the convener and any recommendations of the convener shall be public records and made available to the public for review upon request.

**006 Petitions for the use of a negotiated rulemaking committee.**

Any person may petition the Board to request the use of a negotiated rulemaking committee in the development or revision of a rule, as provided below.

006.01 A negotiated rulemaking process may be requested on any topic appropriate for a rule or regulation by the agency.

006.01A A negotiated rulemaking process may be requested only to develop or revise rules which carry out statutes that are within the authority of the Board to implement.

006.01B A negotiated rulemaking process may not be requested to develop a rule or regulation to vary or change the specific terms of a statute.

006.01C A negotiated rulemaking process may not be requested to negotiate a rule on a matter which is not within the definition of a rule or regulation as set forth in subsection 003.12 above.

006.02 A request for the use of a negotiated rulemaking procedure shall be made by a petition that meets the requirements of form set out in this subsection. In the event that it does not, the Board may refuse to accept it.

006.02A A petition may be in the form of a pleading that contains a caption, heading, and name as set forth on Attachment 1, which is attached to these model rules and made a part of them by reference.

006.02B A petition may also be made in the form of a letter so long as the letter contains all of the information required by these regulations and is clearly delineated as a petition for negotiated rulemaking.

006.02C All petitions must be on white, letter sized paper (8 1/2 by 11) of standard weight.

006.02D Petitions must be legible, and may be typewritten, photostatically reproduced, printed, or handwritten. If handwritten, petitions must be in ink. Only one side of a page of a petition shall contain any writing.

006.03A The petition must identify the general subject matter about which the negotiated rulemaking procedure is requested, including the statutes or legislative bill(s) which provide authority for the desired regulation, and, if amendments to existing regulations are sought, identification of the regulations by title, chapter and name.

006.03B The petition must identify the specific issue(s) proposed for inclusion in the negotiated rulemaking process.

006.03C The petition must discuss the facts surrounding each problem or issue proposed for inclusion in the negotiated rulemaking process.

006.03D The petition must discuss why a negotiated rulemaking process is in the public interest, including information on each of the criteria set out in subsections 004.01 through 004.05 above. The petition may also include information on the criteria included in subsections 004.06 and 004.07 above, to the extent such information is available to the petitioner. The petitioner may also submit such other information as may assist the Board in making a decision.

006.03E The petition must identify persons who will be significantly affected by any rule which might result from the proposed negotiated rulemaking process, to the extent known by the petitioner. The petitioner may also suggest the names of persons who are willing and qualified to represent the interests that will be significantly affected by the negotiated rulemaking process and the proposed rule.

006.04 A petition for a negotiated rulemaking process shall be filed with the agency director. Filing may be made by personal delivery during regular Agency office hours or by mail.

006.05 Upon the filing of a petition for a negotiated rulemaking procedure, the agency director or convenor designated by the Board may recommend to the Board whether a negotiated rulemaking process should be initiated.

006.06 Within sixty (60) days after submission of a petition for a negotiated rule making procedure, the Board shall:

006.06A Deny the petition in writing, stating the reason(s) for denial; or

006.06B Initiate the negotiated rulemaking process as provided in these rules.

006.07 The decision of the Board with respect to a petition for a negotiated rule making procedure may be made in the form of a pleading or a letter clearly designated as the decision on the petition. The petitioner shall be served with a copy of the Board's final decision by certified mail, return receipt requested.

006.08 A decision by the Board with respect to a petition for a negotiated rulemaking procedure is not subject to judicial review, although nothing herein shall bar a judicial review if such is otherwise provided by law.

**007 Notice of a Negotiated Rulemaking Committee; Comment; Applications for Membership.** If the Board decides to go forward with the establishment of a negotiated rulemaking committee, the Board shall proceed with the following process. The Agency shall give notice to the Secretary of State, publish notice in a newspaper having general circulation in the state, and, as appropriate, publish notice in other newspapers and publications. The notice shall include:

007.01A An announcement that the Board intends to establish a negotiated rulemaking committee to negotiate and develop a proposed rule.

007.01B A description of the subject and scope of the rule to be developed and the issues to be considered.

007.01C A list of interests likely to be significantly affected by the proposed rule.

007.01D A list of the persons proposed to represent the affected interests and the Board.

007.01E A proposed schedule for completing the work of the committee.

007.01F An explanation of how a person may apply for or nominate another person for membership on the committee.

007.02 Persons interested in making comments upon the formation of a particular proposed negotiated rulemaking committee shall have thirty (30) days from the date of publication of the notice concerning that committee to do so. Such comments shall be in writing, and shall either be personally delivered or mailed to the Agency at its business office.

007.03 Persons interested in applying for membership on a particular proposed negotiated rulemaking committee or in nominating other persons for such membership shall have thirty (30) days from the date of publication of the notice concerning that committee to do so. Persons making application for membership or nominations for membership shall do so on Attachment 2 which is attached to these regulations and made a part of these regulations by reference, and which shall be provided by the Agency. Persons making application for membership or nominations for membership may also do so by letter, so long as the letter contains all of the information set out in Attachment 2 and is clearly delineated as an application or nomination for membership on a specific negotiated rulemaking committee.

### **008 Establishment of a Negotiated Rulemaking Committee; Procedure.**

After publication of notice and termination of the comment and membership application period, the Board will consider the comments and membership applications for a particular negotiated rulemaking committee and determine whether such a committee can adequately represent the interests of the persons that will be significantly affected by a proposed rule, and whether such a committee is feasible and appropriate in the particular rulemaking. In making the final determination as to creation of a negotiated rulemaking committee, the Board may use the services of a convenor as set out in Section 005 above. In making the final determination as to creation of a negotiated rulemaking committee, the Board and its agency director will apply the criteria set out in 004 above.

008.01 If, after such a determination, the Board decides that a negotiated rulemaking procedure is feasible, it shall establish a negotiated rulemaking committee as provided in these regulations. The committee will negotiate issues and develop proposed rules for use by the Board in formal rulemaking.

008.02 If, after such a determination, the Board decides not to establish a negotiated rulemaking committee, the Agency shall:

008.02A Notify the persons who commented on, applied for membership on or nominated persons for membership on the particular negotiated rulemaking committee of the reasons for the decision not to establish such a committee.

008.02B Publish notice of the decision not to establish the particular negotiated rulemaking committee in a newspaper having general circulation in the state, and, as appropriate, in other newspapers and publications.

**009 Negotiated Rulemaking Committee; membership.** All members of a negotiated rulemaking committee shall participate in the deliberations of the committee with the same rights and responsibilities as other members.

009.01 Members of a negotiated rulemaking committee may include:

009.01A A Board member, employee of the Agency, or person designated by the Board to represent the Agency. This person shall be authorized to fully represent the Agency in the discussions and negotiations of the committee.

009.01B Persons selected by the Board as willing and qualified to represent the interests that will be significantly affected by the proposed rule.

009.01C Persons contacted and recruited by the negotiated rulemaking committee itself by consensus as essential to the success of the negotiated rulemaking process.

009.01D Persons selected by the negotiated rulemaking committee by consensus upon committee review of a petition for membership or nomination as set out in subsection 009.02 below.

009.02 Persons who will be significantly affected by a proposed rule and who believe that their interests will not be adequately represented by any person on a negotiated rulemaking committee may petition for or nominate another person for membership on the negotiated rulemaking committee.

009.02A Each petition or nomination for committee membership shall be in writing and be submitted to the negotiated rulemaking committee by delivering or mailing the same to the Agency. All such petitions or nominations shall include:

009.02A1 Identification of the applicable negotiated rulemaking proceeding.

009.02A2 The name of the petitioner or nominee, and a description of the interests the person represents.

009.02A3 Evidence that the petitioner or nominee is authorized to represent parties related to the interests the person proposes to represent.

009.02A4 A written commitment that the petitioner or nominee will actively participate in good faith in the development of the rule under consideration.

009.02A5 An explanation of reasons that the persons already on the negotiated rulemaking committee do not adequately represent the interests of the person submitting the petition or nomination.

009.02B Persons wishing to file such a petition for membership or nomination to a negotiated rulemaking committee may use the form attached hereto as Attachment 3. Attachment 3 is made a part of these regulations by reference. Persons wishing to file such a petition for membership or nomination to a negotiated rulemaking committee may also do so by letter, provided that the letter contains the information set forth above.

009.02C Upon receiving a petition for membership or nomination to a particular negotiated rulemaking committee, the committee in question shall decide, by consensus at its next meeting, whether or not to expand its membership.

**010 Negotiated rulemaking committee; operation.** A negotiated rulemaking committee established under these rules shall consider the matter proposed by the Board for consideration and shall attempt to reach consensus concerning a proposed rule and any other matter the committee determines is relevant to the proposed rule.

010.01 A negotiated rulemaking committee may adopt procedures or ground rules for the operation of the committee consistent with these rules and the pertinent Nebraska statutes.

010.02 The Agency shall provide appropriate administrative support to a negotiated rulemaking committee including technical assistance and support.

010.03 The person representing the Agency on a negotiated rulemaking committee shall participate in the deliberations of the committee with the same rights and responsibilities as other members of the committee and shall be authorized to fully represent the Agency in the discussions and negotiations of the committee.

010.04 If a negotiated rule making committee achieves consensus on a proposed rule at the conclusion of the negotiations, the committee shall transmit to the Board a report containing the proposed rule.

010.05 If a negotiated rulemaking committee does not reach a consensus on the proposed rule, the committee shall transmit to the Board a report specifying areas in which the committee reached consensus and the issues that remain unresolved. The committee may include in the report any other information, recommendations, or materials that the committee considers appropriate. Any member of the committee may include as an addendum to the report additional information, recommendations or materials.

**011 Facilitators; selection; duties.** A facilitator shall be selected to assist a negotiated rulemaking committee with its duties.

011.01 The Agency may nominate a person to serve as a facilitator for the negotiations of a negotiated rulemaking committee, subject to the approval of the committee by consensus. If the committee does not approve the Agency's nomination for facilitator, the Agency shall submit a substitute nomination. If the committee does not approve the substitute nomination of the Agency for facilitator, the committee shall select, by consensus, a person to serve as facilitator.

011.02 The Agency may employ or contract for an organization or an individual to serve as a facilitator for a negotiated rulemaking committee, or the Agency may use the services of a state employee to act as a facilitator. A person designated by the Agency to represent it on a negotiated rulemaking committee with respect to substantive issues may not serve as the facilitator. A facilitator shall not have a financial or other interest that would preclude him or her from serving in an impartial and independent manner. The Agency shall determine whether a person under consideration for facilitator has such an interest. A person disqualified under this criterion shall be dropped from further consideration.

011.03 A facilitator approved or selected by a committee shall:

011.03A Preside at the meetings of the committee in an impartial manner.

011.03B Impartially assist members in conducting discussions and negotiations and achieving consensus.

011.03C Manage the keeping of minutes and records.

**012 Negotiated rulemaking committee; expenses.** Members of a negotiated rulemaking committee shall be responsible for their own expenses of participation. However, the Agency may pay for a committee member's actual and necessary expenses incurred in serving on the committee as provided in Neb. Rev. Stat. §§ 81-1174 through 81-1177 and a reasonable per diem rate of compensation if:

012.01 The committee member certifies a lack of adequate financial resources to participate on the committee using the form at Attachment 4 which is attached to these regulations and made a part of them by reference; and,

012.02 The Agency determines that the committee member's participation is necessary to assure an adequate representation of the interests of the members.

**013 Grants or gifts.** The Agency may accept grants or gifts from any source to fund a negotiated rulemaking process if:

013.01 Information on the name of the person giving the grant or gift and the amount of the grant or gift is available to the public.

013.02 The grant or gift is given to and accepted by the Agency without placing any condition on the membership of a committee or the outcome of the negotiated rulemaking process.

013.03 There is a consensus among the members of the negotiated rulemaking committee that the acceptance of the grant or gift will not diminish the integrity of the negotiated rulemaking process.

**014 Negotiated rulemaking committee; termination.** A negotiated rulemaking committee shall terminate upon the adoption of the final rule under consideration by the Board pursuant to the APA, unless the Board, after consulting the committee, or the committee itself specifies an earlier termination date.

**015 Negotiated rulemaking procedure; judicial review.** Any action of the Board relating to establishing, assisting or terminating a negotiated rulemaking committee under the Negotiated Rulemaking Act shall not be subject to judicial review, except that nothing in this section shall bar judicial review if such judicial review is otherwise provided by law.

003.03 When Orders Appropriate. A declaratory order may be requested on the applicability of a statute, rule, regulation, or order enforced by the Board. "Applicability" refers to the appropriate-ness of the relation of the law to the person, property, or state of facts, or its relevance under the circumstances given. It may include such questions as whether the law applies at all, to whom it applies, when it applies, how it applies, or which law applies. Considerations as to whether issuance of a declaratory order is appropriate include:

003.03A A declaratory order may be requested only on the applicability of existing statutes and rules and regulations.

003.03B A declaratory order may be requested to obtain a determination of proposed conduct, not to obtain a determination of the

effect of conduct that has already occurred.

003.03C A declaratory order is not a mechanism for review or appeal of a decision made by the Board in a contested case.

003.03D A declaratory order may not be requested to obtain a declaration by the Board that a statute or regulation is unconstitutional or that a regulation of the agency is invalid.

003.03E A declaratory order may not be issued by the Board that would substantially prejudice the rights of a person who would be a necessary party and who does not consent in writing to the determination of the matter by a declaratory order proceeding.

003.04G Attachments. Any documents attached to a petition shall be securely fastened to the pleading and shall meet the requirements of 003.04E and 003.04F and, when possible, be reproduced on 8-1/2" x 11" paper or placed in an 8-1/2" x 11" envelope and clearly marked as an attachment to the petition.

003.05 Contents of Petition. To be considered, the petition shall include the following:

003.05A The name and address of the petitioner;

003.05B The name and address of all persons or entities, known to the petitioner, who may have a specific interest in the applicability of the statute, rule, regulation, or order or who may be adversely affected by the issue sought to be resolved by the petitioner.

003.05C The statute, rule, regulation, or order upon which the petitioner seeks issuance of a declaratory order;

003.06 The petition shall be subscribed and verified by the petitioner. If the petitioner is a corporation, political subdivision, or other entity, then the petition shall be subscribed and verified by a duly authorized agent of the petitioning entity.

003.07 Sample Petition. The petitioner may use the sample form of a petition which is attached as "Appendix A" and incorporated within this chapter. REV. STAT. § 76-2221, the analysis, conclusion, or opinion of value is an appraisal under NEB. REV. 002.01 After January 1, 2014, real property appraisal practice experience obtained within the State of Nebraska, or as a resident of the State of Nebraska, for credentialing as a licensed residential, certified residential, or certified general real property appraiser must be acquired as a trainee real property appraiser, registered real property appraiser, licensed residential real property appraiser, certified residential real property appraiser, or certified general real property appraiser. This Section does not apply to participation in a PAREA program.

002.02 At the Board's discretion, up to 50% of the real property appraisal practice experience required for credentialing as a licensed residential, certified residential, or certified general real property appraiser may be obtained in another jurisdiction. This real property appraisal practice experience may be accepted by the Board if the real property appraisal practice experience is compliant with the laws of the jurisdiction in which it was obtained.

002.03 An applicant's hours of real property appraisal practice experience submitted to the Board for review and determination of acceptability shall:

002.03A Demonstrate the applicant's progressive responsibility in the development and reporting of assignment results, which includes analyzing factors that affect value, defining the problem, gathering and analyzing data, applying the appropriate analysis and methodology, arriving at an opinion, and correctly reporting the opinion; and

002.03B Be completed in compliance with the Uniform Standards of Professional Appraisal Practice.

002.06 There need not be a client in a traditional sense (i.e., a client hiring a real property appraiser for a business purpose) in order for an assignment results report to qualify for real property appraisal practice experience. A practicum course approved by The Appraisal Foundation's Appraiser Qualifications Board's Course Approval Program may satisfy the non-traditional client real property appraisal practice experience requirement. Experience credit shall be granted for the actual classroom hours of instruction and hours of documented research and analysis as awarded from the practicum course approval process.

(4) restricted appraisal reports.

002.08B Except for hours of experience required to be in nonresidential appraisal work in NEB. REV. STAT. § 76-2232 (1)(e)(i), the following real property appraisal practice experience credit will be awarded for the successful completion of a PAREA program:

002.08B.1 For a licensed residential PAREA program, 100% of hours of experience required in NEB. REV. STAT. § 76-2230 (1)(d)(i); 67% of the hours of experience required in NEB. REV. STAT. § 76-2231.01 (1)(e)(i); and 33% of the hours of experience required in NEB. REV. STAT. § 76-2232 (1)(e)(i).

002.08B.2 For a certified residential PAREA program, 100% of hours of experience required in NEB. REV. STAT. § 76-2230 (1)(d)(i); 100% of the hours of experience required in NEB. REV. STAT. § 76-2231.01 (1)(e)(i); and 50% of the hours of experience required in NEB. REV. STAT. § 76-2232 (1)(e)(i).

002.09 Each applicant for the licensed residential, certified residential, or certified general real property appraiser credential will furnish a log of his or her most recent real property appraisal practice experience claimed on a form approved by the Board.

002.09A The real property appraisal practice experience must be in chronological order on the log, and include an applicant signature, and the signature of the supervisory real property appraiser in the case that the applicant is a trainee real property appraiser, or the signature of the real property appraiser-in-charge in the case that the applicant is a licensed residential real property appraiser or certified residential real property appraiser if applicable, on each page. At a minimum, the real property appraisal practice experience log shall identify the following:

(1) The date the assignment results report was signed,

(2) Name of client and property identification, which includes a legal description or address,

(3) Description of real property appraisal practice as performed by the applicant,

(4) Scope of supervisory real property appraiser review in the case that the applicant is a trainee real property appraiser, or the scope of review of the real property appraiser-in-charge in the case that the applicant is a licensed residential real property appraiser or certified residential real property appraiser if applicable,

(5) Type of property,

(6) Type of report,

(7) Approaches to value utilized,

(8) Verification that assignment results are compliant with the Uniform Standards of Professional Appraisal Practice,

(9) Verification that the assignment results report was for a traditional client or non-traditional client, and

(10) Number of hours worked by the applicant, and supervisory real property appraiser or real property appraiser-in-charge if applicable.

002.09B The real property appraisal practice experience log format in effect at the time application is made to the Board will be accepted, as well as any previously approved experience log formats in effect at the time the real property appraisal practice experience was obtained and recorded. All real property appraisal practice experience requirements in place at the time application is made to the Board are applicable regardless of the real property appraisal practice experience log format submitted.

002.09C A separate real property appraisal practice log shall be maintained by a trainee real property appraiser for each of his/her board-designated supervisory real property appraisers. It is the responsibility of both the supervisory real property appraiser and the trainee real property appraiser to ensure the log is accurate, current, and complies with the requirements of the Act and this Title. When the trainee real property appraiser is under the direct supervision of more than one supervisory real property appraiser while engaged in real property appraisal practice for an assignment, each log shall reflect the specific number of hours and description of work performed in that real property appraisal practice assignment with each supervisory real property appraiser.

002.10 A trainee real property appraiser is entitled to obtain copies of reports he or she has prepared and workfiles for those reports. The supervisory real property appraiser shall keep copies of reports for a period of five years, or at least two years after the final disposition of any judicial proceedings in which the real property appraiser provided testimony related

to the real property appraisal practice assignment, whichever period expires last.

002.11 Pursuant to NEB. REV. STAT. §§ 76-2230 (1)(d)(i), 76-2231.01 (1)(e) (i), and 76-2232 (1)(e)(i), the aggregate number of real property appraisal practice experience hours considered for evaluation includes those hours reported on each real property appraisal practice experience log submitted by the applicant beginning at the log entry indicating the earliest date on which real property appraisal practice experience was obtained and ending on the date the application for credentialing as a licensed residential, certified residential, or certified general real property appraiser was signed by the applicant.

002.12 If the real property appraisal practice experience log submitted by the applicant is accepted, a representative sampling of real property appraisal practice experience submitted by the applicant on his or her real property appraisal practice experience log will be evaluated to determine if the real property appraisal practice experience meets the requirements of the Act and this Chapter.

002.12A A minimum of three reports will be selected from the real property appraisal practice experience log for review to qualify the real property appraisal practice experience. The following additional criteria are applied to the report selection for each level of credential:

002.12A.1 To qualify the real property appraisal practice experience of an applicant for the licensed residential real property appraiser credential, a minimum of three reports related to residential property will be selected.

002.12A.2 To qualify the real property appraisal practice experience of an applicant for the certified residential real property appraiser credential, a minimum of one report related to a two-to-four unit residential property, one report related to a residential property 0 to 20 years old, and one report related to a residential property 20 years or older will be selected. Two selected reports will include at least two approaches to value.

002.12A.3 To qualify the real property appraisal practice experience of an applicant for the certified general real property appraiser credential, a minimum of three reports related to income producing properties will be selected. Two selected reports will include all three approaches to value.

002.12B The applicant will be notified of the selected reports in writing, and will have 10 business days from the date of receipt of the notification to submit a true and accurate copy of each report to the Board's office.

002.12C At least one of the three requested reports will be, at a minimum, reviewed for conformity with the Uniform Standards of Professional Appraisal Practice. The Board may enter into a contract with

a qualified disinterested third party certified real property appraiser for completion of an appraisal review assignment on any of the requested reports at no cost to the applicant.

002.13 Upon the receipt of appraisal review assignment results provided by one or more third party certified real property appraisers under contract with the Board, and the findings of the appraisal review assignment results are found to be null or insignificant by the director, an applicant's real property appraisal practice experience will be reviewed by a subcommittee consisting of two board members established by the Board for determination as to whether the applicant's real property appraisal practice experience is acceptable in accordance with the Act and this Chapter.

002.13A If the subcommittee finds that the applicant's real property appraisal practice experience meets the requirements of the Act and this Chapter, the subcommittee will notify the director of its decision. The subcommittee may authorize the director to notify the applicant of any appraisal review assignment results and issue a written advisory regarding any appraisal review assignment results.

002.13B If the subcommittee finds that the applicant may not meet one or more of the requirements of the Act or this Chapter, the application shall be placed before the Board for consideration.

002.14 If the Board determines an applicant may not meet the real property appraisal practice experience requirements, the applicant will be notified in writing. The Board may, at its discretion, request a written response from the applicant to the Board's findings as to the applicant's real property appraisal practice experience and/or invite the applicant to meet to discuss any deficiencies found in the report(s). Upon conclusion of the meeting, the Board may re-evaluate the applicant's real property appraisal practice experience.

002.14A If the applicant's real property appraisal practice experience is not acceptable to the Board, the Board may, at its own discretion, require the applicant to obtain additional education, and/or submit one or more supplemental real property appraisal practice experience logs with additional hours of real property appraisal practice experience, and/or submit one or more additional reports.

002.14A.1 If the Board requires the completion of additional education, the applicant will be notified of the conditions for the additional education in writing.

002.14A.2 If the Board requires the submission of one or more supplemental real property appraisal practice experience logs, the applicant will be notified of the conditions for the supplemental log(s) in writing. The Board may select a representative sampling of one or more additional report(s) for review from any supplemental log requested by the Board to qualify the real property appraisal practice experience. If the Board selects any additional report(s) from a supplemental log:

002.14A.2a The applicant will be notified of the Board selected report(s) in writing, and will have 10 business days from the date of receipt of the notification to submit a true copy of each report to the Board's office. The Board may require the applicant to submit additional details or to submit additional reports or file memoranda prepared by the applicant.

002.14A.2b Each additional report requested by the Board will be, at a minimum, reviewed for conformity with the Uniform Standards of Professional Appraisal Practice. At the Board's discretion, the Board may enter into a contract with a qualified disinterested third party certified real property appraiser for completion of an appraisal review assignment on any of the requested reports to assist the Board with its review. The applicant is responsible for any costs incurred by the Board for such review.

002.14A.3 If the Board requires submission of one or more additional reports, the applicant will be notified of the conditions for the additional report(s) in writing:

002.14A.3a Upon receipt of the requested report(s), the Board may require the applicant to submit additional details or to submit additional reports or file memoranda prepared by the applicant.

002.14A.3b Each additional report requested by the Board will be, at a minimum, reviewed for conformity with the Uniform Standards of Professional Appraisal Practice. At the Board's discretion, the Board may enter into a contract with a qualified disinterested third party certified real property appraiser for completion of an appraisal review assignment on any of the requested reports to assist the Board with its review. The applicant is responsible for any costs incurred by the Board for such review.

002.14B If the applicant's real property appraisal practice experience is not acceptable upon review of the additional education, supplemental real property appraisal practice experience log(s), and/or additional report(s), the Board may deny the application.

002.15 Verification of the applicant's real property appraisal practice experience may be obtained from other persons as needed, and the applicant may be required to submit additional details, reports or file memoranda.

002.16 When making a determination that an applicant may or may not meet the applicable real property appraisal practice experience requirements all information received will be considered, including but not limited to real property appraisal practice experience logs, appraisal review reports, reports submitted by the applicant, any written responses received,

any other details or file memoranda, any subsequent education requested by the Board to be completed by the applicant, and any information obtained during an informal meeting between the Board or its representative(s) and the applicant. An appraisal review report completed to assist the Board with its evaluation of the applicant's experience is not the sole factor in the Board's decision, but a tool utilized by the Board to assist with its decision.

004.01M The Board may deny an application for approval as a supervisory real property appraiser at any time during the process if the Board finds that the supervisory real property appraiser applicant, or the trainee real property appraiser, fails to meet the requirements in the Act and/or this Title that pertain to approval as a trainee real property appraiser and/or approval as a supervisory real property appraiser. Before submitting a new application, the supervisory real property appraiser applicant and/or the trainee real property appraiser may be required by the Board to:

new application for the supervisory real property appraiser applicant. The supervisory real property appraiser applicant must meet the requirements pertaining to approval as a supervisory real property appraiser in place at the time a new application is submitted to the Board.

004.01O If disciplinary action is taken against a supervisory real property appraiser by the Board, or any other appraiser regulatory agency in any other jurisdiction, the supervisory real property appraiser's approval will be revoked as of the date of action by the Board or other jurisdiction.

004.01P Any certified real property appraiser that has been approved by the Board as a supervisory real property appraiser, and is currently acting in a supervisory capacity for one or more trainee real property appraisers, may use the title supervisory real property appraiser or designation "S.A." in conjunction with his or her name.

004.02D If an official copy of the test results is provided within twelve months from the date the applicant was approved to sit for examination showing that he or she has successfully passed the National Uniform

Licensing and Certification Examination, the application will be considered a completed application and the applicant is approved for issuance of a credential as a licensed residential, certified residential, or certified general real property appraiser.

004.02E Within thirty days of approval that the applicant may be issued a credential as a licensed residential, certified residential, or certified general real property appraiser, an applicant shall pay a non-refundable credentialing fee of \$300.00 before the applicant is authorized to act as a real property appraiser within the applied for classification in this State.

004.02J If the Board denies an application for any reason excluding the national criminal history record check, the applicant may file a new application, and if so, meet the requirements in place at the time a new application is submitted to the Board. If a new application for

credentialing in the same classification is received within one year of the Board's denial of a previous application by the applicant, and one or more reports were reviewed for conformity with the Uniform Standards of Professional Appraisal Practice by a qualified disinterested third party certified real property appraiser to assist the Board with evaluation of the applicant's experience for that previous application, the applicant shall pay any cost(s) associated with any report(s) reviewed in accordance with Section 002 of this Chapter.

004.02K If the fingerprint-based national criminal history record check result is the basis for denial, the applicant is entitled to a copy of his or her national criminal history record, and an opportunity to dispute the result.

001.04 Evidence of participation as a student in each board-approved education activity submitted for continuing education credit includes a document of completion from the education provider that affirms successful completion of each activity.

001.05 Evidence of attendance at an education activity sponsored or conducted by the Board submitted for continuing education credit includes a document of completion from the Board that affirms attendance of such activity. The document is required to include the name of credential holder, name of activity, location of activity, activity attendance date(s), number of hours completed, and signature of the Board's director.

001.06 Evidence of participation, other than as a student, in real property appraisal practice education processes and programs includes a written description of the process or program and the credential holder's

#### 001.09 Individual Program of Continuing Education

001.09A The Board may adopt an individual program of continuing education for a credential holder, that is compliant with Appraiser Qualifications Board criteria for continuing education, upon receipt of a written request from the credential holder explaining:

#### 001.11 Supervisory Real Property Appraiser Status

001.11A The supervisory real property appraiser status for any credential holder that fails to meet the requirements for renewal by December 31 of his or her designated year is immediately revoked as the credential holder no longer meets the requirements as a supervisory real property appraiser. Any trainee real property appraiser under the supervisory real property appraiser's supervision will be notified in writing that the supervisory real property appraiser is no longer eligible to engage in real property appraisal practice.

001.11B If the credential holder successfully completes the requirements for renewal prior to July 1, his or her supervisory real property appraiser status is reinstated. Both the supervisory real property appraiser and the trainee real property appraiser will be notified in writing of the reinstatement and of the period of time in which the trainee real property appraiser's experience is not acceptable for experience credit for credentialing as a real property appraiser.

001.11C If the credential holder fails to successfully complete the requirements for renewal prior to July 1, the trainee real property appraiser may submit a new application for the approval of the credential holder if he or she obtains a credential as a real property appraiser issued under the Real Property Appraiser Act after July 1.

## **002 CRIMINAL HISTORY RECORD CHECK**

002.01 Any credential holder randomly selected to submit, along with the application for renewal, two copies of legible ink-rolled fingerprint cards or equivalent electronic fingerprint submissions to the Board will be notified by certified mail no later than June 30 of the year in which the credential holder was selected for the criminal history record check.

## **003 APPLICATION**

A credential issued under the Real Property Appraiser Act other than a temporary credential remains in effect until December 31 of the designated year unless surrendered, revoked, suspended, or canceled prior to such date. A credential, other than a trainee real property appraiser credential, may be renewed for one or two years; the trainee real property appraiser credential remains in effect until December 31 of the second year of the two-year continuing education period. The entire two-year continuing education period must be satisfactorily completed prior to renewing a credential for a two-year period.

003.05 If a criminal history record check report has not been returned to the Board's office by the State Patrol prior to December 31, and all other requirements for renewal in the Act and this Title are met prior to November 30, a credential may be renewed contingent upon the results of the criminal history record check report.

003.06 Upon renewal the credential holder will be issued:

- (1) A notification informing him or her of his or her status as a Nebraska real property appraiser, and
- (2) Instructions to access his or her credentialing card.

003.07 The renewal application may be denied at any time during the process if the applicant fails to meet the requirements in the Act and this Title that pertain to renewal of a credential. If a renewal application is denied for any reason excluding the national criminal history record check, the applicant may file a new application for credentialing, and if so, meet the credentialing requirements in place at the time the new application is submitted to the Board.

003.08 If the fingerprint-based national criminal history record check result is the basis for denial, the credential holder is entitled to a copy of his or her national criminal history record, and an opportunity to dispute the result.

003.08A In order to receive a copy of such record, the credential holder shall:

003.08A.1 In person, complete a form approved by the Board that relieves the Board from any liability related to the release of the national criminal history record; and

### **CHAPTER 6 - EDUCATION PROVIDER ACTIVITY REQUIREMENTS**

#### **001 GENERAL**

001.01 The Board may at any time conduct an audit of any approved education activity to verify that the activity is being conducted in accordance with the Act and this Title as approved.

001.02 The Board may at any time review activity and instructor materials approved by the Appraiser Qualifications Board of The Appraisal Foundation through its Course Approval Program to verify that the activity and/or instructor(s) meet the requirements of the Act and this Title as approved.

001.03 Approval of activities does not transfer from one education provider to another, unless one education provider obtains the legal rights to all activities of another education provider. The expiration date of any continuing education activity will remain the same as approved under the previous education provider.

001.04 Education providers and instructors will comply with the Nebraska Private Postsecondary Career Schools Act, NEB. REV. STAT § 85-1601, et seq. as applicable.

001.05 Nothing in this Chapter may be construed to preclude education activities sponsored or conducted by the Board from being accepted as qualifying education or continuing education.

001.06 The Board maintains a schedule of education activities on its website as a tool to notify future applicants and current credential holders of upcoming education activities. Although education providers may provide notice to the Board of upcoming qualifying education activities, continuing education activities, and supervisory real property appraiser and trainee courses for inclusion on the schedule, the education provider is responsible for scheduling and notifying future applicants and current credential holders of upcoming education activities offered by the education provider.

001.07 All activities shall contain current material, theory, methodologies, and Uniform Standards of Professional Appraisal Practice requirements. Activities that include Uniform Standards of Professional Appraisal Practice citations and references must be updated as necessary to reflect changes in the Uniform Standards of Professional Appraisal Practice.

001.08 All activities shall be conducted in conformance with the materials, presentation methodologies, and policies as approved.

001.09 No activity may rely upon a textbook as the primary instructional material. Textbooks are permitted to be used as a background reference for an activity; however, textbooks will not be reviewed as the activity. All activities must contain sufficient stand-alone instructional materials supporting the specific activity learning objectives.

001.10 Fifty minutes engaged in instruction equals one hour for all activities. The prescribed number of activity hours includes time for examinations.

001.11 Except for qualifying education included as curriculum in a degree program of an accredited college or university that has had all or part of its curriculum approved by the Appraiser Qualifications Board of The Appraisal Foundation, one semester credit hour received from an accredited college or university equals fifteen classroom hours of instruction.

001.12 A document certifying completion will be issued to each attendee upon completion of any activity. ## **003 VIOLATION OF THE AMC REGISTRATION ACT**

003.01 All registered appraisal management companies and all applicants for a registration in the State of Nebraska are subject to the complaint procedures established by this Chapter for any alleged violations of the AMC Act, the standards established by this Title, or of this Title. Such procedure shall not suspend or preclude any other proceedings otherwise allowed by the AMC Act or by other law.

003.02 If technical assistance is required to assist with the investigation and/or hearing, the Board may contract with or use qualified individuals or companies. A member of the Board may participate in the investigation; however, no board member may vote on any matter in which he or she was appointed by his or her fellow board members to participate in an investigation. Any person under contract with the Board to provide technical

assistance for an investigation reports his or her findings to the Board's investigator as requested.

003.03 Upon receipt of a grievance not filed by the Board, the following steps are generally followed:

003.03A If applicable, the aggrieved person is notified in writing that the grievance has been received, and provided the investigation number assigned to the grievance and directions to follow the matter through the minutes of the Board meetings in which the grievance is discussed.

003.03B The person against whom the grievance is filed is notified in writing of the grievance and the allegations, and may be requested to answer the allegations in writing, electronically, or verbally within an appropriate period of time as determined by the investigator.

003.03C The Board's investigator evaluates the grievance, along with any information obtained pursuant to Section 003.03B of this Chapter, to determine jurisdiction and to make a preliminary determination as to whether any violations of the AMC Act or this Title have been alleged. Upon conclusion of the evaluation, the investigator will make a presentation to the Board as to whether sufficient evidence exists to proceed with an investigation.

003.03D The Board reviews the evidence provided by the investigator and determines whether the allegation(s) should be dismissed, or whether the allegation(s) should be investigated.

003.03D.1 If the Board determines that the allegations(s) should be investigated, the person under investigation is notified of the investigation and any alleged violations of the AMC Act or this Title in writing; or

003.03D.2 If the Board determines that the allegation(s) should be dismissed, the person under investigation is notified of dismissal in writing.

003.04 For a grievance filed by the Board, the following steps are generally followed:

003.04A The person against whom the Board is considering filing a grievance is notified in writing of the Board's concerns, and may be requested to submit information within an appropriate period of time as determined by the investigator.

003.04B The Board's investigator evaluates the matter, along with any information obtained pursuant to Section 003.04A of this Chapter, to determine jurisdiction and make a preliminary determination as to whether any violations of the AMC Act or this Title have been alleged. Upon conclusion of the evaluation, the investigator will make a presentation to the Board as to whether sufficient evidence exists to proceed with an investigation.

003.04C The Board reviews the evidence provided by the investigator and determines whether the matter should be investigated.

003.04C.1 If the Board determines that the matter should be investigated, the Board files a grievance and notifies the person under investigation of grievance, including any alleged violations of the AMC Act or this Title in writing; or

003.04C.2 If the Board determines that the matter should not be investigated, notice of such determination is provided to the person against whom the Board was considering filing a grievance.

003.05 If the Board determines to proceed with an investigation, the following steps are generally followed:

003.05A In conducting an investigation, and prior to filing a formal complaint on the grievance, the person who is under investigation may be requested to:

003.05A.1 Submit documentation, including but not limited to, report(s) and workfile(s), appraisal review report(s), AMC appraiser panel information, Uniform Standards of Professional Appraisal Practice compliance, AMC appraiser fees, and record of AMC appraiser valuation services within an appropriate period of time as determined by the investigator; and/or

003.05B In conducting an investigation, the aggrieved person may be requested to:

003.05B.1 Submit documentation as requested;

003.05B.2 Respond to any request for information in writing, electronically, or verbally as determined by the investigator; and/or,

003.05B.3 Discuss the allegations with the investigator.

003.05C In conducting an investigation, the investigator may interview or request information in writing, electronically, or verbally as determined by the investigator, from any other person.

003.05E If the investigation reveals that there is not good cause to believe that the person under investigation has violated the AMC Act or

this Title, or the violation(s) is/are minor in nature as determined by the Board, the matter will be dismissed and no formal complaint will be initiated by the Board. Upon dismissal, the Board may issue an advisory opinion, or recommend a specific action that the Board deems beneficial to the person under investigation.

003.05F If the investigation discloses evidence that the actions of the person under investigation constitute a violation of the AMC Act or this Title, a formal complaint may be prepared by the Board.

003.06 The Board may enter into a consent agreement or negotiated settlement at any time before or after filing a formal complaint. Voluntary surrender or nonrenewal of a registration to avoid or expedite enforcement or disciplinary action does not preclude any enforcement action or sanction for any alleged violation and will prohibit the person under investigation from applying for subsequent reinstatement or registration.

003.07 Disciplinary action taken by the Board may include but is not limited to:

All real property appraisal practice experience requirements in place at the time application is made to the Board are applicable regardless of the real property appraisal practice experience log format submitted.

002.09C A separate real property appraisal practice log shall be maintained by a trainee real property appraiser for each of his/her board-designated supervisory real property appraisers. It is the responsibility of both the supervisory real property appraiser and the trainee real property appraiser to ensure the log is accurate, current, and complies with the requirements of the Act and this Title. When the trainee real property appraiser is under the direct supervision of more than one supervisory real property appraiser while engaged in real property appraisal practice for an assignment, each log shall reflect the specific number of hours and description of work performed in that real property appraisal practice assignment with each supervisory real property appraiser.

002.10 A trainee real property appraiser is entitled to obtain copies of reports he or she has prepared and workfiles for those reports. The supervisory real property appraiser shall keep copies of reports for a period of five years, or at least two years after the final disposition of any judicial proceedings in which the real property appraiser provided testimony related to the real property appraisal practice assignment, whichever period expires last.

002.11 Pursuant to NEB. REV. STAT. §§ 76-2230 (1)(c)(i), 76-2231.01 (1)(e)(i), and 76-2232 (1)(e)(i), the aggregate number of real property appraisal practice experience hours considered for evaluation includes those hours reported on each real property appraisal practice experience log submitted by the applicant beginning at the log entry indicating the earliest date on which real property appraisal practice experience was obtained and ending on the date the application for credentialing as a licensed residential, certified residential, or certified general real property appraiser was signed by the applicant.

002.12A A minimum of three reports will be selected from the real property appraisal practice experience log for review to qualify the real property appraisal practice experience. The following additional criteria are applied to the report selection for each classification level of credential:

002.12C At least one of the three requested reports will be, at a minimum, reviewed for conformity with the Uniform Standards of Professional Appraisal Practice. The Board may enter into a contract with a qualified disinterested third party certified real property appraiser for completion of an appraisal review assignment on any of the requested reports at no cost to the applicant.

002.13 Upon the receipt of appraisal review assignment results provided by one or more third party certified real property appraisers under contract with the Board, and the findings of the appraisal review assignment results are found to be null or insignificant by the director, an applicant's real property appraisal practice experience will be reviewed by a subcommittee consisting of two board members established by the Board for determination as to whether the applicant's real property appraisal practice experience is acceptable in accordance with the Act and this Chapter.

002.13A If the subcommittee finds that the applicant's real property appraisal practice experience meets the requirements of the Act and this Chapter, the subcommittee will notify the director of its decision. The subcommittee may authorize the director to notify the applicant of any appraisal review assignment results and issue a written advisory regarding any appraisal review assignment results.

002.13B If the subcommittee finds that the applicant may not meet one or more of the requirements of the Act or this Chapter, the application shall be placed before the Board for consideration.

002.14 If the Board determines an applicant may not meet the real property appraisal practice experience requirements, the applicant will be notified in writing. The Board may, at its discretion, request a written response from the applicant to the Board's findings as to the applicant's real property appraisal practice experience and/or invite the applicant to meet to discuss any deficiencies found in the report(s). Upon conclusion of the meeting, the Board may re-evaluate the applicant's real property appraisal practice experience.

002.14A If the applicant's real property appraisal practice experience is not acceptable to the Board, the Board may, at its own discretion, require the applicant to obtain additional education, and/or submit one or more supplemental real property appraisal practice experience logs with additional hours of real property appraisal practice experience, and/or submit one or more additional reports.

002.14A.2 If the Board requires the submission of one or more supplemental real property appraisal practice experience logs, the applicant will be notified of the conditions for the supplemental log(s) in writing. The Board may select a representative sampling of one or more additional report(s) for review from any supplemental log requested by the Board to qualify the real property appraisal practice experience. If the Board selects any additional report(s) from a supplemental log:

002.14A.2a The applicant will be notified of the Board selected report(s) in writing, and will have 10 business days from the date of receipt of the notification to submit a true copy of each report to the Board's office. The Board may require the applicant to submit additional details or to submit additional reports or file memoranda prepared by the applicant.

002.14A.2b Each additional report requested by the Board will be, at a minimum, reviewed for conformity with the Uniform Standards of Professional Appraisal Practice. At the Board's discretion, the Board may enter into a contract with a qualified disinterested third party certified real property appraiser for completion of an appraisal review assignment on any of the requested reports to assist the Board with its review. The applicant is responsible for any costs incurred by the Board for such review.

002.14A.3 If the Board requires submission of one or more additional reports, the applicant will be notified of the conditions for the additional report(s) in writing:

002.14A.3a Upon receipt of the requested report(s), the Board may require the applicant to submit additional details or to submit additional reports or file memoranda prepared by the applicant.

002.14A.3b Each additional report requested by the Board will be, at a minimum, reviewed for conformity with the Uniform Standards of Professional Appraisal Practice. At the Board's discretion, the Board may enter into a contract with a qualified disinterested third party certified real property appraiser for completion of an appraisal review assignment on any of the requested reports to assist the Board with its review. The applicant is responsible for any costs incurred by the Board for such review.

002.14B If the applicant's real property appraisal practice experience is not acceptable upon review of the additional education, supplemental real property appraisal practice experience log(s), and/or additional report(s), the Board may deny the application.

002.15 Verification of the applicant's real property appraisal practice experience may be obtained from other persons as needed, and the applicant may be required to submit additional details, reports or file memoranda.

002.16 When making a determination that an applicant may or may not meet the applicable real property appraisal practice experience requirements, all information received will be considered, including but not limited to real property appraisal practice experience logs, appraisal review reports, reports submitted by the applicant, any written responses received, any other details or file memoranda, any subsequent education requested by the Board to be completed by the applicant, and any information obtained during an informal meeting between the Board or its representative(s) and the applicant. An appraisal review report completed to assist the Board with its evaluation of the applicant's experience is not the sole factor in the Board's decision, but a tool utilized by the Board to assist with its decision.

## CHAPTER 6 - EDUCATION PROVIDER ACTIVITY REQUIREMENTS

### 001 GENERAL

001.01 The Board may at any time conduct an audit of any approved education activity to verify that the activity is being conducted in accordance with the Act and this Title as approved.

001.02 The Board may at any time review activity and instructor materials approved by the Appraiser Qualifications Board of The Appraisal Foundation through its Course Approval Program to verify that the activity and/or instructor(s) meet the requirements of the Act and this Title as approved.

001.03 Approval of activities does not transfer from one education provider to another, unless one education provider obtains the legal rights to all activities of another education provider. The expiration date of any continuing education activity will remain the same as approved under the previous education provider.

001.04 Education providers and instructors will comply with the Nebraska Private Postsecondary Career Schools Act, NEB. REV. STAT § 85-1601, et seq. as applicable.

001.05 Nothing in this Chapter may be construed to preclude education activities sponsored or conducted by the Board from being accepted as qualifying education or continuing education.

001.06 Nothing in this Chapter may be construed to preclude education providers from surrendering approval of education activities. ~~The Board maintains a schedule of education activities on its website as a tool to notify future applicants and current credential holders of upcoming education activities. Although education providers may provide notice to the Board of upcoming qualifying education activities, continuing education activities, and supervisory real property appraiser and trainee courses for inclusion on the schedule, the education provider is responsible for scheduling and notifying future applicants and current credential holders of upcoming education activities offered by the education provider.~~

001.07 All activities shall contain current material, theory,

methodologies, and Uniform Standards of Professional Appraisal Practice requirements. Activities that include Uniform Standards of Professional Appraisal Practice citations and references must be updated as necessary to reflect changes in the Uniform Standards of Professional Appraisal Practice.

001.08 All activities shall be conducted in conformance with the materials, presentation methodologies, and policies as approved.

001.09 No activity may rely upon a textbook as the primary instructional material. Textbooks are permitted to be used as a background reference for an activity; however, textbooks will not be reviewed as the activity. All activities must contain sufficient stand-alone instructional materials supporting the specific activity learning objectives.

001.10 ~~Fifty minutes engaged in instruction equals one hour for all activities.~~ The prescribed number of activity hours includes time for examinations. Education activity hours are determined as follows:

001.10A For a timed outline in a schedule format, where sixty minutes equals one hour in Coordinated Universal Time, the start time and the end time is utilized to determine the total minutes engaged in instruction. Breaks, meal periods, and time not engaged in instruction are removed. Fifty minutes engaged in instruction out of each sixty minute segment equals one hour.

001.10B For a timed outline in a non-schedule format, where each topic is assigned a specific duration, each minute engaged in instruction is utilized to determine the total minutes engaged in instruction. Fifty minutes engaged in instruction equals one hour.

001.11 Except for qualifying education included as curriculum in a degree program of an accredited college or university that has had all or part of its curriculum approved by the Appraiser Qualifications Board of The Appraisal Foundation, one semester credit hour received from an accredited college or university equals fifteen classroom hours of instruction.

001.12 A document certifying completion will be issued to each attendee upon completion of any activity. The document may be transmitted to the attendee in person, by mail, by email, or by any other electronic means that are secure. The document is required to include the name of education provider, signature of education provider and/or

instructor, name of activity as approved, location at which activity was conducted or presentation method, date(s) activity was conducted, number of hours, pass or fail statement, and name of attendee, or be an official transcript from a university or college that includes the name of activity as approved, the number of credit hours awarded, and the name of the attendee.

001.13 Education providers shall maintain a record of attendance for each activity for a period of at least five years.

001.14 Secondary providers shall obtain written evidence that the rights to an activity have been purchased or lawfully acquired from the education provider that owns rights to activity materials.

### 001.15 Distance Education Activities

001.15D All website links must be valid and active for a distance education activity at the time such activity is offered to the public.

001.15E At the Board's request, a transcript of the distance education activity must be provided to the Board.

001.15G Delivery mechanism approval must be obtained from one of the following sources for an asynchronous distance education activity or a hybrid distance education activity in which the learning environment includes asynchronous interaction:

001.15G.1 The Appraiser Qualifications Board of The Appraisal Foundation;

### 002 VIOLATION OF REAL PROPERTY APPRAISER ACT

002.01 Any person in the State of Nebraska is subject to the procedures established by this Chapter for any alleged violations of the Act, the standards established by this Title, or of this Title. Such procedure shall not suspend or preclude any other proceedings otherwise allowed by the Act or by other law.

002.02 If technical assistance is required to assist with the investigation and/or hearing, the Board may contract with or use a qualified person. A member of the Board may participate in the investigation; however, no board member may vote on any matter in which he or she is appointed by his or her fellow board members to participate in an investigation. Any person in contract with the Board to provide technical assistance

for an investigation reports his or her findings to the Board s investigator as requested.

002.03 Upon receipt of a grievance not filed by the Board, the following steps are generally followed:

002.03A If applicable, the aggrieved person will be notified in writing that the grievance has been received, and provided the investigation number assigned to the grievance and directions to follow the matter through the minutes of the Board meetings in which the grievance is discussed.

002.03B The person against whom the grievance is filed will be notified in writing of the grievance and the allegations, and may be requested to:

002.03B.1 Submit true copies of report(s) and workfile(s), within an appropriate period of time as determined by the investigator; and/or

002.03B.2 Answer the allegations in writing, electronically, or verbally as determined by the investigator.

002.03C The Board s investigator evaluates the grievance, along with any information obtained pursuant to Section 002.03B of this Chapter, to determine jurisdiction and make a preliminary determination as to whether any violations of the Act or this Title have been alleged. Upon conclusion of the evaluation, the investigator will make a presentation to the Board as to whether sufficient evidence exists to proceed with an investigation.

002.03D The Board reviews the evidence provided by the investigator and determines whether the allegation(s) should be dismissed, or whether the allegation(s) should be investigated.

002.03D.1 If the Board determines that the allegations(s) should be investigated, the person under investigation will be notified of the investigation and any alleged violations of the Act or this Title in writing; or

002.03D.2 If the Board determines that the allegation(s) should be dismissed, the person under investigation will be notified of dismissal in writing.

002.04 For a grievance filed by the Board, the following steps are generally followed:

002.04A The person against whom the Board is considering filing a grievance will be notified in writing of the Board's concerns, and may be requested to submit true copies of report(s) and workfile(s), along with other information, within an appropriate period of time as determined by the investigator.

002.04B The Board's investigator evaluates the matter, along with any information obtained pursuant to Section 002.04A of this Chapter, to determine jurisdiction and make a preliminary determination as to whether any violations of the Act or this Title have been alleged. Upon conclusion of the evaluation, the investigator will make a presentation to the Board as to whether sufficient evidence exists to proceed with an investigation.

002.04C The Board reviews the evidence provided by the investigator and determines whether the matter should be investigated.

002.04C.1 If the Board determines that the matter should be investigated, the Board files a grievance and notifies the person under investigation of grievance, including any alleged violations of the Act or this Title in writing; or

002.04C.2 If the Board determines that the matter should not be investigated, notice of such determination is provided to the person against whom the Board was considering filing a grievance.

002.05 If the Board determines to proceed with an investigation, the following steps are generally followed:

002.05A In conducting an investigation, and prior to filing a formal complaint on the grievance, the person who is under investigation may be requested to:

002.05A.1 Submit additional documentation within an appropriate period of time as determined by the investigator; and/or

002.05A.2 Provide a response to the results of one or more

technical reviews, and/or provide any other information concerning the investigation, in writing, electronically, or verbally as determined by the investigator.

002.05B In conducting an investigation, the aggrieved person may be requested to:

002.05B.1 Submit documentation and other information as requested;

002.05B.2 Respond to any request for information in writing, electronically, or verbally as determined by the investigator; and/or,

002.05B.3 Discuss the allegations with the investigator.

002.05C In conducting an investigation, the investigator may interview or request information in writing, electronically, or verbally as determined by the investigator, from any other person.

002.05D Upon the conclusion of an investigation, the Board's investigator may prepare an investigative report. The report includes documentation that supports the findings as needed to dismiss the allegation(s), or:

002.05D.1 In the case of a credential holder, file a formal complaint.

002.05D.2 In the case of a person not holding a credential under the Act, issue a cease and desist order or refer the investigation to the appropriate county attorney for the consideration of formal charges.

002.05E.1 In the case of a credential holder, file a formal complaint.

002.05E.2 In the case of a person not holding a credential under the Act, issue a cease and desist order or refer the

investigation to the appropriate county attorney for the consideration of formal charges.

Upon dismissal, the Board may issue an advisory opinion, recommend a specific education activity, request to meet with the person under investigation to discuss the matter, or make any other recommendation that the Board deems beneficial to the person under investigation.

002.05G If the investigation discloses evidence that the actions of the person under investigation constitute a violation of the Act or this Title:

002.05G.1 A formal complaint is prepared by the Board and served upon the credential holder under investigation.

002.05G.2 A cease and desist order may be prepared by the Board and served upon the non-credential holder under investigation.

002.06 The Board may enter into a consent agreement or negotiated settlement at any time during an investigation, any time before a cease and desist order is issued in the case of a person not holding a credential under the Act, or any time after filing a formal complaint for any person credentialed under the Act. Voluntary surrender or nonrenewal of a credential or education activity to avoid or expedite enforcement or disciplinary action does not preclude any enforcement action or sanction for any alleged violation. In addition, voluntary surrender or nonrenewal of a credential will prohibit the credential holder from applying for subsequent reinstatement or credentialing.

002.07 Disciplinary action taken by the Board may include but is not limited to:

- (1) Revocation of a credential or education activity,
- (2) Suspension of a credential or education activity,

STAT. § 76-2248.01, at any time during or upon completion of an investigation, whenever in the judgement of the Board, any person has engaged or is about to engage in any acts or practices which constitute or will constitute a violation of the Act or this Title, the Board may request that Attorney General maintain an action in the name of the State of Nebraska to abate and temporarily and permanently enjoin such acts and practices and to enforce compliance with the Act or this Title.

#### 002.09 Supervisory Real Property Appraiser

002.09A If any report submitted to the Board by a trainee real property appraiser for verification of experience as an applicant for credentialing is found to contain Uniform Standard of Professional Appraisal Practice deficiencies, the supervisory real property appraiser is notified of the Board's concerns, and is provided a redacted copy of any technical review of the subject report completed at the request of the Board.

**SUBJECT:** Software Specific Training

**LEGAL REFERENCE:** Neb. Rev. Stat. § 76-2236 (11) (Laws 2016, LB731, § 17);

## SUMMARY OF ACTION

Approved by the Board at its July 19, 2016 meeting as Board Policy 16-01. Board Policy 16-01 was retired by the Board on May 24, 2017. Guidance Document 17-02 was adopted by the Board at its June 15, 2017 meeting as presented.

## BACKGROUND

Excerpt from July 19, 2016 meeting of the Nebraska Real Property Appraiser Board: *Director Kohtz presented new Board Policy 16-01 concerning approval of software specific training as a continuing education activity to the Board for consideration. Attention was brought to the use of “meeting” on the second to last line. The Director acknowledged that this was a spelling error, and it should be “meet.” The Director informed the Board that the error will be corrected. With no further discussion, Board Member Hynek made a motion to approve Board Policy 16-01 as amended. The motion was seconded by Langemeier, and carried with Bloxham, Hynek, Langemeier, Gutwein, and Woodle voting aye.*

LB 867, enacted by the Legislature in 2016, makes a number of changes to the rulemaking provisions of the Administrative Procedure Act ["APA"], Neb. Rev. Stat. §§ 84-901 to 84-918 (2014, and Cum. Supp. 2016). Agencies are authorized to issue "guidance documents," which are defined to "mean any statement developed by an agency which lacks the force of law but provides information or direction of general application to the public to interpret or implement statutes or such agency's rules or regulations." Guidance documents are binding on an agency until amended by the agency, and shall not give rise to any legal right or duty or be treated as authority for any standard, requirement, or policy. Guidance documents replace the Nebraska Real Property Appraiser Board's prior use of board policies to provide direction to the public, and to interpret or implement statutes and rules.

## **ANALYSIS**

Board Policy 16-01, which was adopted by the Board on July 19, 2016, was retired by the Board on May 24, 2017 to implement the former board policy as a guidance document.

## **GUIDANCE**

In accordance with Neb. Rev. Stat. § 76-2236 (11), any continuing education activity approved by the Board shall, as determined by the Board, protect the public and contribute to a credential holder's development of appraiser related competency. An activity in which the primary purpose is training in the use of a specific software, and not utilization of a software to improve competency in appraisal practice; valuation methodology and/or techniques; market fundamentals, characteristics, conditions and analysis; real property concepts, characteristics and analysis; communication; computation; and/or legal considerations, does not meet the requirements for approval as a continuing education activity.

Director Kohtz informed the Board that after discussions with Chairman Barkley and Vice-Chairman Kubert, the language “not be in substantial compliance with USPAP” will be replaced with “contain USPAP deficiencies” in the first sentence. The Board agreed with this change. There was no discussion pertaining to drafted Board Policy 14-04. ## ANALYSIS

Board Policy 06-10, which was adopted by the Board on September 21, 2006, was retired by the Board on May 24, 2017 to implement the former board policy as a guidance document. Neb. Rev. Stat. §§ 84-712 to 84-712.09 includes all public records laws that each state agency must comply with; except for Neb. Rev. Stat. § 84-712.05, the need to cite individual sections in the guidance does not exist. N.R.S. § 84-712.05 is the basis for a specific guidance on interpretation of this law, which is why it is specifically included in this guidance. All other statutory references are removed in the guidance.

The reference to “regulations” in Board Policy 06-10 is ambiguous. There was no mention of any specific provision of the Nebraska Administrative Code during the discussion that led to adoption of Board Policy 06-10, and no known regulations pertaining to public records that binds the Board exist. Due to the possibility of binding the Board to unknown regulations, the reference to “regulations” is removed in the guidance.

Finally, there was no mention of any specific federal statutes during the initial discussion that led to adoption of Board Policy 06-10. Many federal laws pertaining to public records exist; the most well-known being the Freedom of Information Act (“FOIA”). FOIA was signed into law by President Lyndon B. Johnson on July 4, 1966 as 5 USC § 522. FOIA is a federal law that allows for disclosure of previously unreleased information controlled by the United States Government, and defines what federal information and to what extent that documentation should be made available to the public. FOIA does not apply to state governments. Due to the possibility of binding the Board to FOIA and other federal public records statutes, the reference to “federal” statutes is removed in the guidance.

For the purpose of this guidance, the following language changes are made to Board Policy 06-10:

*The Board shall comply fully with all applicable ~~federal and~~ state statutes ~~and regulations~~ which govern public records, ~~including but not limited to Neb. Rev. Stat. §§ 84-712, 84-712.01, and 84-712.03, 84-712.09.~~*

## GUIDANCE

The Board shall comply fully with all applicable state statutes which govern public records. Absent exceptional circumstances consistent with its duties as determined by the Board, the Board shall withhold from the public those records specified in N.R.S. § 84-712.05 to the fullest extent permitted by law. “Exceptional circumstances” shall normally be limited to requests from other public entities, such as the Board’s counterparts in other states, which demonstrate a need for the information contained in such records and which commit to the board that they shall not further disclose the requested information except in open court, open administrative proceedings, or in enforcement proceedings.

This guidance document is advisory in nature but is binding on the Nebraska Real Property Appraiser Board (“Board”) until amended or repealed by the Board. A guidance document does not include internal procedural documents that only affect the internal operations of the Board and does not impose additional requirements or penalties on regulated parties or include confidential information or rules and regulations made in accordance with the Administrative Procedure Act. If you believe that this guidance document imposes additional requirements or penalties on regulated parties, you may request a review of the document (Neb. Rev. Stat. § 84-901.03 (2)).

**SUBJECT:** Consideration of Disciplinary Action Imposed Against a Real Property Appraiser by Another Appraiser Regulator Agency

**LEGAL REFERENCE:** Neb. Rev. Stat. § 76-2227(4)(c), (5) (Laws 2016, LB731, § 9); Neb. Rev. Stat. § 76-2228.02(1)(c), (3) (Laws 2014, LB717, § 16); Neb. Rev. Stat. § 76-2230(3)(a)(ii)(B) (Laws 2019, LB77, § 6); Neb. Rev. Stat. § 76-2238(1), (2), (12), (19), (21) (Laws 2015, LB139, § 59); 298 NAC Chapter 6, § 005.01D.2 (2019)

## SUMMARY OF ACTION

Adopted by the Board at its August 15, 2019 meeting.

## BACKGROUND

The appraiser credential renewal laws and regulations of an appraiser regulatory agency in another jurisdiction (“Subject Appraiser Regulatory Agency”) require that credentials be issued for a two-year period. However, the laws and regulations also require that the credential holder pay appraiser credentialing fees annually. This places an undue burden on the credential holder to pay the annual credentialing fee at the end of the first year of the two-year credentialing period. It is the practice of the Subject Appraiser Regulatory Agency to take disciplinary action against any credential holder who fails to pay the annual renewal fee in a timely manner, which includes suspension of his or her credential. The Subject Appraiser Regulatory Agency also reports this disciplinary action to the Appraisal Subcommittee as required in ASC Policy Statement #3, but may not be adequately informing the credential holder of the disciplinary action taken against him or her. This practice by the Subject Appraiser Regulatory Agency creates confusion for the credential holder as to how this disciplinary action must be reported to appraiser regulatory agencies in other jurisdictions. Many credential holders incorrectly report this disciplinary action, which often leads to additional actions by an appraiser regulatory agency.

The Appraisal Foundation addressed this very issue in its updated Real Property Appraiser Qualifications Criteria effective on January 1, 2020 ("2020 Criteria"). On page 13 of the 2020 Criteria, The Appraisal Foundation added a new interpretation that applies to the eligibility of supervisory appraisers who have received disciplinary sanctions for "administrative" reasons, as opposed to sanctions that were "practice-based." Specifically, sanctions imposed as a result of administrative actions not related to an individual's obligations of ethical and competent appraisal practice do not disqualify a credential holder from being a supervisory appraiser. According to the 2020 Criteria, examples may involve isolated administrative responsibilities including late payment of fees, failure to timely renew a credential, or failure to notify a regulatory office of a change in contact information. The above-mentioned interpretation was added to the 2020 Criteria in consideration of appraiser regulatory agencies denying supervisory appraiser applications or removing supervisory appraiser status because of the action taken by the Subject Appraiser Regulatory Agency.

## **ANALYSIS**

The mission of the Nebraska Real Property Appraiser Board is to administer and enforce the Nebraska Real Property Appraiser Act and Nebraska Appraisal Management Company Registration Act with efficiency, equity, and integrity, to not only ensure that the citizens of Nebraska are protected and served, but also that the appraisal business community is highly qualified through education, experience, and examination. Furthermore, it is the Board's intent that its Enforcement Program is educational in nature when possible. The language in the Real Property Appraiser Act allows the Board to carry out its mission, and specific language pertains to qualifications for real property appraisers, or reasons for the Board to take disciplinary action, as related to applicants and credential holders.

In accordance with Neb. Rev. Stat. § 76-2227, applications for initial credentials, upgrade of credentials, credentials through reciprocity, temporary credentials, and renewal of credentials must: (4)(c) certify that the applicant's appraiser credential, or any other registration, license, or certification, issued by any other regulatory agency or held in any other jurisdiction, has not been revoked or suspended within the five-year period immediately preceding the date of application; and, (5) credentials shall be issued only to persons who have a good reputation for honesty, trustworthiness, integrity, and competence to perform assignments in such manner as to safeguard the interest of the public and only after satisfactory proof of such qualification has been presented to the board upon request and a completed application has been approved.

N.R.S § 76-2228.02(1)(c), (3); N.R.S. § 76-2230(3)(a)(ii)(B); and 298 NAC Chapter 6, § 005.01D.2 all establish specific criteria that would eliminate an applicant from being approved by the Board. In accordance with N.R.S § 76-2228.02(1)(c), an applicant to be a supervisory appraiser must have not successfully completed disciplinary action by the board or any other jurisdiction, which action limited the real property appraiser's legal eligibility to engage in real property appraisal activity within three years immediately preceding the date the written request for approval as supervisory appraiser is submitted by the applicant or trainee real property appraiser on a form approved by the board; and (3) says, that a certified real property appraiser disciplined by the board or any other appraiser regulatory agency in another jurisdiction, which discipline may or may not have limited the real property appraiser's legal eligibility to engage in real property appraisal activity, shall not be eligible as a supervisory appraiser as of the date disciplinary action was imposed against the appraiser by the board or any other appraiser regulatory agency.

298 NAC Chapter 6, § 005.01D.2 requires that an instructor applicant for an education activity that holds a credential as an appraiser, not have had a credential revoked, suspended, or have surrendered a credential in lieu of disciplinary action within three years.

N.R.S. § 76-2230(3)(a)(ii)(B) also requires that an applicant for the certified residential classification upgrading from the licensed classification must not have been subject to a nonappealable disciplinary action by the board or any other jurisdiction, which action limited the real property appraiser's legal eligibility to engage in real property appraisal activity within five years immediately preceding the date of application for the certified residential real property appraiser credential if he or she would like to upgrade without completing additional qualifying education.

Finally, N.R.S. § 76-2238 establishes the acts or omissions considered grounds for disciplinary action or denial of an application by the Board. The following specific statutes apply to this matter:

- (1) Failure to meet the minimum qualifications for credentialing established by or pursuant to the Real Property Appraiser Act;
- (2) Procuring or attempting to procure a credential under the act by knowingly making a false statement, submitting false information, or making a material misrepresentation in an application filed with the board or procuring or attempting to procure a credential through fraud or misrepresentation;
- (12) Any violation of the act or any rules and regulations adopted and promulgated pursuant to the act;
- (19) Suspension or revocation of an appraisal credential or a license in another regulated occupation, trade, or profession in this or any other jurisdiction or disciplinary action taken by another jurisdiction that limits the real property appraiser's ability to engage in real property appraisal activity;
- (21) Failure to report disciplinary action taken against an appraisal credential or any other registration, license, or certification issued by any other regulatory agency or held in any other jurisdiction within sixty days of receiving notice of such disciplinary action;

Although it has been standard practice for the Board to not take adverse action on an application or against a credential holder for an action taken by another appraiser regulatory agency that would not be a violation of the Real Property Appraiser Act, the disciplinary action taken by the Subject Appraiser Regulatory Agency compromises the Board's ability to carry out its mission effectively due to the following:

- (1) The Subject Appraiser Regulatory Agency's disciplinary action results in the suspension of the appraiser's credential, which has immediate ramifications according to the language found in N.R.S § 76-2228.02(1)(c), (3), N.R.S. § 76-2230(3)(a)(ii)(B), and 298 NAC Chapter 6, § 005.01D.2. Under certain conditions, the applicant is disqualified.
- (2) Disciplinary action, with or without a suspension, taken by any appraiser regulatory agency requires additional background work and research by the Board's staff to gather information for the Board to make an informed decision regarding the application or the status of the credential holder. Given the unjust nature of the disciplinary action imposed by the Subject Appraiser Regulatory Agency for this matter, and the volume of such actions, the required background work and research has a negative impact on the Board's operational efficiency.

- (3) The Subject Appraiser Regulator Agency may not be adequately informing the credential holder of the disciplinary action taken against him or her. This practice by the Subject Appraiser Regulatory Agency creates confusion for the credential holder as to how this disciplinary action must be reported, which may result in the Board denying the application for being untruthful.

The Appraisal Foundation is authorized by the U.S. Congress to develop the Real Property Appraiser Qualification Criteria through its Appraiser Qualifications Board. 12 U.S.C. § 3345 specifies the certification and licensing requirements for real property appraisers, which includes the following for the minimum qualifications for a trainee real property appraiser or supervisory appraiser:

*(e) Minimum Qualification Requirements. Any requirements established for individuals in the position of 'Trainee Appraiser' and 'Supervisory Appraiser' shall meet or exceed the minimum qualification requirements of the Appraiser Qualifications Board of The Appraisal Foundation. The Appraisal Subcommittee shall have the authority to enforce these requirements.*

As mentioned in the Background section, The Appraisal Foundation also addressed this very issue in its 2020 Criteria due to appraiser regulatory agencies denying supervisory appraiser applications or removing supervisory appraiser status because of the action taken by the Subject Appraiser Regulatory Agency.

## **GUIDANCE**

Due to the unjust burden placed on a credential holder to accurately report such action, and compromise to the Board's ability to carry out its mission, the Board will no longer recognize any action taken by any appraiser regulatory agency, with or without suspension or revocation, as disciplinary action, if such action has been verified by the Director to involve an appraiser regulatory agency's isolated administrative responsibilities including, but not limited to, late payment of fees related to credentialing, failure to timely renew a credential, or failure to notify a regulatory office of a change in contact information; and such action is deemed by the Director to not be related to the credential holder's ethical behavior or competency as a real property appraiser, and no harm to the public is found.

Stat. § 76-3207(1)(b), (2) (Laws 2020, LB808, § 91)

## SUMMARY OF ACTION

Adopted by the Board at its July 15, 2021 meeting.

## **BACKGROUND**

During a discussion between Director Kohtz and AAG Nigro regarding delegation of authority, Director Kohtz brought attention to the Board's procedure for real property appraiser applicant and AMC registration applicant criminal history record check ("CHRC") review. Director Kohtz informed AAG Nigro that the Board intends to provide more authority to the director to approve certain applications, and that the Board may not have any direct involvement in the CHRC review. Director Kohtz inquired about the potential for unlawful delegation of authority since the relevant statutes specifically state that such record check is to be carried out by the Real Property Appraiser Board. AAG Nigro indicated that Neb. Rev. Stat. § 76-2223(1)(n) says, the Board shall administer and enforce the Real Property Appraiser Act, and do all other things necessary to carry out the Real Property Appraiser Act. In addition, Neb. Rev. Stat. § 76-2224 states, "In order to administer and enforce the Real Property Appraiser Act, the board may hire a director and other staff, rent office space, and acquire other facilities and equipment. The board may contract for administrative assistance, including facilities, equipment, supplies, and personnel that are required by the board to carry out its responsibilities under the act." AAG Nigro recommended that the Board adopt a guidance document outlining the procedure used for CHRC reviews.

## **ANALYSIS**

Regarding the qualifications for issuance, or upgrade, of a real property appraiser credential, Neb. Rev. Stat. § 76-2228.01(1)(e), (3)(a) (Trainee Real Property Appraisers); N.R.S. § 76-2230(1)(e), (2)(a) (Licensed Residential Real Property Appraisers); N.R.S. § 76-2231.01(1)(f), (2)(a) (Certified Residential Real Property Appraisers); N.R.S. § 76-2232(1)(f) (Certified General Real Property Appraisers); and N.R.S. § 76-2233(4)(a) (Real Property Appraisers through Reciprocity) state, "Submit two copies of legible ink-rolled fingerprint cards or equivalent electronic fingerprint submissions to the Real Property Appraiser Board for delivery to the Nebraska State Patrol in a form approved by both the Nebraska State Patrol and the Federal Bureau of Investigation. A fingerprint-based national criminal history record check shall be conducted through the Nebraska State Patrol and the Federal Bureau of Investigation with such record check to be carried out by the Real Property Appraiser Board."

Regarding the qualifications for renewal of a real property appraiser credential, N.R.S. § 76-2233.02(2) states, "The board shall establish a number of credential holders to be selected at random to submit, along with the application for renewal, two copies of legible ink-rolled fingerprint cards or equivalent electronic fingerprint submissions to the Real Property Appraiser Board for delivery to the Nebraska State Patrol in a form approved by both the Nebraska State Patrol and the Federal Bureau of Investigation. A fingerprint-based national criminal history record check shall be conducted through the Nebraska State Patrol and the Federal Bureau of Investigation with such record check to be carried out by the board."

In accordance with N.R.S. § 76-2227(4), to qualify for an initial credential, an upgrade of a credential, a credential through reciprocity, a temporary credential, or a renewal of a credential, an applicant shall not have been convicted of, including a conviction based upon a plea of guilty or nolo contendere of any felony (if so convicted, has had his or her civil rights restored); any crime of fraud, dishonesty, breach of trust, money laundering, misrepresentation, or deceit involving real estate, financial services, or in the making of an appraisal within the five-year period immediately preceding the date of application; or any other crime which is related to the qualifications, functions, or duties of a real property appraiser within the five-year period immediately preceding the date of application. An applicant must also demonstrate character and general fitness such as to command the confidence and trust of the public, and not possess a background that would call into question public trust or a credential holder's fitness for credentialing.

When referring to the appraisal management company ownership qualifications, N.R.S. § 76-3207(1)(b) declares that a person applying for issuance of a registration or renewal of a registration shall not, "Be more than ten percent owned by a person who is not of good moral character, which for purposes of this section shall require that such person has not been convicted of, or entered a plea of nolo contendere to, a felony relating to the real property appraisal practice or any crime involving fraud, misrepresentation, or moral turpitude or failed to submit to a criminal history record check through the Nebraska State Patrol and the Federal Bureau of Investigation."

In addition, N.R.S. § 76-3207(2) states, "For purposes of subdivision (1)(b) of this section, each individual owner of more than ten percent of an appraisal management company shall, at the time an application for issuance of a registration is made, submit two copies of legible ink-rolled fingerprint cards or equivalent electronic fingerprint submissions to the board for delivery to the Nebraska State Patrol in a form approved by both the Nebraska State Patrol and the Federal Bureau of Investigation. The board shall pay the Nebraska State Patrol the costs associated with conducting a fingerprint-based national criminal history record check through the Nebraska State Patrol and the Federal Bureau of Investigation with such record check to be carried out by the board."

Authority for carrying out such record check as required in N.R.S. § 76-2228.01(1)(e), (3)(a); N.R.S. § 76-2230(1)(e), (2)(a); N.R.S. § 76-2231.01(1)(f), (2)(a); N.R.S. § 76-2232(1)(f); N.R.S. § 76-2233(4)(a); N.R.S. § 76-2233.02(2); and N.R.S. § 76-3207(2) is dependent on the Board's ability to delegate administrative authority to its staff, and the interpretation of "Board" in N.R.S. § 76-2228.01(1)(e), (3)(a); N.R.S. § 76-2230(1)(e), (2)(a); N.R.S. § 76-2231.01(1)(f), (2)(a); N.R.S. § 76-2232(1)(f); N.R.S. § 76-2233(4)(a); N.R.S. § 76-2233.02(2); and N.R.S. § 76-3207(2).

In accordance with N.R.S. § 76-2223(1)(n), the Board shall administer and enforce the Real Property Appraiser Act, and do all other things necessary to carry out the Real Property Appraiser Act. N.R.S. § 76-2224 states, "In order to administer and enforce the Real Property Appraiser Act, the board may hire a director and other staff, rent office space, and acquire other facilities and equipment. The board may contract for administrative assistance, including facilities, equipment, supplies, and personnel that are required by the board to carry out its responsibilities under the act."

For the purpose of N.R.S. § 76-2228.01(1)(e), (3)(a); N.R.S. § 76-2230(1)(e), (2)(a); N.R.S. § 76-2231.01(1)(f), (2)(a); N.R.S. § 76-2232(1)(f); N.R.S. § 76-2233(4)(a); N.R.S. § 76-2233.02(2); and N.R.S. § 76-3207(2), Board means the Board or its staff as designated by the Board.

**SUBJECT:** CHRC Carried Out by the Board for Owners of More than 10% of an AMC at Renewal of Registration

**LEGAL REFERENCE:** Neb. Rev. Stat. § 76-3203 (Laws 2019, LB77, § 12); Neb. Rev. Stat. § 76-3207(1)(b), (2) (Laws 2020, LB808, § 91)

## SUMMARY OF ACTION

Adopted by the Board at its June 22, 2023 meeting.

## BACKGROUND

At its strategic planning meeting on June 15, 2022, the Nebraska Real Property Appraiser Board (“Board”) set a goal to explore alternatives for verification of AMC owner AMC Rule background compliance related to AMC registration renewal. At its regular meeting on May 25, 2023, the Board reviewed a report titled, “Report on Change to CHRC Procedures for AMC Owners of 10 Percent or More at AMC Renewal” prepared by Director Kohtz. While reviewing information in preparation for drafting this report, it was discovered that many peer states only require a Criminal History Record Check (“CHRC”) for new owners of 10% or more of an AMC after initial registration (CHRCs conducted for all owners of 10% or more of an AMC at initial registration). The Board agreed that annual CHRCs place a burden on an AMC and its owners.

## ANALYSIS

When referring to renewal requirements for AMC registration, Neb. Rev. Stat. § 76-3203(6) states, “The renewal of a registration includes the same requirements found in subsections (1) through (5) of this section. An application for renewal of a registration shall be furnished to the board no later than sixty days prior to the date of expiration of the registration.” In addition, N.R.S. § 76-3203(7) says, “For the purpose

of subdivision (6) of section 76-3202, the twelve-month period for renewal of a registration shall consist of the twelve months pursuant to subsection (4) of this section.”

Although N.R.S. § 76-3203 establishes certain requirements for issuance of a registration as an appraisal management company, and those requirements found in subsections (1) through (5) are applicable to renewal of a registration of an appraisal management company, N.R.S. § 76-3203 is silent regarding requirements for owners of 10% or more of an appraisal management company. As such, N.R.S. § 76-3203(6) does not include CHRCs for owners of 10% or more of an appraisal management company as a condition of renewal of a registration as an appraisal management company by association to the requirements for issuance of a registration as an appraisal management company as found in subsections (1) through (5) of 76-3203.

When referring to a person applying for issuance of a registration or renewal of a registration, a person shall not, per N.R.S. § 76-3207(1)(b), “Be more than ten percent owned by a person who is not of good moral character, which for purposes of this section shall require that such person has not been convicted of, or entered a plea of nolo contendere to, a felony relating to the real property appraisal practice or any crime involving fraud, misrepresentation, or moral turpitude or failed to submit to a criminal history record check through the Nebraska State Patrol and the Federal Bureau of Investigation.”

N.R.S. § 76-3207(2) states, “For purposes of subdivision (1)(b) of this section, each individual owner of more than ten percent of an appraisal management company shall, at the time an application for issuance of a registration is made, submit two copies of legible ink-rolled fingerprint cards or equivalent electronic fingerprint submissions to the board for delivery to the Nebraska State Patrol in a form approved by both the Nebraska State Patrol and the Federal Bureau of Investigation. The board shall pay the Nebraska State Patrol the costs associated with conducting a fingerprint-based national criminal history record check through the Nebraska State Patrol and the Federal Bureau of Investigation with such record check to be carried out by the board.”

Although N.R.S. § 76-3207(1)(b) applies to a person applying for issuance of a registration or renewal of a registration, N.R.S. § 76-3207(2) clearly establishes the requirement for each individual owner of more than ten percent of an appraisal management company at the time an application for issuance of a registration is made. Throughout the Appraisal Management Company Registration Act the requirements for issuance of a registration are defined separately from the requirements for renewal of a registration. This is established by the use of specific phrasing “issuance of a registration” and “renewal of a registration.” N.R.S. § 76-3207(2) does not establish that the CHRC requirements pertain to each individual owner of more than ten percent of an appraisal management company at the time an application for renewal of a registration is made.

Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (“Title XI”) was amended by the Dodd–Frank Wall Street Reform and Consumer Protection Act (“Dodd-Frank”), which was signed into law on July 21, 2010. Dodd-Frank required states to register and supervise the operations and activities of appraisal management companies. LB410 was approved by Governor Heineman on March 10, 2011, enacting the Appraisal Management Company Registration Act, which became effective on January 1, 2012. AM360 to LB410 was adopted by the Nebraska State Legislature on February 17, 2011, inserting the language found in N.R.S. § 76-3207(1)(b),(2) pertaining to CHRC requirements.

During floor discussion on February 17, 2011, Senator Utter introduced AM360 and stated, *“Thank you very much, Mr. President. Good morning, colleagues. This is a simple amendment that clarifies that all 10 percent, or more, owners of an appraisal management fee must undergo a vetting process that includes fingerprinting and a criminal records check through the national Federal Bureau of Investigation. And it...and this amendment also clarifies that the fees for this criminal records background check will be taken out of the application fees that the appraisal management company is paying. I urge your adoption of this amendment.”* AM360 was adopted with no further discussion.

At its February 17, 2011 regular meeting, the Board discussed AM360. The following excerpt from the meeting minutes details this discussion (p.4): *“AM360 was not submitted with AM197 as we were awaiting approval from the FBI of language necessary to conduct a criminal background check. AM360 simply requests that each individual owner of more than ten percent of an appraisal management company must, at the time of application for registration, submit two copies of legible ink-rolled fingerprint cards or equivalent electronic fingerprint submissions to the board for delivery to the Nebraska State Patrol in a form approved by the Nebraska State Patrol and the Federal Bureau of Investigation. Enrollment and Review ER27 was adopted on February 17, 2011.”*

Since N.R.S. § 76-3203(5) (2012) required that an application for the renewal of a registration includes substantially similar information required for the initial registration as provided in subsection (2) of the same section (through LB410), and N.R.S. § 76-3207(2) (2012) required each individual owner of more than ten percent of an appraisal management company to submit to a CHRC, at the time an application for registration as an appraisal management company was made, the requirement for renewal of an AMC registration was established as the same for AMC owners of 10 percent or more under N.R.S. § 76-3203(2)(m) (2012), which says, *“Any other information required by the board which is reasonably necessary to implement the Nebraska Appraisal Management Company Registration Act.”* The AMC Rule was adopted on June 9, 2015, with an effective date of August 10, 2015, by the Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation, the Office of the Comptroller of the Currency, the National Credit Union Administration, the Consumer Financial Protection Bureau, and the Federal Housing Finance Agency to implement the minimum requirements in the Dodd-Frank Wall Street Reform and Consumer Protection Act, which added a new Section 1124 to Title XI, to be applied by participating States in the registration and supervision of appraisal management companies. LB17, approved by Governor Ricketts on March 21, 2018, updated the Appraisal Management Company Registration Act for compliance with the Title XI and the AMC Rule. LB17 simplified the language in N.R.S. § 76-3203 to better align with the language found in the AMC Rule. Thus, the language, *“Any other information required by the board which is reasonably necessary to implement the Nebraska Appraisal Management Company Registration Act”* was removed.

## **GUIDANCE**

When referring to a person applying for issuance of a registration or renewal of a registration, a person shall not, per N.R.S. § 76-3207(1)(b), *“Be more than ten percent owned by a person who is not of good moral character, which for purposes of this section shall require that such person has not been convicted of, or entered a plea of nolo contendere to, a felony relating to the real property appraisal practice or any*

crime involving fraud, misrepresentation, or moral turpitude or failed to submit to a criminal history record check through the Nebraska State Patrol and the Federal Bureau of Investigation.”

Although N.R.S. § 76-3207(2) establishes the CHRC requirement for each individual owner of more than ten percent of an appraisal management company at the time an application for issuance of a registration is made, for the purpose of N.R.S. § 76-3207(1)(b), no such CHRC requirement is established for each individual owner of more than ten percent of an appraisal management company at the time an application for renewal of a registration is made. However, it is the Nebraska State Legislature’s intent that all individual owners of more than ten percent must undergo a vetting process that includes CHRC. Therefore, in order to reduce an unnecessary burden, as of July 1, 2023, the Board will no longer carry out a CHRC for any individual owner of more than ten percent of an appraisal management company that has had a CHRC previously completed. Any owner of more than ten percent of an appraisal management company that has previously completed a CHRC, as identified by the Board, will be evaluated for compliance with N.R.S. § 76-3207(1)(b) by the appraisal management company’s response to the Application for Renewal of Nebraska Appraisal Management Company Registration question, “Has any individual owner of more than 10% of the Appraisal Management Company been convicted of, or entered a plea of nolo contendere to, a felony related to real property appraisal practice or any crime involving fraud, misrepresentation, or moral turpitude since the criminal history record check was carried out by the Board?” A CHRC is still carried out for any new owner of more than ten percent of an appraisal management company, as identified by the Board, at the time application for renewal of a registration as an appraisal management company is made. Rapback reports issued by the Nebraska State Patrol that identify criminal activity for those that have had a CHRC completed will be utilized by the Board as well.

(Continued)

- a. The Board must be prepared to manage a sharp decline in revenues due to a loss in the number of appraisal management companies and applications for registration as appraisal management companies. There has been constant pressure at the federal level to make changes to appraiser and appraisal management company regulations; Implementation of the AMC Final Rule and deregulation may result in a drastic decrease in the number of appraisal management companies registered in this state.
  - b. The Board must be prepared to manage all related to the costs associated with investigations. This includes both investigation costs and training costs.
  - c. The Board must be prepared to purchase equipment and supplies as needed to administer and enforce the Act. Technology and methodology improvements may require upgraded equipment and/or supplies.
  - d. The Board must be prepared for unexpected cost increases associated with employee benefits. Healthcare reform leaves many unanswered questions in the foreseeable future.
2. An amount specified for potential litigation. Legal expenses for the most recent matter under the Real Property Appraiser Act exceeded \$50,000.00. The Board must be prepared to manage any costs of litigation that may arise. Legal expenses could potentially exceed \$100,000.00, and as such, the AMC fund balance shall include this amount for potential legal expenses.
  3. An amount specified for technology projects. Statute and rule changes, along with operation changes, require that the Board's database and website are upgraded regularly. Many projects, including complete overhauls are very expensive. The most recently completed database project cost more than \$220,000.00. The Board must be prepared to address costs associated with technology upgrades needed to administer and enforce the Act in an effective and efficient manner. The AMC fund balance shall include \$50,000.00 for technology projects.

Adopted by the Board on June 15, 2017
201715	Violation of Time Requirements in Neb. Rev. Stat. § 76-2236 (2)	Any appraiser that failed to successfully complete the seven-hour National Uniform Standards of Professional Appraisal Practice Course within the time frame specified in Neb. Rev. Stat. § 76-2236 (2) shall be notified of such failure in an advisory letter for the first occurrence of failure. Any subsequent failures to complete the seven-hour National Uniform Standards of Professional Appraisal Practice Course shall be presented to the Board for consideration of a Board initiated grievance for violation of N.R.S. § 76-2238 (12).	Adopted by the Board on August 17, 2017  Amended June 21, 2018

201801	Application of Late Processing Fee for Renewal Application Mailed with Insufficient Postage	<p>Any application for renewal of a real property appraiser credential, or renewal of an AMC registration, mailed with postage deemed insufficient by the U.S. Post Office, that is mailed with additional postage within three weeks of the initial postmark, will not be subject to \$25.00 late processing fee for the month in which it is received by the Board if:</p> <ol style="list-style-type: none"> <li>1) Postmark evidence includes the initial mailing date and the date the item was mailed with additional postage, and</li> <li>2) All other requirements for renewal are met by the applicant.</li> </ol>	Adopted by the Board on February 15, 2018
201802	NRPAB Employee Real Property Appraisal Activity	<p>As stated in the NRPAB Employee Handbook under the Conflict of Interest section, "Employees must avoid any relationship or activity that might impair, or even appear to impair, their ability to make objective and fair decisions when performing their jobs." In order to avoid potential conflicts of interest, acts or conduct which adversely affects the Board's performance or function, or legal liability to the Board, any full-time regular employee of the Board is prohibited from engaging in real property appraisal activity as defined in Neb. Rev. Stat. § 76-2215. Any matter in which a regular full-time employee engages in real property appraisal activity will be addressed in accordance to the discipline policy found in the NRPAB Employee Handbook.</p>	Adopted by the Board on May 17, 2018; effective June 1, 2018.
201901	NRPAB Board Member Investigation Guidelines	<p>A grievance filed by a board member, in an individual capacity, must be in compliance with 298 NAC Chapter 8, § 001.02. If a board member files a grievance as an individual, or submits a report to the Board's office that becomes the subject of a grievance filed by the Board, he or she is strongly recommended to abstain from voting from the point of involvement forward. If any board member is unsure of the need to abstain from voting related to an investigation, no action shall be taken on the matter until the Director receives an opinion from the Attorney General's Office concerning the Respondent's due process rights.</p> <p>The Board will receive an update at each meeting concerning the progress of any matter under investigation. Examples of such updates include, but are not limited to, respondent has been notified of charges and appraisal report and workfile have been requested, SME is in process of completing standard 3-4 review, standard 3-4 review is being evaluated, Respondent is reviewing Standard 3-4 Review Report, evaluating Respondent's response with SME, requested clarification from Respondent related to response provided, and currently working on investigative report and preparing evidence.</p>	Adopted by the Board on April 18, 2019

201902	NRPAB Consent Agreement Negotiation Guidelines	<p>If an investigation discloses evidence that the actions of the person under investigation constitute a violation of the Real Property Appraiser Act, the Appraisal Management Company Registration Act, or Title 298 of the Nebraska Administrative Code, the Board will file a formal complaint through the Board’s Special Assistant Attorney General (SAAG). Under the authorization of the Director, a consent agreement may be negotiated by the SAAG within sixty days from the date of the Board’s decision. If negotiations have stalled, or terms of the consent agreement cannot be reached within sixty days of the Board’s decision, the SAAG will serve the formal complaint upon the Respondent if it has not already been served (negotiations may continue throughout this process).</p> <p>If the terms of a consent agreement are reached, and the agreement is signed by the Respondent, the consent agreement will be submitted to the Board for review. If the Board accepts the consent agreement, the Board Chairperson shall sign the agreement for execution. If the matter is settled through the consent agreement process, no formal hearing will be conducted. The Director will monitor the Respondent’s adherence to the terms specified in the consent agreement. If an issue arises, or a term is not completed, the Director will prepare a report for the Board outlining the matter.</p> <p>If the Board does not accept the terms of the consent agreement, the Board may choose to withdraw from consent agreement negotiations (proceed to formal hearing), or authorize further negotiations by the SAAG. If the Board allows additional negotiations, it may set parameters under which the negotiations may continue.</p>	Adopted by the Board on April 18, 2019
201903	Intent of the NRPAB Regulatory Program	<p>The intent of the Board’s regulatory program is to be educational in practice when possible. In the cases where the evidence does not support the findings, or the findings are deemed minor in nature by the Board, the Board may dismiss the charges. Based on the educational nature of the process, a dismissal letter may include advisement explaining the Board’s findings, or additional voluntary Board recommendations. Such voluntary Board recommendations may include suggested continuing education coursework, an informal conference with Board members, and/or any other course of action the Board deems beneficial to the Respondent.</p>	Adopted by the Board on April 18, 2019

201904	NRPAB Special Assistant Attorney General Grievance Guidelines	<p>If a grievance is filed by the Board’s Special Assistant Attorney General, the Board must obtain separate legal counsel for this grievance. For any grievance not filed by the Board’s Special Assistant Attorney General, he or she may be consulted by the agency at any time during the investigative process. If the Respondent obtains legal counsel, the Board’s Special Assistant Attorney General will be the agency’s primary source of communication with the Respondent.</p> <p>Upon completion of an investigation by the agency, the investigative report and documentation will be submitted to the Special Assistant Attorney General for review. The Special Assistant Attorney General will submit a summary report to the agency with recommendations as how to proceed. The agency will make changes to the investigative report to include the Special Assistant Attorney General’s recommendations if needed.</p> <p>If, at the conclusion of an administrative hearing, the hearing officer determines that the Respondent is guilty of the violation(s), the Board shall take such disciplinary action as the Board deems appropriate. If, at the conclusion of the hearing, the hearing officer determines that no violation(s) occurred, the Board may dismiss the charges, or take any action the Board deems appropriate. Any action other than dismissal shall require consultation with the Special Assistant Attorney General.</p> <p>All consent agreements, final orders, cease and desist orders, formal complaints, administrative hearing motions, or notices/declarations concerning a grievance, shall be prepared by the Board’s Special Assistant Attorney General as authorized by the Director.</p>	Adopted by the Board on April 18, 2019
201905	Documentation Provided to a Respondent during an Investigation	Any document provided to a Respondent during the course of an investigation will have all sensitive or confidential information, as determined by the Director, redacted. Such documentation includes, but is not limited to, grievances, Standard 3-4 Review Reports, and items evidentiary in nature in which the Respondent is requested to provide comment or explanation.	Adopted by the Board on April 18, 2019

201906	NRPAB SME Investigation Guidelines	<p>In accordance with Neb. Rev. Stat. § 76-2239 (1), the Board may contract with qualified persons if technical assistance is required during an investigation. Board’s Director must approve a contract with Subject Matter Expert (SME) prior to proceeding with the investigation. If any additional contracts for technical assistance are required after the initial contract is approved, the Board’s Director and Board Chair must approve the contract.</p> <p>An SME is different than the traditional “review appraiser.” The SME is an integral part of the investigative team as the technical expert regarding appraiser practice and USPAP. The agency relationship with the SME will be interactive throughout the entire process.</p> <p>Upon the Board’s motion to proceed with an investigation, the subject report, workfile, and other documentation as determined by the Director as relevant is provided to SME for Standard 3-4 review. The agency will hold an introductory phone conference with the SME to outline the expectations of the SME. SME is to conduct an evidence-based review of the subject report to determine compliance with USPAP, and must provide support to substantiate all findings of deficiencies stated in the Standard 3-4 review. If questions arise during the review, the SME will communicate those questions with the agency, who may request clarification from the Complainant, Respondent, or other party in writing or another form of communication if necessary, and provide the response back to the SME. SME may request that agency obtain additional information as needed to substantiate Standard 3-4 review findings.</p>	Adopted by the Board on April 18, 2019
201907	Investigation of AMC that Ceases Operation and Fails to Maintain a Surety Bond for One Year	<p>In accordance with Neb. Rev. Stat. § 76-3203 (2), a surety bond shall be maintained until one year after the date that an AMC ceases to operate in Nebraska. If notice is received from an insurer that the surety bond for a registered AMC has been or will be cancelled, and evidence is obtained confirming that the AMC has ceased operation (no longer in business) prior to the expiration of its registration, no grievance will be filed by the Board if no harm to the public has been alleged. If an AMC has resumed operation without providing evidence of surety coverage prior to the expiration of its registration, or the failure to maintain a surety bond has caused harm to the public, a grievance will be filed by the Board for violation of Neb. Rev. Stat. § 76-3202 (2).</p>	Adopted by the Board on July 18, 2019

201908	NRPAB Personal Vehicle Use Policy	A completed NRPAB Personal Vehicle Use Authorization Form signed by the director, or in the case of the director, the Board’s chairperson, must be on file at the Board’s office prior to an employee or board member receiving reimbursement for use of a personal vehicle while on State business (this does not include commuting miles). This authorization may be revoked at any time by the director, or in the case of the director, the Board’s chairperson, if the employee or board member violates any law, rule, policy or procedure as it relates to personal vehicle use. The Board reserves the right to amend or retire this policy at any time.	Adopted by the Board on September 19, 2019
202001	Appraiser-AMC Funds Allocation Procedure	In accordance with Neb. Rev. Stat. § 76-2226, the Board may use the real property appraiser fund for the administration and enforcement of the Real Property Appraiser Act and to meet the necessary expenditures of the Board, and in accordance with Neb. Rev. Stat. § 76-3219, the appraisal management company fund shall be used to implement, administer, and enforce the AMC Registration Act. The allocation between the two funds for expenditures that apply to both the Appraiser Program and the AMC Registration Program, or that are not cost effective to attempt to separate by program (e.g., payroll and benefits processing, general postage billing, general CIO network services billing, and general CIO IMS billing) is a percentage determined by the quarterly employee workload review from the previous fiscal year, and the budget analysis of the past, present, and projected numbers and trends for appraiser credentialing, AMC registrations, education activities, and compliance. The quarterly workload review for each employee will take place during the first full work week in July, October, January, and April. Each employee will report his or her time spent on appraiser-and AMC-related activities per day in quarter-hour increments (e.g., Monday: 3.25 hours AMC, 4.75 hours appraiser; Tuesday: 2 hours AMC, 6 hours appraiser) using a method determined by the Director. If the activity applies to both the appraiser and AMC programs (e.g., payroll, general office activities, general government functions, certain accounting functions, and technology projects), the employee will report the time spent at 50% for each program. The employee quarterly workload review will be the baseline for determining the allocation between the appraiser and AMC funds for the fiscal year. However, the allocation will also account for projected changes in the numbers and trends for appraiser credentialing, AMC registrations, education activities, and compliance as documented during the budget analysis for each fiscal year.	Adopted by the Board on June 18, 2020  Amended July 20, 2023

202101	Appraisal Review Services Contractor Program Management	<p>In order to maintain an effective appraisal review services contractor program, and to build a history of contractor performance, the Board adopts use of the State of Nebraska Vendor Performance Program (VPP). The NRPAB Subject Matter Expert Services Contractor USPAP Compliance Review Report Summary (SME Report Summary), or if appropriate, the NRPAB Applicant Appraisal Review Services Contactor USPAP Compliance Review Report Summary (Applicant Appraisal Review Contactor Report Summary), will be provided to the Board for review with any USPAP Compliance Review Report obtained by the Board. The Board shall determine whether the contractor performance was satisfactory or not. If the Board determines that a contactor performance was unsatisfactory, the Board will send a notice of such unsatisfactory performance to the contactor in accordance with the procedures of the VPP plan. A copy of the contract; the USPAP Compliance Review Report; the SME Report Summary, or if appropriate, the Applicant Appraisal Review Contactor Report Summary; and any VPP notices will be maintained in a file for each contactor on the Board’s W Drive. This contactor file, along with any additional information provided by the Board, shall be utilized to maintain the Board’s active appraisal review services contractor list.</p>	Adopted by the Board on June 17, 2021
202301	Real Property Appraiser Applicant Experience Review Subcommittees	<p>For the purpose of 298 NAC Chapter 2, § 002.13, the Real Property Appraiser Applicant Experience Review Subcommittee (“Subcommittee”) assignments will be established at the time any new board member is appointed by the Governor, or at the request of a board member or the Director. The number of Subcommittees established will be determined by the Board and a board member may participate on one or more Subcommittees. If applicable, the Director will assign a real property appraiser applicant to a Subcommittee based on that Subcommittee’s experience and expertise. If a Subcommittee rejects a real property appraiser applicant experience review, the Director will assign the real property appraiser applicant to another Subcommittee utilizing the same criteria. If no Subcommittee accepts the real property appraiser applicant experience review, the Director will place the applicant before the Board for consideration. No board member per diem is received for participation on a Subcommittee.</p>	Adopted by the Board on June 22, 2023

# Memo

**To:** Nebraska Real Property Appraiser Board  
**From:** Tyler Kohtz  
**CC:**  
**Date:** 6/8/2024  
**Re:** FY 2024-25 Appraiser-AMC Funds Allocation

---

In accordance with Neb. Rev. Stat. § 76-2226, the Board may use the real property appraiser fund for the administration and enforcement of the Real Property Appraiser Act and to meet the necessary expenditures of the Board, and in accordance with Neb. Rev. Stat. § 76-3219, the appraisal management company fund shall be used to implement, administer, and enforce the AMC Registration Act. The allocation between the two funds for expenditures that apply to both the Appraiser Program and the AMC Registration Program, or that are not cost effective to attempt to separate by program (e.g., payroll and benefits processing, general postage billing, general CIO network services billing, and general CIO IMS billing), is a percentage determined by the quarterly employee workload review from the previous fiscal year, and the budget analysis of the past, present, and projected numbers and trends for appraiser credentialing, AMC registrations, education activities, and compliance.

## **AMC/Appraiser Time Breakdown**

The quarterly workload review for each employee takes place during the first full work week in July, October, January, and April (At the Director's request, the Chairperson may move the workload review week). Each employee reported his or her time spent on appraiser- and AMC-related activities per day in quarter-hour increments (e.g., Monday: 3.25 hours AMC, 4.75 hours appraiser; Tuesday: 2.5 hours AMC, 5.5 hours appraiser). If the activity applies to both the appraiser and AMC programs (e.g., payroll, general office activities, general government functions, certain accounting functions, and technology projects), the employee reported the time spent at 50% for each program. The total number of full-time equivalent hours for the agency during the quarterly workload review is 560 (BPM joined staff for January review). The reported 548 total hours is the result of paid leave taken during the four weeks under review.

**FY2024-25 AMC/Appraiser Funds Allocation Analysis**

The quarterly workload review of the first full work week in July, October, January, and April for each employee indicates that 35% of time was spent AMC related functions, and 65% of time was spent on Appraiser related functions. During analysis of the proposed budget for FY2024-25, the past, present, and projected numbers and trends for appraiser credentialing, AMC registration, education activities, and compliance, were taken into consideration. The number of AMC registrations, both new and renewal, stabilized during FY2023-24; however, the number of reported hours for the AMC Registration Program increased for FY2023-24, as it did for FY2022-23. The number of hours reported for FY2021-22 was 12.5 compared to 23 for FY2022-23, and 26 for FY2023-24. The reporting period is a snapshot in time. As explained below, it is likely that the addition of the BPM position led to the slight increase during the reporting period. The number of new real property appraiser credentials have also stabilized after increases during FY2021-22 and FY2022-23. These numbers are expected to remain steady for FY2024-25. The number of real property appraiser credential renewals fell below projections in FY2022-23; however, the renewal rates for real property appraisers returned to more typical percentages in FY2023-24, and are projected to be consistent for the next couple of fiscal years. Because the numbers are relatively stable for both the Real Property Appraiser Program and the AMC Registration Program, no additional consideration is given to determine the Appraiser Fund and AMC Fund split. It is noted that the number of CHRCs conducted for AMC renewals and real property appraiser renewals were significantly reduced. Although this affected the processing time per application, the processing time reduction resulted in no overall change to the percentage of time spent in AMC or Appraiser related activities. The addition of the BPM position caused a slight change to the staff time spent in AMC or Appraiser related functions as the majority of time for this position was applied to the general functions of the agency. Although this position was only included in the January and April 2024 data, the 74.75 general hours reported pushed the agency split slightly more towards the AMC Registration Program. \*During analysis of the data for the FY2023-24 fiscal year, it was discovered that the EPM position reported time spent processing education applications as general time; this activity applies only to the Appraiser Program. As such, the time spent carrying out this duty should have been reported under appraiser hours. During discussion with EPM Sims, it was determined that approximately 12 hours per week are spent in general functions. Other than 48 hours dedicated to this purpose, all other hours reported under general hours were moved to appraiser hours for the purpose of this report. Finally, there are no education or compliance program changes, or legislative or policy matters, that would affect the AMC/Appraiser Funds allocation for FY2024-25. The AMC/Appraiser Funds allocation for FY2024-25 will remain at 65% Appraiser Fund and 35% AMC Fund.
