

Memo from the Board to Nebraska Real Property Appraisers

November 19, 2015

2016 CREDENTIAL RENEWAL REMINDER AND INFORMATION

The Nebraska Real Property Appraiser Board ("Board") would like to offer a quick reminder to Nebraska credential holders that the November 30th deadline for renewals is fast approaching. The Board would like to provide Nebraska credential holders information concerning the 2016 credential renewal process.

- The completed renewal application, **all continuing education documentation (if applicable based on continuing education cycle)**, and fingerprint cards or equivalent electronic fingerprint submissions (if previously notified by registered mail), must be mailed to the Board's office prior to November 30, 2015.
- If you are transitioning from a one-year renewal to a two-year renewal, the entire two-year continuing education period must be satisfactorily completed prior to renewing a credential for a two-year period.
- If all required information is not received at the Board's office by November 30, 2015, a credential holder will have until July 1, 2016 to meet the requirements. A late processing fee of \$25.00 will be assessed for each month or portion of a month the credential is not renewed beginning on December 1, 2015. If a credential holder obtained his or her credential at the current level on or after November 1, 2015, the late processing fee does not apply until January 1, 2016.
- If an application is incomplete, or the required continuing education documentation is missing, the application will be returned to the credential holder. All renewal applications received after November 30, 2015 will go before the Board for review prior to issuance.
- Once an application is received at the Board's office and is processed by board staff, a postcard will be mailed indicating that the credential holder has met the requirements for renewal of his or her real property appraiser credential. This postcard will direct the credential holder to print a copy of his or her pocket card through Appraiser Login (see picture below).

- If you were required to submit finger prints for a criminal history record check, and the criminal history record check has not been returned to the Board's office by the State Patrol prior to December 31st, the Board may renew a credential subject to receipt of this record check. All other requirements for renewal must have been met prior to the November 30th deadline for this contingent approval.

Effective August 30, 2015, a credential holder may elect an inactive status. This status allows an appraiser the ability to maintain his or her credential if he or she is unable to practice for a short amount of time. The inactive status application can be found on the Board's website at:

Each credential holder that successfully renews his or her credential will receive one free download of the PDF version of the 2016-17 Edition of USPAP through Appraiser Login (see picture below). Reciprocity Based Credential Holders: You are strongly encouraged to review the September 24, 2013 Memo From the Board titled "Changes to CE Requirements for Nebraska Reciprocal Real Property Appraisers" located at <http://www.appraiser.ne.gov/newsletters%20and%20memos/index.html>.

Trainee Real Property Appraisers: Effective January 1, 2015, all Trainee Real Property Appraisers are required to submit continuing education every two years instead of every four years. No adjustments will be made for those on a four year cycle ending on December 31, 2015 or December 31, 2016. However, if a Trainee Real Property Appraiser's four year cycle ends on December 31, 2017 or December 31, 2018, his or her continuing education cycle has been changed to a cycle beginning January 1, 2015 and ending December 31, 2016.

Please contact the Board's office at 402-471-9015 for any questions concerning continuing education requirements or the renewal process.
